ACTION ITEM (ID # 5831)**

Approval of Issuance of Lease Revenue Bonds, 2023 Series A (Police Station Project)

EXECUTIVE DIRECTOR'S RECOMMENDATION:

1) That the El Centro Financing Authority (the "Authority") approve:

Resolution No. 23- , RESOLUTION OF THE EL CENTRO FINANCING AUTHORITY AUTHORIZING AND APPROVING THE ISSUANCE OF LEASE REVENUE BONDS (POLICE STATION PROJECT), 2023 SERIES A, IN THE AGGREGATE PRINCIPAL AMOUNT NOT TO EXCEED \$49,500,000; APPROVING THE FORM OF PRELIMINARY OFFICIAL STATEMENT AND THE EXECUTION AND DELIVERY OF A FINAL OFFICIAL STATEMENT, A SITE AND FACILITY LEASE, A LEASE AGREEMENT, A CONTINUING DISCLOSURE AGREEMENT AND A BOND PURCHASE AGREEMENT, AND AUTHORIZING ACTIONS AND EXECUTION OF DOCUMENTS RELATED THERETO; AND

FISCAL IMPACT:

Based on conservative assumptions on current market rates, a General Fund backed lease financing (sized to reflect available Measure P revenues) that raises approximately \$40 million for a new police station facility will cost approximately \$3.3 million annually in lease payments through October 1, 2047. The final financing cost will be determined when the bonds are sold and will be subject to changing market conditions. The operation and maintenance costs of the new facility will be the same or slightly lower due to increased energy efficiency.

STRATEGIC PLANNING PROGRAM 2022-2027 RELATION:

Goal #1 - Financial & Governance Stability & Sustainability.

Goal #3 - Community Health, Safety, & Welfare.

DUE DILIGENCE CHECK FOR CONTRACTORS/CONSULTANTS: DID THE DEPARTMENT VERIFY CURRENT EL CENTRO BUSINESS LICENSE, CONTRACTORS LICENSE, REFERENCE CHECKS, INSURANCE, ETC:

Yes. NHA Advisors and Norton Rose Fulbright US LLP each will obtain business licenses as required.

BACKGROUND:

The City's residents approved a one-half percent (1/2%) local transactions and use tax, "Measure P, in November 2016. This local tax is a "general tax" as opposed to a specific tax; therefore, the revenues collected are not restricted and may be used for any City governmental purpose. Ballot language for Measure P indicated that the funds would be allocated toward maintaining City services and facilities, including police, fire protection, library, parks and recreation, senior programs, and street

maintenance and upgrades. In October 2017, City Council formed four Measure P Working Groups - Public Works, Parks & Recreation, IT/ADA, and Community Enhancement - to review and recommend use of Measure P funds. The City has a need for new police department facilities to replace old facilities that are no longer fit for purpose.

The Public Safety Task Force and Community Enhancement Task Force ranked use of Measure P money and identified the police facility as a priority. The current building was built in the 1950's and is not in good repair. The new building will be more energy efficient but is twice the size so there will not be savings and some operational and janitorial costs will increase.

DISCUSSION:

Authority staff have been working with the City's independent municipal advisor, NHA Advisors, to analyze and evaluate the capacity to finance this 2023 Police Headquarters Project (\$40 million project budget) sized using a portion of the Measure P monies through Measure P's expiration date of June 30, 2047, to accomplish the goals outlined in the Measure P ballot language.

NHA Advisors and the financing team have conducted their own due diligence to ascertain a preferred Plan of Finance that meets the objectives established by the City Council: Fund the Police Headquarters Project AND help maintain the City's financial sustainability and resiliency.

Bond Structure - Per a discussion with the Authority's Bond Counsel, Norton Rose Fulbright US LLP, the legal structure for the bond financing will be a lease revenue bond structure. Under such structure, the City's General Fund revenues provide repayment for the financing, and physical assets are required to serve as the "Leased Asset" to support the financing. This financing structure is similar to what the Authority executed in 2021 to finance the Library Project. Under a lease revenue financing structure, a City cannot legally begin making debt payments until it has beneficial use and possession of the facilities that will serve as the leased asset for the financing. There is no security interest given in the City property where the station is located.

Given that the leased assets are the new facilities being constructed, the City cannot legally make debt service payments during the construction period unless a an asset can be used during this construction period, absent funding of interest by the City which adds cost to the financing.

In an effort to minimize funding of interest, the Aquatic Center has been identified as an asset of suitable quality and value to serve as a partial substitute asset during the construction period of the Police Headquarters. Once the Police Headquarters receives a temporary certificate of occupancy, then the Aquatic Center may be removed after "pro forma" paperwork and certifications are concluded so that only the Police Headquarters itself will serve as the Leased Asset.

Finally, it is expected that the 2023 Bonds will be supported by a level annual lease payment structure that begins amortizing principal immediately and has a final maturity of October 1, 2047.

Financing Documents and Schedule:

Being presented for approval are the following documents:

Indenture: The Indenture sets the terms and conditions of the 2023 Bonds, including optional prepayment. These terms will be finalized upon the actual sale of the bonds to investors and after the bond purchase agreement is executed.

Site and Facility Lease: This is an agreement between the City and the Authority providing the mechanism from which the Authority may then lease the identified asset back to the City in exchange for the lease payments sufficient to pay debt service on the 2023 Bonds.

Lease Agreement: This agreement provides for the leasing of the identified asset back from the Authority to the City in exchange for semi-annual lease payments commensurate with the debt service on the 2023 Bonds. The City's General Fund will make the lease payments over the term of the Lease Agreement.

Assignment Agreement: This agreement provides for the assignment of Lease Revenues received by the Authority to a trustee named therein, for payment by the trustee of debt service payments on the 2023 Bonds.

Bond Purchase Agreement: Pursuant to the Bond Purchase Agreement ("BPA"), the Underwriter (Ramirez & Co., Inc.) will agree to buy the 2023 Bonds at specified prices and interest rates, subject to satisfaction of certain requirements, such as the City's execution and delivery of the indentures and delivery of closing certificates and opinions. The BPA will be presented to the authorized officers of the City for approval and execution on the pricing date after the Underwriter has completed the offering to the investors and the pricing of the 2023 Bonds. The Resolution specifies the maximum underwriter's discount and other financing parameters that must be met before moving forward on the transaction.

Preliminary Official Statement: A preliminary official statement ("POS") has been prepared to provide material information to investors regarding the terms and security of the 2023 Bonds. The POS contains information about the City's General Fund, including budget performance and information about the City's reserves and financial policies, as well as audited financial statements. The POS also includes descriptions of the legal and financial aspects of the 2023 Bonds, as well as a summary of the various related legal documents. Certain information which will be determined upon the pricing of the 2023 Bonds (such as the final principal amount, the interest rates and the redemption dates are either omitted or noted as "preliminary, subject to change" in the POS. The Underwriter will use the POS to

market the 2023 Bonds to potential investors. Once the 2023 Bonds have been priced, the final pricing information will be inserted into the POS, thereby converting it to an Official Statement. The Underwriter will then distribute the Official Statement to the individuals and institutions that placed orders to buy the 2023 Bonds from the Underwriter.

If City Council and Authority Board elect to approve the two resolutions, City staff will work with the financing team to immediately ready the 2023 Bond transaction for a public sale. Below is a summary of the financing schedule:

Date	Activity
1/17/23	City Council and Authority Board Approve Financing Resolutions
1/20/23	Release Preliminary Official Statement to Underwriter to begin marketing of 2023 Bonds to Investors
1/31/23	2023 Bond Order Period, Verbal Award and Execution of Bond Purchase Agreement
2/9-10/23	Close Financing

The City Council resolution sets forth certain parameters upon any sale of the Bonds. These parameters are: (1) the par amount of the bonds cannot exceed \$49,500,000, (2) the underwriter's discount cannot exceed 1.00% of the par amount of the Bonds.

CONCLUSION:

Measure P funds are a highly strategic asset intended to fund the City facilities, infrastructure and services/maintenance to maintain and enhance all City stakeholder's interests. The Plan of Finance to accomplish the objectives outlined by City Council and the voters who approved Measure P in 2016 will provide the means to accomplish the objectives.

GOOD FAITH ESTIMATES

The good faith estimates set forth herein are provided with respect to the Bonds in accordance with California Government Code Section 5852.1. Such good faith estimates have been provided to the Authority by NHA Advisors, LLC, the City's Municipal Advisor (the "Municipal Advisor").

Principal Amount. The Municipal Advisor has informed the Authority that, based on the City's financing plan and current market conditions, its good faith estimate of the aggregate principal amount of the Bonds to be sold is \$45,710,000.00 (the "Estimated Principal Amounts").

True Interest Cost of the Bonds. The Municipal Advisor has informed the Authority that, assuming that the respective Estimated Principal Amounts of the Bonds are sold, and based on market interest rates prevailing at the time of preparation of such estimate, its good faith estimate of the true interest cost of the Bonds, which means the rate necessary to discount the amounts payable on the respective principal and interest payment dates to the purchase price received for the Bonds, is 4.6197822%.

Finance Charge of the Bonds. The Municipal Advisor has informed the Authority that, assuming that the Estimated Principal Amounts of the Bonds are sold, and based on market interest rates prevailing at the time of preparation of such estimate, its good faith estimate of the finance charge for the Bonds, which means the sum of all fees and charges paid to third parties (or costs associated with the Bonds), is \$777,100.

Amount of Proceeds to be Received. The Municipal Advisor has informed the Authority that, assuming that the Estimated Principal Amounts of the Bonds are sold, and based on market interest rates prevailing at the time of preparation of such estimate, its good faith estimate of the amount of proceeds expected to be received by the Authority for sale of the Bonds, less the finance charge of the Bonds, as estimated above, and any capitalized interest on the Bonds paid or funded with proceeds of the Bonds, is \$40,003,790.00.

Total Payment Amount. The Municipal Advisor has informed the Authority that, assuming that the Estimated Principal Amounts of the Bonds are sold, and based on market interest rates prevailing at the time of preparation of such estimate, its good faith estimate of the total payment amount, which means the sum total of all payments the Authority will make to pay debt service on the Bonds, plus the finance charge for the Bonds, as described above, not paid with the respective proceeds of the Bonds, calculated to the final maturity of the Bonds, is \$74,226,366.67.

The foregoing estimates constitute good faith estimates only and are based on market conditions prevailing at the time of preparation of such estimates on January 11, 2023. The actual principal amount of the Bonds issued and sold, the true interest cost thereof, the finance charges thereof, the amount of proceeds received therefrom and total payment amount with respect thereto may differ from such good faith estimates due to (a) the actual date of the sale of

the Bonds being different than the date assumed for purposes of such estimates, (b) the actual principal amount of Bonds sold being different from the respective Estimated Principal Amounts, (c) the actual amortization of the Bonds being different than the amortization assumed for purposes of such estimates, (d) the actual market interest rates at the time of sale of the Bonds being different than those estimated for purposes of such estimates, (e) other market conditions, or (f) alterations in the Authority's financing plan, or a combination of such factors. The actual date of sale of the Bonds and the actual principal amount of Bonds sold will be determined by the Authority based on various factors. The actual interest rates borne by the Bonds will depend on market interest rates at the time of sale thereof. The actual amortization of the Bonds will also depend, in part, on market interest rates at the time of sale thereof. Market interest rates are affected by economic and other factors beyond the control of the Authority.

Throughout the term of this Site Lease, title to the Leased Property shall remain in the City.

SECTION 6. DEFAULT

(a) If the Authority shall fail to keep, observe or perform any term, covenant or condition contained herein to be kept or performed by the Authority, or (b) if (1) the Authority's interest in this Site Lease or any part thereof is assigned or transferred without the written consent of the City, either voluntarily or by operation of law or otherwise, except as provided in Section 11 hereof, or (2) any proceeding under the United States Bankruptcy Code or any federal or state bankruptcy, insolvency or similar law or any law providing for the appointment of a receiver, liquidator, trustee or similar official of the Authority or of all or substantially all of its assets is instituted by or with the consent of the Authority, or is instituted without its consent and is not permanently stayed or dismissed within sixty (60) days, or if the Authority offers to the Authority's creditors to effect a composition or extension of time to pay the Authority's debts, or asks, seeks or prays for a reorganization or to effect a plan of reorganization or for readjustment of the Authority's debts, or if the Authority shall make a general assignment or any assignment for the benefit of the Authority's creditors, then the Authority shall be deemed to be in default hereunder and it shall be lawful for the City to exercise any and all rights and remedies available pursuant to law; provided however, that: (i) no merger of this Site Lease and of the Lease shall be deemed to occur as a result thereof; and (ii) so long as any Bonds remain outstanding the City shall have no power to terminate this Site Lease by reason of any default on the part of the Authority if such termination would prejudice the exercise of the remedies provided in Section 10 (captioned "DEFAULT") of the Lease.

Neither the City nor the Authority shall in any event be in default in the performance of any of its obligations hereunder or imposed by law unless and until the City or the Authority (as the case may be) shall have failed to perform such obligations within sixty (60) days after notice by the Authority or the City to the nonperforming party properly specifying wherein such party has failed to perform any such obligation.

SECTION 7. EMINENT DOMAIN

If the whole or any part of the Leased Property shall be taken under the power of eminent domain, the interest of the Authority shall be recognized and is hereby determined to be the amount of the unpaid principal components of base rental payments due under the Lease, and all accrued interest thereon, and the amount of the unpaid Additional Rental Payments due under the Lease, and the balance of the award, if any, shall be paid to the City.

SECTION 8. RIGHT OF ENTRY

The City and its assignees shall have the right to enter the Leased Property during reasonable business hours (and in emergencies at all times) (a) to inspect the same, (b) for any purpose connected with the City's or the Authority's rights or obligations under this Site Lease and (c) for all other lawful purposes.

SECTION 9. TERMINATION

The Authority agrees, upon the termination of this Site Lease, to quit and surrender the Leased Property in the same good order and condition as the same were in at the time of commencement of the term hereunder, reasonable wear and tear excepted, and the Authority and the City agree that any permanent improvements and structures existing upon the Leased Property at the time of the termination of this Site Lease shall remain thereon and title thereto shall be vested in the City.

SECTION 10. QUIET ENJOYMENT BY THE AUTHORITY

The Authority shall at all times during the term of this Site Lease peaceably and quietly have, hold and enjoy the Leased Property without suit, trouble or hindrance from the City, subject to the Authority's compliance with the terms and provisions hereof and of the Lease.

SECTION 11. ASSIGNMENTS AND SUBLEASES

The Authority shall not assign, mortgage, hypothecate or otherwise encumber this Site Lease or any rights hereunder or the leasehold created hereby by trust agreement, indenture or deed of trust or otherwise or sublet the Leased Property without the written consent of the City, except as provided by the Lease and as security for the Bonds.

SECTION 12. WAIVER OF PERSONAL LIABILITY

All liabilities hereunder on the part of the Authority shall be solely liabilities of the Authority as a separate legal entity, and no member, officer or employee of the Authority shall at any time or under any circumstances be individually or personally liable hereunder for anything done or omitted to be done by the Authority hereunder.

SECTION 13. TAXES

The City agrees and covenants to pay, any and all assessments of any kind or character and also all taxes, including possessory interest taxes, levied or assessed upon the Leased Property (including both land and improvements thereon).

SECTION 14. GOVERNING LAW

This Site Lease shall be governed by and construed in accordance with the laws of the State of California.

SECTION 15. NOTICES

All notices, statements, demands, consents, approvals, authorizations, offers, designations, requests or other communications hereunder by either party to the other shall be in writing and shall be sufficiently given and served upon the other party if delivered personally or if mailed by United States registered or certified mail, return receipt requested, postage pre-paid, and,

SECTION 16. VALIDITY AND SEVERABILITY

If any one or more of the terms, provisions, covenants or conditions of this Site Lease shall to any extent be declared invalid, unenforceable, void or voidable for any reason whatsoever by a court of competent jurisdiction, the finding or order or decree of which becomes final, none of the remaining terms, provisions, covenants and conditions of this Site Lease shall be affected thereby, and each provision of this Site Lease shall be valid and enforceable to the fullest extent permitted by law.

If for any reason this Site Lease shall be held by a court of competent jurisdiction to be void, voidable, or unenforceable by the City or by the Authority, or if for any reason it is held by such a court that any of the covenants and conditions of the Authority hereunder is unenforceable for the full term hereof, then and in such event this Site Lease is and shall be deemed to be a lease from year to year and all of the rental and other terms, provisions and conditions of this Site Lease, except to the extent that such terms, provisions and conditions are contrary to or inconsistent with such holding, shall remain in full force and effect.

SECTION 17. THE LEASED PROPERTY

The City represents, warrants and covenants that it has good and indefeasible marketable fee simple to the real property and all building, property and improvements comprising the Lease Property. The City covenants and agrees to hold and maintain clean and marketable title to all of the Leased Property during the term of this Site Lease. If necessary to maintain clear and marketable title to the leased properties, the City shall take all actions necessary, including eminent domain or condemnation proceedings, to ensure that title to the Leased Property is clear and marketable.

The Authority covenants that during the term of this Site Lease, it shall use the Leased Property for the purposes described in the Lease and for such other purposes as may be incidental thereto.

SECTION 18. WAIVER OF DEFAULT

Failure of the City to take advantage of any default on the part of the Authority shall not be, or be construed as, a waiver thereof, nor shall any custom or practice which may grow up between the parties in the course of administering this Site Lease be construed to waive or to lessen the right of the City to insist upon performance by the Authority of any term, covenant or condition hereof, or to exercise any rights given the City on account of such default. A waiver of a particular default shall not be deemed to be a waiver of the same or any subsequent default. The acceptance of rent hereunder shall not be, nor be construed to be, a waiver of any term, covenant or condition of this Site Lease.

SECTION 19. SECTION HEADINGS

All section headings contained are for convenience of reference only and are not intended to define or limit the scope of any provision of this Site Lease.

SECTION 20. AMENDMENTS

This Site Lease may be amended in writing as may be mutually agreed by the Authority and the City with the prior written consent of the Insurer.

SECTION 21. EXECUTION

This Site Lease may be executed in any number of counterparts, each of which shall be deemed to an original, but all together shall constitute but one and the same Site Lease. LEASE AGREEMENT

This Lease Agreement, dated as of February 1, 2023 (this “Lease”), is made by and between the EL CENTRO FINANCING AUTHORITY, a joint powers authority duly organized and existing under the Constitution and the laws of the State of California (the “Authority”), as lessor, and the CITY OF EL CENTRO, a charter city duly organized and existing under the laws of the State of California (the “City” or “Lessee”), as lessee.

RECITALS:

WHEREAS, the City of El Centro, California (the “City”) and the successor agency to the former Redevelopment Agency of the City of El Centro, have previously entered into a Joint Exercise of Powers Agreement, dated as of July 1, 1996, establishing the El Centro Financing Authority (the “Authority”) for the purpose of, among other things, issuing its bonds to be used to provide financing and refinancing of obligations of the City; and

WHEREAS, the Authority has determined to issue its Lease Revenue Bonds, 2023 Series A in the aggregate principal amount of \$[Par Amount] (the “Bonds”) pursuant to an Indenture, dated as of February 1, 2023 (the “Indenture”), by and between the Authority and The Bank of New York Mellon Trust Company, N.A., as trustee (the “Trustee”) for the purposes of (i) funding all or a portion of the Project, (ii) funding a debt service reserve for the Bonds, and (iii) paying the related costs of issuing the Bonds; and

WHEREAS, in connection with the issuance of the Bonds, the City and the Authority have entered into a Site and Facility Lease, dated as of February 1, 2023 (the “Site Lease”), whereby the Authority has agreed to lease the Leased Property described in Exhibit A, consisting of the Police Station Project site and the Aquatic Center in the City; and

WHEREAS, the Authority, pursuant to this Lease, will sublease the Leased Property described in Exhibit A to the City, in consideration for base rental payments to be made by the City pursuant to this Lease, in accordance with the base rental schedule in Exhibit B, that corresponds in amount to the principal and interest coming due with respect to the Bonds; and

WHEREAS, all acts, conditions and things required by law to exist, to have happened and to have been performed precedent to and in connection with the execution and entering into of this Lease Agreement do exist, have happened and have been performed in regular and due time, form and manner as required by law, and the parties hereto are now duly authorized to execute and enter into this Lease;

NOW, THEREFORE, in consideration of the above premises and of the mutual covenants hereinafter contained and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the parties hereto agree as follows:

SECTION 1. DEFINITIONS

Terms used herein and not otherwise defined herein but defined in the Indenture shall have the meanings ascribed to them in the Indenture. Unless the context otherwise requires, the terms defined in this Section shall, for all purposes of this Lease, have the meanings herein specified, the following definitions to be equally applicable to both the singular and plural forms of any of the terms herein defined:

“Additional Rental Payments” means Additional Rental Payments due under Section 3(b) hereof.

“Base Rental Payments” means Base Rental Payments to be made by the City hereunder in accordance with the base rental schedule attached hereto as Exhibit B in connection with the Bonds.

“Expiration Date” means October 1, 20__.

“Insurance Consultant” means an individual or firm retained by the City as an independent insurance consultant, experienced in the field of risk management.

“Interest Component” means the interest component of any Base Rental Payments as set forth in the exhibit to this Lease relating to such Base Rental Payments.

“Leased Property” means the Leased Property of the City, as more particularly described in Exhibit A.

“Net Proceeds” means proceeds of any casualty or title insurance or condemnation awards, paid with respect to the Leased Property remaining after payment therefrom of all expenses in the collection thereof.

“Permitted Encumbrances” means, with respect to the Leased Property, as of any particular time, (i) the Site Lease; (ii) this Lease, (iii) the Indenture, the Assignment Agreement and the Trustee’s and the Authority’s interests in the Leased Property, (iv) liens for taxes and assessments not then delinquent, (v) utility, access and other easements and rights of way, restrictions and exceptions that as certified in a Certificate of the City will not interfere with or impair the use intended to be made of the Leased Property; (vi) encumbrances upon any additions and improvements to the Leased Property as permitted in this Lease and which do not materially impair the use intended to be made of the portions of the Leased Property other than such additions and improvements; (vii) any sublease or use permitted by this Lease, (viii) covenants, conditions or restrictions or liens of record relating to the Leased Property and existing on the Closing Date; and (xiv) such minor defects, irregularities, encumbrances and clouds on title as normally exist with respect to property similar in character to the Leased Property and as do not materially impair the use intended to be made of property affected thereby.

“Principal Component” means the principal component of any Base Rental Payments as set forth in the exhibit to this Lease relating to such Base Rental Payments.

SECTION 2. TERM

The Authority hereby leases to the City and the City hereby leases from the Authority, on the terms and conditions hereinafter set forth, the Leased Property. The term of this Lease shall commence on _____, 2023.

The term of the leasehold interest created hereby shall expire on the earliest of (i) the Expiration Date; (ii) the date the last Base Rental Payment is made under the provisions hereof; or (iii) the date of discharge of all of the Bonds pursuant to Section 10.03 of the Indenture. Notwithstanding the foregoing, the term of this Lease shall automatically be extended for a period of ten (10) years, if, on the Expiration Date, the Bonds have not been fully discharged, and shall terminate on the date when the Bonds have been fully discharged.

SECTION 3. RENTAL

Subject to the provisions of Sections 11 and 16 hereof, the City agrees to pay to the Authority, its successors or assigns, as rental for the use and possession of the Leased Property, the following amounts at the following times:

(a) Base Rental Payments; Additional Rental Payments. The City shall pay the Base Rental Payments to the Trustee, as assignee of the Authority, as hereinafter provided, in accordance with the Base Rental Payment Schedule attached hereto as Exhibit B, less any amounts credited against the Base Rental Payments pursuant to Section 3.04 of the Indenture. The City shall pay to the Trustee the Base Rental Payments coming due fifteen (15) Business Days prior to the next succeeding April 1 and October 1, respectively, as set forth in Exhibit B and such payments shall constitute payment in arrears in consideration for the City's use and possession of the Leased Property for the six-month period preceding the due date of such Base Rental Payments.

(b) Additional Rental Payments. The City shall also pay, as "Additional Rental Payments" hereunder, in addition to the Base Rental Payments, to the Trustee, as assignee of the Authority, as hereinafter provided, such amounts in each year as shall be required for the payment of all costs and expenses (not otherwise paid for or provided for out of the proceeds of sale of the Bonds) incurred by the Authority or the Trustee in connection with the execution, performance or enforcement of this Lease or the assignment hereof, the Indenture, or the Authority's or the Trustee's interest in the Leased Property, including, but not limited to, all fees, costs and expenses, all administrative costs of the Authority relating to the Leased Property (including, without limiting the generality of the foregoing, salaries and wages of employees, overhead, insurance premiums, taxes and assessments (if any), expenses, compensation and indemnification of the Trustee payable by the Authority under the Indenture), fees of auditors, accountants, attorneys or engineers, all other reasonable and necessary administrative costs of the Authority or charges required to be paid by it to comply with the terms of the Bonds or of the Indenture. Such Additional Rental Payments shall be billed to the City by the Authority or the Trustee from time to time. Amounts so billed shall be paid by the City within sixty (60) days after receipt of the bill by the City.

(c) Fair Rental Value. Such payments of Base Rental Payments and Additional Rental Payments for each rental payment period shall constitute the total rental for such rental

payment period, and shall be paid by the City in each rental payment period for and in consideration of the right of the use and possession of, and the continued quiet use and enjoyment of, the Leased Property during each such period for which said rental is to be paid. The City represents and covenants that the useful life of the Leased Property is not shorter than the final maturity of the Bonds. The parties to the Lease specifically acknowledge that the annual fair rental value of the Leased Property is in excess of the maximum annual Base Rental Payments. In making such determination, consideration has been given to other obligations of the parties under this Lease, the uses and purposes which may be served by the Leased Property and the benefits therefrom which will accrue to the City and the general public. The determination of fair rental value of the Leased Property pursuant to this paragraph shall not be deemed to be controlling in connection with a determination of fair value of the Leased Property by the parties hereto for any other purpose.

(d) Payment of Base Rental Payments. Each installment of Base Rental Payments payable hereunder shall be paid in lawful money of the United States of America to the order of the Trustee at the corporate trust office of the Trustee in Los Angeles, California, or such other place as the Trustee shall designate. The Base Rental Payments shall be made on a *pari passu* basis with each other. Notwithstanding any dispute between the City and the Authority, the City shall make all Base Rental Payments when due, without deduction or offset of any kind, and shall not withhold any Base Rental Payments pending the final resolution of any such dispute. In the event of a determination that the City was not liable for said Base Rental Payments or any portion thereof, said Base Rental Payments or excess of payments, as the case may be, shall, at the option of the City, be credited against subsequent Base Rental Payments due hereunder or be refunded at the time of such determination.

(e) Increases in Aggregate Base Rental Payments. The City covenants that it shall not permit an increase in the Base Rental Payments without first obtaining an opinion of Bond Counsel to the effect that the incurring of such increased Base Rental Payments will not impair the validity and enforceability of this Lease.

(f) Covenant to Budget and Appropriate. The City covenants to take such action as may be necessary to include all Base Rental Payments and Additional Rental Payments due hereunder in its annual budget and to make the necessary annual appropriations for all such Base Rental Payments and Additional Rental Payments, subject only to abatement as provided in Section 16 hereof. The City will furnish to the Authority and the Trustee annually, on or before October 1, a certificate stating that it has complied with the covenant set forth in this paragraph. The covenants on the part of the City herein contained shall be deemed to be and shall be construed to be duties imposed by law and it shall be the duty of each and every public official of the City to take such action and do such things as are required by law in the performance of the official duty of such officials to enable the City to carry out and perform the covenants and agreements in this Lease agreed to be carried out and performed by the City.

The obligation of the City to make Base Rental Payments or Additional Rental Payments does not constitute an obligation of the City for which the City is obligated to levy or pledge any form of taxation or for which the City has levied or pledged any form of taxation. Neither the Bonds nor the obligation of the City to make Base Rental Payments or Additional

Rental Payments constitutes an indebtedness of the City, the State or any of its political subdivisions within the meaning of any constitutional or statutory debt limitation or restriction.

SECTION 4. USE OF PROCEEDS

The parties hereto agree that the proceeds of the Bonds will be used to provide funds to: (i) finance the acquisition, construction and improvement of a new library facility in the City (the “Police Station Project”), as described herein, (ii) fund a debt service reserve for the Bonds, and (iii) pay the related costs of issuing the Bonds.

SECTION 5. MAINTENANCE, UTILITIES, TAXES AND ASSESSMENTS

During such time as the City or any assignee or sublessee thereof is in possession of the Leased Property, all maintenance and repair, ordinary or extraordinary, of the Leased Property shall be the responsibility of the City, and the City shall pay for or otherwise arrange for the payment of (a) all utility services supplied to the Leased Property, (b) the cost of operation of the Leased Property, and (c) the costs of maintenance of and repair to the Leased Property resulting from ordinary wear and tear or want of care on the part of the City. The City shall at the City’s sole cost and expense keep and maintain the Leased Property clean and in a safe and good condition and repair. The Authority shall have no obligation to alter, remodel, improve, repair, decorate, or paint the Leased Property or any part thereof, and the parties hereto affirm that the Authority has made no representations or warranties to the City respecting the condition of the Leased Property.

The City shall comply with all statutes, ordinances, regulations, and other requirements of all governmental entities that pertain to the occupancy or use of the Leased Property. The Authority has no responsibility or obligation whatsoever to construct any improvements, modifications or alterations to the Leased Property.

The City waives the right to make repairs at the Authority’s expense under Subsection 1 of Section 1932 and Section 1942 of the California Civil Code, or any other such law, statute, or ordinance now or hereafter in effect.

The parties hereto contemplate that the Leased Property will be used for public purposes by the City and, therefore, that the Leased Property will be exempt from all taxes presently assessed and levied with respect to real and personal property, respectively. If the use, possession or acquisition by the Authority or the City of the Leased Property is found to be subject to taxation in any form, the City will pay during the term hereof, as the same respectively become due, all taxes and governmental charges of any kind whatsoever that may at any time be lawfully assessed or levied against or with respect to the Leased Property and any other property acquired by the City in substitution for, as a renewal or replacement of, or a modification, improvement or addition to the Leased Property; provided, that with respect to any governmental charges or taxes that may lawfully be paid in installments over a period of years, the City shall be obligated to pay only such installments as are accrued during such time as this Lease is in effect.

SECTION 6. CHANGES TO THE LEASED PROPERTY

The City shall have the right during the term of this Lease to acquire and construct improvements or to attach fixtures, structures or signs to the Leased Property if such improvements, fixtures, structures or signs are necessary or beneficial for the use of the Leased Property by the City; provided, however, that no such acquisition or construction shall result in a material reduction in the value of the Leased Property, reduce the fair rental value thereof or substantially alter the nature of the Leased Property.

Upon termination of this Lease, the City may remove any fixture, structure or sign added by the City, but such removal shall be accomplished so as to leave the Leased Property, except for ordinary wear and tear and damage by casualty, in substantially the same condition as it was in before the fixture, structure or sign was attached.

SECTION 7. TAX COVENANTS

(a) Special Definitions. When used in this Section, the following terms have the following meanings:

“Code” means the Internal Revenue Code of 1986.

“Computation Date” has the meaning set forth in section 1.148-1(b) of the Tax Regulations.

“Gross Proceeds” means any proceeds as defined in section 1.148-1(b) of the Tax Regulations (referring to sales, investment and transferred proceeds), and any replacement proceeds as defined in section 1.148-1(c) of the Tax Regulations, of the Bonds.

“Investment” has the meaning set forth in section 1.148-1(b) of the Tax Regulations.

“Nonpurpose Investment” means any investment property, as defined in section 148(b) of the Code, in which Gross Proceeds of the Bonds are invested and that is not acquired to carry out the governmental purposes of that Series of Bonds.

“Rebate Amount” has the meaning set forth in section 1.148-1(b) of the Tax Regulations.

“Tax Regulations” means the United States Treasury Regulations promulgated pursuant to sections 103 and 141 through 150 of the Code, or section 103 of the 1954 Code, as applicable.

“Yield” of any Investment has the meaning set forth in section 1.148-5 of the Tax Regulations; and of any issue of governmental obligations has the meaning set forth in section 1.148-4 of the Tax Regulations.

(b) Not to Cause Interest to Become Taxable. The City covenants that it shall not use, and shall not permit the use of, and shall not omit to use Gross Proceeds or any other

amounts (or any property the acquisition, construction or improvement of which is to be financed directly or indirectly with Gross Proceeds) in a manner that if made or omitted, respectively, could cause the interest on any Bond to fail to be excluded pursuant to Section 103(a) of the Code from the gross income of the owner thereof for federal income tax purposes. Without limiting the generality of the foregoing, unless and until the Trustee receives a written opinion of Bond Counsel to the effect that failure to comply with such covenant will not adversely affect such exclusion of the interest on any Bond from the gross income of the owner thereof for federal income tax purposes, the City shall comply with each of the specific covenants in this Section.

(c) Private Use or Private Payments. Except as would not cause any Bond to become a “private activity bond” within the meaning of section 141 of the Code and the Tax Regulations, the City shall take all actions necessary to assure that the City at all times prior to the final cancellation of the last of the Bonds to be retired:

(1) exclusively owns, operates and possesses all property the acquisition, construction or improvement of which is to be financed or refinanced directly or indirectly with Gross Proceeds of the Bonds and not use or permit the use of such Gross Proceeds (including through any contractual arrangement with terms different than those applicable to the general public) or any property acquired, constructed or improved with such Gross Proceeds in any activity carried on by any person or entity (including the United States or any agency, department and instrumentality thereof) other than a state or local government, unless such use is solely as a member of the general public; and

(2) does not directly or indirectly impose or accept any charge or other payment by any person or entity (other than a state or local government) who is treated as using any Gross Proceeds of the Bonds or any property the acquisition, construction or improvement of which is to be financed or refinanced directly or indirectly with such Gross Proceeds.

(d) No Private Loan. Except as would not cause any Bond to become a “private activity bond” within the meaning of section 141 of the Code and the Tax Regulations and rulings thereunder, the City shall not use or permit the use of Gross Proceeds of the Bonds to make or finance loans to any person or entity other than a state or local government. For purposes of the foregoing covenant, such Gross Proceeds are considered to be “loaned” to a person or entity if: (i) property acquired, constructed or improved with such Gross Proceeds is sold or leased to such person or entity in a transaction that creates a debt for federal income tax purposes; (ii) capacity in or service from such property is committed to such person or entity under a take-or-pay, output or similar contract or arrangement; or (iii) indirect benefits of such Gross Proceeds, or burdens and benefits of ownership of any property acquired, constructed or improved with such Gross Proceeds, are otherwise transferred in a transaction that is the economic equivalent of a loan.

(e) Not to Invest at Higher Yield. Except as would not cause the Bonds to become “arbitrage bonds” within the meaning of section 148 of the Code and the Tax Regulations and rulings thereunder, the City shall not (and shall not permit any person to), at any time prior to the final cancellation of the last Bond to be retired, directly or indirectly invest Gross Proceeds in any Investment, if as a result of such investment the Yield of any Investment acquired with Gross

Proceeds, whether then held or previously disposed of, would materially exceed the Yield of the Bonds within the meaning of said section 148.

(f) Not Federally Guaranteed. Except to the extent permitted by section 149(b) of the Code and the Tax Regulations and rulings thereunder, the City shall take or omit to take (and shall not permit any person to take or omit to take) any action that would cause any Bond to be “federally guaranteed” within the meaning of section 149(b) of the Code and the Tax Regulations and rulings thereunder.

(g) Information Report. The City shall timely file any information required by section 149(e) of the Code with respect to Bonds with the Secretary of the Treasury on Form 8038-G or such other form and in such place as the Secretary may prescribe.

(h) Rebate of Arbitrage Profits. Except to the extent otherwise provided in section 148(f) of the Code and the Tax Regulations:

(1) The City shall account for all Gross Proceeds (including all receipts, expenditures and investments thereof) on its books of account separately and apart from all other funds (and receipts, expenditures and investments thereof) and shall retain all records of accounting for at least six years after the day on which the last Bond is discharged. However, to the extent permitted by law, the City may commingle Gross Proceeds of Bonds with its other monies, provided that it separately accounts for each receipt and expenditure of Gross Proceeds and the obligations acquired therewith.

(2) Not less frequently than each Computation Date, the City shall calculate, the Rebate Amount in accordance with rules set forth in section 148(f) of the Code and the Tax Regulations and rulings thereunder. The City shall maintain a copy of the calculation with its official transcript of proceedings relating to the issuance of the Bonds until six years after the final Computation Date. The Trustee may rely conclusively upon the City’s determinations, calculations and certifications. The Trustee shall have no responsibility to independently make any calculation or determination or to review the City’s calculations hereunder.

(3) In order to assure the excludability pursuant to section 103(a) of the Code of the interest on the Bonds from the gross income of the owners thereof for federal income tax purposes, the City shall pay to the United States the amount that when added to the future value of previous rebate payments made for the Bonds equals (i) in the case of the Final Computation Date as defined in section 1.148-3(e)(2) of the Tax Regulations, one hundred percent (100%) of the Rebate Amount on such date; and (ii) in the case of any other Computation Date, ninety percent (90%) of the Rebate Amount on such date. In all cases, such rebate payments shall be made by the City at the times and in the amounts as are or may be required by section 148(f) of the Code and the Tax Regulations and rulings thereunder, and shall be accompanied by Form 8038-T prepared by the City or such other forms and information as is or may be required by section 148(f) of the Code and the Tax Regulations and rulings thereunder for execution and filing by the City.

(4) The City shall exercise reasonable diligence to assure that no errors are made in the calculations and payments required by paragraphs (2) and (3), and if an error is made, to discover and promptly correct such error within a reasonable amount of time thereafter (and in all events within one hundred eighty (180) days after discovery of the error), including payment to the United States of any additional Rebate Amount owed to it, interest thereon, and any penalty imposed under Section 1.148 3(h) of the Regulations.

(i) Not to Divert Arbitrage Profits. Except to the extent permitted by section 148 of the Code and the Tax Regulations and rulings thereunder, the City shall not and shall not permit any person to, at any time prior to the final cancellation of the last of the Bonds to be retired, enter into any transaction that reduces the amount required to be paid to the United States pursuant to paragraph (h) of this Section because such transaction results in a smaller profit or a larger loss than would have resulted if the transaction had been at arm's length and had the Yields on the Bonds not been relevant to either party.

(j) Bonds Not Hedge Bonds. The City represents that none of the Bonds is or will become a "hedge bond" within the meaning of section 149(g) of the Code. As of the date of issuance of the Bonds the City reasonably expects that at least 85% of the spendable proceeds of the Bonds will be expended within the three-year period commencing on such date of issuance, and (B) no more than 50% of the proceeds of the Bonds will be invested in Nonpurpose Investments having a substantially guaranteed yield for a period of four years or more.

(k) Elections. The City hereby directs and authorizes any City Representative to make elections permitted or required pursuant to the provisions of the Code or the Tax Regulations, as such Representative (after consultation with Bond Counsel) deems necessary or appropriate in connection with the Bonds, in the Tax Certificate or similar or other appropriate certificate, form or document.

(l) Closing Certificate. The City agrees to execute and deliver in connection with the issuance of the Bonds a Tax Certificate, or similar document containing additional representations and covenants pertaining to the exclusion of interest on the Bonds from the gross income of the owners thereof for federal income tax purposes, which representations and covenants are incorporated as though expressly set forth herein.

The City shall at all times do and perform all acts and things permitted by law and this Lease which are necessary or desirable in order to assure that interest paid on the Bonds (or any of them) will be excluded from gross income for federal income tax purposes and shall take no action that would result in such interest not being so excluded. Without limiting the generality of the foregoing, the City agrees to comply with the provisions of the Tax Certificate. This covenant shall survive payment in full or defeasance of the Bonds.

SECTION 8. SUBSTITUTION, ADDITION AND RELEASE OF PROPERTY

The parties to the Lease specifically acknowledge that the annual fair rental value of the Leased Property is in excess of the maximum annual Base Rental Payments. The City shall have, so long as this Lease is in effect, and is hereby granted, the option at any time and from time to time, to substitute other real property (the "Substitute Property") for any portion of the Leased

Property (the “Former Property”), add to or release any identifiable real property and/or improvements currently constituting the Leased Property (in such case, Substitute Property shall mean the Former Property less any portion released pursuant to this Section); provided, that the City shall satisfy all of the following requirements, which are conditions precedent to such substitution:

(a) No default under Section 10 hereof or Event of Default shall have occurred and be continuing;

(b) The City shall file with the Authority and the Trustee, and cause to be recorded in the office of the County Recorder, sufficient memorialization of amendments to this Lease and the Site Lease which replaces Exhibit A hereto and Exhibit A to the Site Lease with a description of such Substitute Property which deletes therefrom the description of the Former Property;

(c) The City shall obtain an extended California Land Title Association (“CLTA”) policy of title insurance insuring the City’s fee or leasehold estate in such Substitute Property, the City’s leasehold estate hereunder, and the Authority’s leasehold estate under the Site Lease in such Substitute Property, subject only to Permitted Encumbrances, in an amount not less than the aggregate principal amount of the Outstanding Bonds; provided, however, that this requirement shall not apply to Substitute Property that consists only of Former Property less any released portion;

(d) The City shall provide a Certificate of the City to the Authority and to the Trustee that such Substitute Property constitutes property which the City is permitted to lease under the laws of the State of California;

(e) The substitution of the Substitute Property shall not cause the City to violate any of its covenants, representations and warranties made herein;

(f) The City shall file with the Authority and the Trustee a Certificate of the City or other evidence which establishes that the annual fair rental value of the Substitute Property after substitution or release will be at least equal to 100% of the maximum amount of the Base Rental Payments becoming due in the then current fiscal year or in any subsequent fiscal year and the useful economic life of the Substitute Property shall be at least equal to the maximum remaining term of this Lease; and

(g) The City shall furnish to the Trustee an opinion of Bond Counsel addressed to the Trustee, the City and the Authority to the effect that the substitution or release is permitted under this Lease.

Upon the satisfaction of all such conditions precedent, and upon the City delivering to the Authority and the Trustee a Certificate of the City certifying that the conditions set forth in subsections (a), (c) and (e) of this Section have been satisfied, the Term of this Lease shall thereupon end as to the Leased Property and shall thereupon commence as to the Substitute Property, and all references to the Leased Property shall apply with full force and effect to the Substitute Property. The City shall not be entitled to any reduction, diminution, extension or other

modification of the Base Rental Payments whatsoever as a result of any substitution or removal hereunder.

SECTION 9. INSURANCE

(a) The City shall secure and maintain or cause to be secured and maintained at all times with insurers of recognized responsibility, or through a program of self-insurance to the extent specifically permitted in this Section 9, all coverage on the Leased Property on which improvements are constructed as required by this Section 9.

Such insurance shall consist of:

(1) Comprehensive general liability coverage against claims for damages including death, personal injury, bodily injury or property damage arising from operations involving the Leased Property. Such insurance shall afford protection with a combined single limit of not less than \$1,000,000 per occurrence with respect to bodily injury, death or property damage liability, or such greater amount as may from time to time be recommended by the City's risk management officer or an independent insurance consultant retained by the City for that purpose, subject to a deductible clause of not to exceed \$500,000. The City's obligations under this clause (1) may be satisfied by self-insurance;

(2) The City shall maintain or cause to be maintained, throughout the term of this Lease, casualty insurance against loss or damage to any or all of the Leased Property by fire and lightning, with extended coverage and vandalism and malicious mischief insurance, and against loss of Leased Property by theft. Such extended coverage insurance shall, as nearly as practicable, cover loss or damage by explosion, windstorm, riot, aircraft, vehicle damage, smoke and such other hazards as are normally covered by such insurance. The insurance required by this paragraph shall be in an amount not less than the principal amount of the Outstanding Bonds. The City's obligations under this clause (2) may be satisfied by self-insurance;

(3) Workers' compensation insurance issued by a responsible carrier authorized under the laws of the State to insure employers against liability for compensation under the Labor Code of the State, or any act enacted as an amendment or supplement thereto or in lieu thereof, such workers' compensation insurance to cover all persons employed by the City in connection with the Leased Property and to cover full liability for compensation under any such act; provided, however, that the City's obligations under this clause (3) may be satisfied by self-insurance; and

(4) Rental interruption insurance in an amount not less than the maximum remaining scheduled Base Rental Payments in any twenty-four (24) month period, by an insurance provider rated at least "A" by A.M. Best & Company, to insure against loss of use of the Leased Property caused by perils covered by the insurance required in Section 9(a)(1). Such insurance may be maintained as part of or in conjunction with any other rental interruption insurance carried by the City and must list the Authority and the Trustee as additional insured parties. Such insurance shall be in place as of the

Closing Date. The net proceeds of such insurance shall be paid to the Trustee and credited toward the payment of the Base Rental Payments in the order in which such Lease Payments come due and payable.

All policies or certificates issued by the respective insurers for insurance, with the exception of workers' compensation insurance, shall provide that such policies or certificates shall not be canceled or materially changed without at least 30 days' prior written notice to the Authority and the Trustee. Certificates of comprehensive general liability and workers' compensation insurance shall be furnished by applicable insurers to the City, and, at least ten days prior to the expiration dates of such policies, if any, evidence of renewals shall be deposited with the Trustee.

If the City elects to provide self-insurance pursuant to clauses (1), (2) and/or (3) above, the City shall annually cause to be delivered to the Trustee, upon request, a certificate of an Insurance Consultant certifying to the adequacy of the City's reserves for such insurance.

All policies or certificates of insurance provided for herein shall name the City as a named insured and the Trustee as an additional insured. All proceeds of insurance maintained under clauses (1) and (3) shall be deposited with the City and under clause (2) shall be deposited with the Trustee.

Notwithstanding the generality of the foregoing, the City shall not be required to maintain or cause to be maintained more insurance than is specifically referred to above or any policies of insurance other than standard policies of insurance with standard deductibles offered by reputable insurers at a reasonable cost on the open market.

(b) Form of Policies. The City shall deliver to the Trustee on or before the Closing Date and each anniversary of the Closing Date a Certificate of the City that all insurance required under this Lease is in full force and effect. If the City obtains insurance through a pooled insurance program of governmental entities, an annual statement or memorandum of coverage delivered to the Authority and the Trustee will satisfy the requirements of this subsection. The Trustee and the Authority shall not be responsible for the sufficiency of any insurance herein required or payment of premium and shall be fully protected in accepting payment on account of such insurance or any adjustment, compromise or settlement of any loss agreed to by the City.

(c) Advances. If the City shall fail to perform any of its obligations under this Section, then the Authority or the Trustee may, but shall not be obligated to, take such action as may be necessary to cure such failure, including the advancement of money on behalf of the City, and the City shall be obligated to repay all such advances as soon as possible.

SECTION 10. DAMAGE, DESTRUCTION AND CONDEMNATION; APPLICATION OF NET PROCEEDS

If prior to the termination of the term hereof (a) the Leased Property is destroyed (in whole or in part) or is damaged by fire or other casualty, or (b) title to, or the temporary use of, any portion of the Leased Property or the estate of the Authority or the City in the Leased Property or any portion shall be taken under the exercise of the power of eminent domain by any governmental body or by any person or firm or corporation acting under governmental authority, then the City and the Authority shall, as expeditiously as possible, continuously and diligently

prosecute or cause to be prosecuted the repair or replacement thereof, unless the City elects not to repair or replace the Leased Property or portion thereof, in accordance with the provisions of this Section 9. If Net Proceeds are insufficient to repair or replace the Leased Property or portion thereof, the City shall, to the extent permitted by law, use its best efforts to fund any deficiency from any legally available funds.

If there is an abatement of rental payments pursuant to Section 16 hereof as a result of such casualty or event, and the City elects pursuant to Section 11(a) hereof to apply such insurance proceeds and such other sums as are deposited by the City pursuant to such Section to the prepayment of Base Rental Payments rather than replacing or repairing the destroyed or damaged portion of the Leased Property, then this Lease shall terminate with respect to the destroyed or damaged portion of the Leased Property as of the later of the date of such election by the City or the date the amount required by Section 11(a) hereof is received by the Trustee.

The provisions of Section 1932, Subdivision 2, and Section 1933, Subdivision 4, of the California Civil Code, including any amendments thereto and any other law which may hereinafter be in force during the term of this Lease which authorizes the termination of this Lease upon the partial or complete destruction of the Leased Property, are hereby waived by the City.

The City hereby covenants and agrees, to the extent it may lawfully do so, that so long as any of the Bonds remain outstanding and unpaid, the City will not exercise the power of condemnation with respect to the Leased Property. The City further covenants and agrees, to the extent it may lawfully do so, that if for any reason the foregoing covenant is determined to be unenforceable or if the City should fail or refuse to abide by such covenant and condemns the Leased Property, the value of the Leased Property shall not be less than the greater of (i) if Outstanding Bonds are then subject to redemption, the principal and interest due on the Outstanding Bonds through the date of their redemption, or (ii) if such Outstanding Bonds are not then subject to redemption, the amount necessary to defease such Outstanding Bonds to the first available redemption date in accordance with the Indenture.

The City shall deposit any proceeds received from insurance and condemnation awards with respect to the destruction or partial destruction of Leased Property with the Trustee for deposit into the: (a) 2023 Insurance and Condemnation Fund if the City elects to repair the Leased Property or (b) the Lease Revenue Fund if the City elects to redeem the Outstanding Bonds. The City shall have forty-five (45) days from the date of any such destruction or partial destruction to determine whether to repair the Leased Property or use insurance and condemnation award proceeds received to redeem such bonds. To the extent that the City determines not to repair the Leased Property and cannot use insurance and condemnation award proceeds to redeem such bonds, the City shall and hereby covenants to substitute property for such Leased Property of equivalent or greater value in accordance with the provisions of Section 7 hereof. If the City determines to repair the Leased Property, disbursements by the Trustee shall only be made upon presentation of a requisition in a form substantially similar to Exhibit C of the Indenture. If the City determines to cause the redemption of less than the full amount of the Outstanding Bonds, such redemption shall only be made to the extent the remaining fair rental value of the Leased Property is sufficient to support the remaining Base Rental Payments supporting debt service on the Outstanding Bonds.

SECTION 11. DEFAULT

(a) Each of the following events constitutes an Event of Default hereunder:

(1) Failure by the City to pay any Base Rental Payment or other payment (including Additional Rental Payments) required to be paid hereunder at the time specified herein.

(2) Failure by the City to observe and perform any covenant, condition or agreement on its part to be observed or performed hereunder, other than as referred to in the preceding subsection (1), for a period of thirty (30) days after written notice specifying such failure and requesting that it be remedied has been given to the City by the Authority. However, if the City notifies the Authority that in its reasonable opinion the failure stated in the notice can be corrected, but not within such thirty (30) day period, the failure will not constitute an Event of Default if the City commences to cure the failure within such thirty (30) day period and thereafter diligently and in good faith cures such failure in a reasonable period of time; provided, that such cure period shall not extend beyond sixty (60) days.

(3) The filing by the City of a voluntary petition in bankruptcy, or failure by the City promptly to lift any execution, garnishment or attachment, or adjudication of the City as a bankrupt, or assignment by the City for the benefit of creditors, or the entry by the City into an agreement of composition with creditors, or the approval by a court of competent jurisdiction of a petition applicable to the City in any proceedings instituted under the provisions of the Federal Bankruptcy Code, as amended, or under any similar acts which may hereafter be enacted.

(b) If default shall be made by the City in the observance or performance of any agreement, condition, covenant or term contained herein required to be observed or performed by it (including, without limitation, the payment of any Base Rental Payments or Additional Rental Payments due hereunder), subject to the provisions of subsection (a)(2) of this Section, the Authority may at any time thereafter (with or without notice and demand and without limiting any other rights or remedies the Authority may have) recover rent and other monetary charges as they become due hereunder without terminating the City's right to possession of the Leased Property, regardless of whether or not the City has abandoned the Leased Property, and the Authority shall have the right and the City hereby irrevocably appoints the Authority as its agent and attorney in fact for such purpose to attempt to sublet or re-let the Leased Property at such rent, upon such conditions and for such term, and to do all other acts to maintain or preserve the Leased Property, including the removal of persons therefrom or taking possession thereof or the removal of property therefrom to a storage facility located elsewhere in the City, as the Authority deems desirable or necessary, and the City hereby waives any and all claims for any damages that may result to the Leased Property thereby except for such damages caused by the gross negligence or intentional misconduct of the person taking such actions; provided, that no such actions shall be deemed to terminate the Lease and the City shall continue to remain liable for any deficiency that may arise out of such re-letting, taking into account expenses incurred by the Authority due to such re-letting, payable at the same time and manner as provided for Base Rental Payments in Section 3(a). In the

event the Leased Property is re-let, the City shall cooperate with the Authority to provide reasonable parking access for the Leased Property.

The Authority expressly waives the right to receive any amount from the City pursuant to Section 1951.2(a)(3) of the California Civil Code.

(c) Upon the occurrence and during the continuance of any Event of Default, the Authority may exercise each and every one of the following remedies:

(1) *Proceedings at Law or In Equity.* If an Event of Default occurs and continues hereunder, the Authority may take whatever action at law or in equity may appear necessary or desirable to collect the amounts then due and thereafter to become due hereunder or to enforce any other of its rights hereunder.

(2) *Remedies under the Site Lease.* If an Event of Default occurs and continues hereunder, the Authority may exercise its rights under the Site Lease.

SECTION 12. PREPAYMENT AND CREDITS

(a) Prepayment From Net Proceeds.

(1) The City may prepay, from Net Proceeds of insurance or a condemnation award received by it pursuant to Section 9, the Principal Component of Base Rental Payments then unpaid (and corresponding Interest Component), in whole or in part on any date, pursuant to Section 9 hereof, at a prepayment price equal to the sum of the Principal Component prepaid plus accrued interest thereon to the date of prepayment.

(2) Prepayments made pursuant to this subsection (a) shall be allocated *pro rata* among the Principal Components of Base Rental Payments relating to the Bonds.

(b) Optional Prepayment.

The City may at its option prepay from any source of available moneys for redemption of Bonds pursuant to Section 2.03(b) of the Indenture, all or any part (in an integral multiple of \$5,000) of the Principal Component of Base Rental Payments (and corresponding Interest Component), so that the aggregate annual amounts of Principal Component of Base Rental Payments which shall be payable after such prepayment shall each be an integral multiple of \$5,000, at a prepayment price equal to the principal amount to be redeemed, plus accrued but unpaid interest to the prepayment date, without premium.

Before making any prepayment pursuant to this Section, the City shall give written notice to the Trustee specifying the date on which the prepayment will be made, which date shall be not less than forty-five (45) days from the date such notice is given unless the Trustee agrees to a shorter period.

The Authority and the City hereby agree that any prepayment in part under this Section and the redemption of any Bonds by the Authority pursuant to Section 2.03(b) of the Indenture shall be credited towards the City's obligations hereunder at the option of the City in

any manner determined in writing delivered to the Trustee by the City. A prepayment made pursuant to this Section shall not cause a defeasance of any Bonds unless the requirements of Section 10.03 of the Indenture are satisfied.

In the event of prepayment in full of the Principal Component of all Base Rental Payments, such that this Lease shall be terminated by its terms as provided in Section 2, all amounts then on deposit under the Indenture which are to be credited to the City's obligations to make Base Rental Payments shall be credited towards the amounts then required to be so prepaid.

SECTION 13. MECHANICS' LIENS

In the event the City shall at any time during the term of this Lease cause any improvements or other work to be done or performed or materials to be supplied, in or upon the Leased Property, the City shall pay, when due, all sums of money that may become due for, or purporting to be for, any labor, services, materials, supplies or equipment furnished or alleged to have been furnished to or for the City in, upon or about the Leased Property and which may be secured by any mechanics', materialmen's or other liens against the Leased Property or the Authority's interest therein, and will cause any such lien to be fully discharged and released at the time the performance of any obligation secured by any such lien matures or becomes due, except that, if the City desires to contest any such lien it may do so. If any such lien shall be reduced to final judgment and such judgment or such process as may be issued for the enforcement thereof is not promptly stayed, or if so stayed and said stay thereafter expires, the City shall forthwith pay and discharge said judgment.

SECTION 14. QUIET ENJOYMENT

The parties hereto mutually covenant that the City, so long as it keeps and performs the covenants and agreements herein contained, shall at all times during the term of this Lease peaceably and quietly have, hold and enjoy the Leased Property without suit, trouble or hindrance from the Authority.

SECTION 15. INDEMNIFICATION

The City shall, to the full extent then permitted by law, indemnify, defend, protect and hold harmless the Authority, the Trustee and their members, officers, directors, agents and employees from and against any and all liabilities, obligations, losses, claims and damages whatsoever, regardless of the cause thereof (except for claims arising out of willful misconduct or negligence on the part of the Authority or the Trustee or their respective members, officers, directors or employees), and expenses in connection therewith, including, without limitation, reasonable counsel fees and expenses, penalties and interest arising out of or as the result of the entering into of this Lease and the Indenture, the payment of the costs of acquiring the Leased Property or any accident in connection with the operation, use, condition or possession of the Leased Property or any portion thereof resulting in damage to property or injury to or death to any person. The indemnification arising under this section shall continue in full force and effect notwithstanding the full payment of all rent obligations hereunder, the removal or resignation of the Trustee or the termination hereof for any reason. The City agrees not to withhold or abate any portion of the payments required pursuant hereto by reason of any defects, malfunctions,

breakdowns or infirmities of the Leased Property. The Authority and the City mutually agree to promptly give notice to each other of any claim or liability hereby indemnified against following either party's learning thereof.

SECTION 16. ASSIGNMENT

The parties understand that this Lease and the rights of the Authority hereunder, with certain exceptions, will be assigned to the Trustee as provided in the Indenture and the Assignment Agreement, to which assignments the City hereby consents.

Neither this Lease nor any interest of the City hereunder shall be mortgaged, pledged, assigned or transferred by the City by voluntary act or by operation of law or otherwise; provided, subject to the provisions of Section 18 hereof, that the Leased Property may be subleased in whole or in part by the City, but only subject to the following conditions, which are hereby made conditions precedent to any such sublease:

(a) This Lease and the obligation of the City to make all base rental payments and Additional Rental Payments hereunder shall remain the primary obligation of the City;

(b) The City shall, within thirty (30) days after the delivery thereof, furnish or cause to be furnished to the Authority and the Trustee a true and complete copy of such sublease;

(c) No such sublease by the City shall cause the Leased Property to be used for a primary purpose other than a governmental or proprietary function authorized under the provisions of the Constitution and laws of the State of California, as evidenced by a Certificate of the City that is delivered to the Trustee; and

(d) Any sublease of the Leased Property by the City shall explicitly provide that such sublease is subject to all rights of the Authority under this Lease.

SECTION 17. ABATEMENT OF RENTAL

The obligation of the City to pay Base Rental Payments and Additional Rental Payments shall be abated during any period in which by reason of any damage, destruction, condemnation or title defect there is substantial interference with the use by the City of the Leased Property or any portion thereof. Such abatement shall be in an amount such that the resulting Base Rental Payments in any year during which such interference continues does not exceed the fair rental value of the portions of the Leased Property as to which such damage, destruction, taking or title defect does not substantially interfere with the City's use and right of possession, as evidenced by a Certificate of the City. Such abatement shall continue for the period commencing with the date of interference resulting from such damage, destruction, condemnation, taking or title defect and, with respect to damage to or destruction of the Leased Property, ending with the substantial completion of the work of repair or replacement of the Leased Property, or the portion thereof so damaged or destroyed, and the term of this Lease shall be extended as provided in Section 2 hereof. Notwithstanding the foregoing, to the extent that moneys are available for the payment of base rental payments in any of the funds and accounts established under the Indenture, such base rental payments shall not be abated but shall be payable by the City as a special obligation payable solely from such funds and accounts.

SECTION 18. CONTINUING DISCLOSURE

The City will comply with the continuing disclosure requirements applicable to it promulgated under U.S. Securities and Exchange Commission Rule 15c2-12 and will also comply with its obligations under the Continuing Disclosure Agreement, dated as of February 1, 2023, by and between the City and the Trustee related to the Bonds that are subject to Rule 15c2-12; provided, however, that the sole remedy hereunder in the event of any failure of the City to comply with this covenant shall be an action to compel performance and the City's failure to comply with any continuing disclosure requirement shall not be deemed a default or an Event of Default.

SECTION 19. WAIVER

Failure of the Authority to take advantage of any default on the part of the City shall not be, or be construed as, a waiver thereof, nor shall any custom or practice which may be established between the parties in the course of administering this Lease be construed to waive or to lessen the right of the Authority to insist upon performance by the City of any term, covenant or condition hereof, or to exercise any rights given the Authority on account of such default. A waiver of a particular default shall not be deemed to be a waiver of the same or any subsequent default. The acceptance of rent hereunder shall not be, nor be construed to be, a waiver of any term, covenant or condition of this Lease.

SECTION 20. NET LEASE

Subject to the provisions of Section 16 ("Abatement of Rental"), this Lease shall be deemed and construed to be a "Triple-Net-Lease" and the City hereby agrees that rental provided for herein shall be an absolute net return to the Authority, free and clear of any expenses, taxes, fees, insurance premiums, rebate payments, Leased Property costs, reserve deposits, charges or setoffs whatsoever.

SECTION 21. AMENDMENTS.

This Lease may be amended in writing as may be mutually agreed by the Authority and the City; *provided*, that no such amendment which materially adversely affects the rights of the Owners shall be effective unless it shall have been consented to by the Owners of more than a majority in aggregate principal amount of the affected Bonds then Outstanding, and *provided further*, that no such amendment shall (a) extend the payment date of any Base Rental Payment, without the prior written consent of the Owner of each Bond so affected, or (b) reduce the percentage of the Outstanding Bonds the consent of the Owners of which is required for the execution of any amendment hereof.

This Lease and the rights and obligations of the Authority and the City hereunder may also be amended or supplemented at any time by an amendment hereof or supplement hereto which shall become binding upon execution by the Authority and the City without the written consents of any Owners, but only to the extent permitted by law and only for any one or more of the following purposes:

(a) to add to the agreements, conditions, covenants and terms required by the Authority or the City to be observed or performed herein and other agreements, conditions,

covenants and terms thereafter to be observed or performed by the Authority or the City, or to surrender any right or power reserved herein to or conferred herein on the Authority or the City, and which in either case shall not materially adversely affect the interests of the Owners;

The cost of printing any Bonds and any services rendered or expenses incurred by the Trustee in connection with any such exchange shall be paid by the Authority, except that the Trustee shall require the payment by the Owner requesting such exchange of any tax or other governmental charge required to be paid with respect to such exchange. The Trustee shall not be required to exchange, pursuant to this Section, (a) any Bond during the period established by the Trustee for the selection of Bonds for redemption or (b) any Bond selected for redemption pursuant to Section 2.03(e).

SECTION 2.08. Temporary Bonds. The Bonds may be issued initially in temporary form exchangeable for definitive Bonds when ready for delivery. The temporary Bonds may be printed, lithographed or typewritten, shall be of such denominations as may be determined by the Authority and may contain such reference to any of the provisions of this Indenture as may be appropriate. Every temporary Bond shall be executed by the Authority and be registered and authenticated by the Trustee upon the same conditions and in substantially the same manner as the definitive Bonds. If the Authority issues temporary Bonds, it will execute and furnish definitive Bonds without delay, and thereupon the temporary Bonds shall be surrendered, for cancellation, in exchange therefor at the Trust Office of the Trustee, and the Trustee shall authenticate and deliver in exchange for such temporary Bonds definitive Bonds of like tenor, maturity and aggregate principal amount in Authorized Denominations. Until so exchanged, the temporary Bonds shall be entitled to the same benefits under this Indenture as definitive Bonds authenticated and delivered hereunder.

SECTION 2.09. Registration Books. The Trustee will keep or cause to be kept at its Trust Office sufficient records for the registration and transfer of the Bonds, which shall at all times during regular business hours be open to inspection by the Authority with reasonable prior notice; and, upon presentation for such purpose, the Trustee shall, under such reasonable regulations as it may prescribe, register or transfer, or cause to be registered or transferred, on said records, Bonds as herein provided.

SECTION 2.10. Bonds Mutilated, Lost, Destroyed or Stolen. If any Bond shall become mutilated, the Authority, at the expense of the Owner of said Bond, shall execute, and the

Trustee shall thereupon authenticate and deliver, a new Bond of like tenor, maturity and aggregate principal amount in an Authorized Denomination in exchange and substitution for the Bond so mutilated, but only upon surrender to the Trustee of the Bond so mutilated. Every mutilated Bond so surrendered to the Trustee shall be canceled by it. If any Bond issued hereunder shall be lost, destroyed or stolen, evidence of such loss, destruction or theft may be submitted to the Trustee and, if such evidence shall be satisfactory to it and indemnity satisfactory to it shall be given, the Authority, at the expense of the Bond Owner, shall execute, and the Trustee shall thereupon authenticate and deliver, a new Bond of like tenor in lieu of and in substitution for the Bond so lost, destroyed or stolen (or if any such Bond shall have matured or shall have been called for redemption, instead of issuing a substitute Bond the Trustee may pay the same without surrender thereof upon receipt of indemnity satisfactory to the Trustee). The Authority may require payment of a reasonable fee for each new Bond issued under this Section and of the expenses that may be incurred by the Authority and the Trustee. Any Bond issued under the provisions of this Section in lieu of any Bond alleged to be lost, destroyed or stolen shall constitute an original contractual obligation on the part of the Authority whether or not the Bond alleged to be lost, destroyed or stolen shall be at any time enforceable by anyone, and shall be equally and proportionately entitled to the benefits of this Indenture with all other Bonds secured by this Indenture.

SECTION 2.11. Book-Entry System; Limited Obligation. The Bonds shall be initially executed, authenticated and delivered in the form of a separate single fully registered Bond (which may be typewritten) for each of the maturities of the Bonds. Upon initial execution, authentication and delivery, the ownership of each such Bond shall be registered in the Bond Register in the name of the Nominee as nominee of the Depository. Except as provided in Section 2.13 hereof, all of the Outstanding Bonds shall be registered in the Bond Register kept by the Trustee in the name of the Nominee and the Bonds may be transferred, in whole but not in part, only to the Depository, to a successor Depository or to another nominee of the Depository or of a successor Depository. Each Bond shall bear a legend substantially to the following effect:

“UNLESS THIS BOND IS PRESENTED BY AN AUTHORIZED REPRESENTATIVE OF THE DEPOSITORY (AS DEFINED IN THE INDENTURE) TO THE TRUSTEE FOR REGISTRATION OF TRANSFER, EXCHANGE, OR PAYMENT, AND ANY BOND ISSUED IS REGISTERED IN THE NAME OF CEDE & CO. OR IN SUCH OTHER NAME AS IS REQUESTED BY AN AUTHORIZED REPRESENTATIVE OF THE DEPOSITORY (AND ANY PAYMENT IS MADE TO CEDE & CO. OR TO SUCH OTHER ENTITY AS IS REQUESTED BY AN AUTHORIZED REPRESENTATIVE OF THE DEPOSITORY), ANY TRANSFER, PLEDGE, OR OTHER USE HEREOF FOR VALUE OR OTHERWISE BY OR TO ANY PERSON IS WRONGFUL INASMUCH AS THE REGISTERED OWNER HEREOF, CEDE & CO., HAS AN INTEREST HEREIN.”

With respect to Bonds registered in the Bond Register in the name of the Nominee, the Authority and the Trustee shall have no responsibility or obligation to any Depository Participant or to any person on behalf of which such a Depository Participant holds a beneficial interest in the Bonds. Without limiting the immediately preceding sentence, the Authority and the Trustee shall have no responsibility or obligation with respect to (a) the accuracy of the records of the Depository, the Nominee or any Depository Participant with respect to any beneficial ownership interest in the Bonds, (b) the delivery to any Depository Participant, beneficial owner or any other person, other than the Depository, of any notice with respect to the Bonds, including any

Redemption Notice, (c) the selection by the Depository and the Depository Participants of the beneficial interests in the Bonds to be redeemed in part, or (d) the payment to any Depository Participant, beneficial owner or any other person, other than the Depository, of any amount with respect to principal of, interest on, or premium, if any, of the Bonds. The Authority and the Trustee may treat and consider the person in whose name each Bond is registered in the Bond Register as the holder and absolute Owner of such Bond for the purpose of payment of principal of, premium, if any, and interest on, the Bond, for the purpose of giving Redemption Notices with respect to the Bonds and other notices with respect to the Bonds, and for all other purposes whatsoever, including, without limitation, registering transfers with respect to the Bonds.

The Trustee shall pay all principal of, premium, if any, and interest on, the Bonds only to or upon the order of the respective Bond Owners, as shown in the Bond Register kept by the Trustee, or their respective attorneys duly authorized in writing, and all such payments shall be valid hereunder with respect to payment of principal of, premium, if any, and interest on, the Bonds to the extent of the sum or sums so paid. No person other than a Bond Owner, as shown in the Bond Register, shall receive a Bond evidencing the obligation to make payments of principal of, premium, if any, and interest on, such Bond pursuant to this Indenture. Upon delivery by the Depository to the Trustee and the Authority of written notice to the effect that the Depository has determined to substitute a new nominee in place of the Nominee, and subject to the provisions herein with respect to Record Dates, the word Nominee in this Indenture shall refer to such new nominee of the Depository.

SECTION 2.12. Representation Letter. To qualify the Bonds for the Depository's book-entry system, the Authority has previously authorized, executed, countersigned and delivered to such Depository a letter from the Authority representing such matters as shall be necessary to so qualify the Bonds (the "Representation Letter"). The execution and delivery of the Representation Letter shall not in any way limit the provisions of Section 2.11 hereof or in any other way impose upon the Authority or the City any obligation whatsoever with respect to persons having beneficial interests in the Bonds other than the Owners, as shown in the Bond Register kept by the Trustee. In the written acceptance by the Trustee of the Representation Letter, the Trustee shall agree, and hereby agrees, to take all actions necessary for all representations of the Trustee in the Representation Letter with respect to the Trustee to at all times be complied with. In addition to the execution and delivery of the Representation Letter, the Authority Representative and all other officers of the Authority, and their respective deputies and designees, each is hereby authorized to take any other actions, not inconsistent with this Indenture, to qualify the Bonds for the Depository's book-entry program.

SECTION 2.13. Transfers Outside Book-Entry System. If at any time the Depository notifies the Authority that it is unwilling or unable to continue as Depository with respect to the Bonds or if at any time the Depository shall no longer be registered or in good standing under the Securities Exchange Act or other applicable statute or regulation and a successor Depository is not appointed by the Authority within 90 days after the Authority receives notice or becomes aware of such condition, as the case may be, Section 2.11 hereof shall no longer be applicable and the Authority shall execute and the Trustee shall authenticate and deliver Bonds as provided below. In addition, the Authority may determine at any time that the Bonds shall no longer be represented by global bonds and that the provisions of Section 2.11 hereof shall no longer apply to the Bonds. In any such event the Authority shall execute and the Trustee shall authenticate and deliver Bonds

as provided below. Bonds executed, authenticated and delivered in exchange for global bonds pursuant to this Section 2.13 shall be registered in such names and delivered in such Authorized Denominations as the Depository, pursuant to instructions from the Depository Participants or otherwise, shall instruct the Authority and the Trustee. The Trustee shall deliver such Bonds to the persons in whose names such Bonds are so registered.

If the Authority determines to replace the Depository with another qualified securities depository, the Authority shall prepare or cause to be prepared a new fully-registered global bond for each of the maturities of the Bonds, registered in the name of such successor or substitute securities depository or its nominee, or make such other arrangements as are acceptable to the Authority, the Trustee and such securities depository and not inconsistent with the terms of this Indenture.

SECTION 2.14. Payments and Notices to the Nominee. Notwithstanding any other provision of this Indenture to the contrary, so long as any Bond is registered in the name of the Nominee, all payments of principal of, premium, if any, and interest on such Bond and all notices with respect to such Bond shall be made and given, respectively, as provided in the Representation Letter or as otherwise instructed by the Depository.

SECTION 2.15. Initial Depository and Nominee. The initial Depository under this Indenture shall be DTC. The initial Nominee shall be Cede & Co., as nominee of DTC.

ARTICLE III DEPOSIT AND APPLICATION OF PROCEEDS

SECTION 3.01. Issuance of Bonds. Upon the execution and delivery of this Indenture, the Authority shall execute and deliver the Bonds to the Trustee for authentication and delivery to the original purchaser thereof upon the Request of the Authority.

SECTION 3.02. Application of Proceeds of Sale of Bonds. Upon the receipt of payment for the Bonds on the Closing Date the Trustee shall deposit \$_____ of the net proceeds of the sale of the Bonds (representing the principal amount of the Bonds of \$[Par Amount].00, plus a [net] original issue premium of \$_____, less an underwriter's discount of \$_____) as follows:

- (1) \$_____ in the 2023 Project Fund;
- (2) \$_____ in the 2023 Reserve Fund; and
- (3) \$_____ in the 2023 Costs of Issuance Fund.

The Trustee may establish such temporary funds, accounts and subaccounts as may be necessary or desirable to accomplish such deposits and transfer.

SECTION 3.03. 2023 Costs of Issuance Fund. There is hereby established a fund to be held by the Trustee known as the "2023 Costs of Issuance Fund," into which shall be deposited a portion of the proceeds of the sale of the Bonds pursuant to Section 3.02. The moneys in the

2023 Costs of Issuance Fund shall be used to pay Costs of Issuance related to the Bonds from time to time and shall be disbursed by the Trustee upon delivery to the Trustee of a requisition, substantially in the form attached hereto as Exhibit B, executed by an officer of the Authority. On the date that is 180 days following the Closing Date, or upon the earlier receipt by the Trustee of a Request of the Authority certifying that all Costs of Issuance related to the Bonds have been paid or provided for, the Trustee shall transfer any remaining amounts in the 2023 Costs of Issuance Fund to the Lease Revenue Fund and the Trustee shall then close the 2023 Costs of Issuance Fund.

SECTION 3.04. 2023 Reserve Fund. (a) There is hereby created a separate fund to be known as the “2023 Reserve Fund,” which shall be held in trust by the Trustee. An amount equal to the 2023 Reserve Requirement shall be maintained in the 2023 Reserve Fund at all times, subject to the provisions of Section 4.02(c), and any deficiency therein shall be replenished from the first available Revenues pursuant to Section 4.02(c).

(b) Moneys in the 2023 Reserve Fund shall be used solely for the purpose of paying the principal of and interest on the Bonds, including the redemption price of the Bonds coming due and payable by operation of mandatory sinking fund redemption pursuant to Section 2.03, if the Revenues are insufficient therefor. If the amount on deposit in the Lease Revenue Fund on any date is insufficient to enable the Trustee to pay in full the aggregate amount of principal of and interest on the Bonds coming due and payable, including the redemption price of the Bonds coming due and payable by operation of mandatory sinking fund redemption pursuant to Section 2.03, the Trustee shall withdraw the amount of such insufficiency from the 2023 Reserve Fund and transfer such amount to the Lease Revenue Fund.

(c) If the amount on deposit in the 2023 Reserve Fund exceeds the 2023 Reserve Requirement on the fifteenth (15th) calendar day of the month preceding any Interest Payment Date, the amount of such excess shall be withdrawn therefrom by the Trustee and transferred to the Lease Revenue Fund and credited against the Base Rental Payments next due from the City.

(d) The Authority may fund all or a portion of the 2023 Reserve Requirement with one or more Qualified Reserve Fund Credit Instruments. In any case where the 2023 Reserve Fund is funded with a combination of cash and a Qualified Reserve Fund Credit Instrument, the Trustee shall deplete all cash balances before drawing on the Qualified Reserve Fund Credit Instrument. With regard to replenishment, any available moneys provided by the Authority shall be used first to reinstate the Qualified Reserve Fund Credit Instrument and second, to replenish the cash in the Reserve Fund. If the Qualified Reserve Fund Credit Instrument is drawn upon, the Authority shall make payment of interest on amounts advanced under the Qualified Reserve Fund Credit Instrument after making any payments pursuant to Section 4.02.

If the Qualified Reserve Fund Credit Instrument will lapse or expire, the Trustee shall draw upon such Qualified Reserve Fund Credit Instrument prior to its lapsing or expiring in the full amount of such Qualified Reserve Fund Credit Instrument, make deposits from available Revenues to the Reserve Fund to increase the amount on deposit therein to the Reserve Requirement or substitute such Qualified Reserve Fund Credit Instrument with a Qualified Reserve Fund Credit Instrument that satisfies the requirements of this subsection (d).

SECTION 3.05. 2023 Project Fund. The Trustee shall establish, maintain and hold in trust a separate fund to be known as the “2023 Project Fund.” Except as otherwise provided herein, moneys in the 2023 Project Fund shall be used solely for the payment of Project Costs. Except as otherwise provided herein, moneys in the 2023 Project Fund shall be used solely for the payment of Project Costs. Before any payment from the 2023 Project Fund shall be made, the City shall file or cause to be filed with the Trustee, a Requisition of the City which shall be substantially in the form attached hereto as Exhibit C. The Trustee shall be entitled to rely on the representations of the City contained in such Requisition and shall not be required to independently verify the contents of such Requisition.

Within three (3) Business Days following receipt of each such Requisition, the Trustee shall pay the amount set forth in such Requisition as directed by the terms thereof out of the 2023 Project Fund. Upon the Written Request of the City accompanied by a Written Certificate of the City stating that all Project Costs have been paid or provision made for their payment, any unexpended moneys in such 2023 Project Fund may be used to pay the costs associated with any other improvements of the City; provided, that in the opinion of Bond Counsel such use of the proceeds of the Bonds shall not adversely affect the exclusion of interest on the Bonds from gross income of the owners thereof.

Any unexpended moneys in the 2023 Project Fund subsequent to the payment of all Project Costs which are not used to pay the cost of other improvements of the City shall be transferred to the Lease Revenue Fund upon receipt by the Trustee of a Written Request of the City accompanied by a Written Certificate of the City stating that all Project Costs have been paid or provision made for their payment.

SECTION 3.06. 2023 Insurance and Condemnation Fund. The Trustee shall establish and maintain a separate fund to be known as the “2023 Insurance and Condemnation Fund,” into which shall be deposited Net Proceeds (as defined in the Lease) required to be deposited therein pursuant to Section 9 of the Lease. The Trustee shall disburse or transfer all amounts in the 2023 Insurance and Condemnation Fund, as stated in a Request of the City (as described below) for the payment of the cost of the reconstruction of the Leased Property (including reimbursement to the City for any such costs paid by it). Before any payment of money is made from the 2023 Insurance and Condemnation Fund, the Authority shall file or shall cause the City to file with the Trustee a requisition in substantially the form set forth as Exhibit D hereto.

SECTION 3.07. Validity of Bonds. The validity of the authorization and issuance of the Bonds shall not be affected in any way by any proceedings taken with respect to the application of the proceeds of the Bonds, and the recital contained in the Bonds that the same are issued pursuant to the Bond Law shall be conclusive evidence of their validity and of the regularity of their issuance.

ARTICLE IV REVENUES; FLOW OF FUNDS

SECTION 4.01. Pledge of Revenues; Assignment of Rights. Subject to the provisions of Section 6.03, the Bonds shall be secured by a first lien on and pledge (which shall be effected in the manner and to the extent hereinafter provided) of all of the Revenues, including all of the moneys in the 2023 Interest Account, the 2023 Principal Account and the 2023 Reserve Fund, including all amounts derived from the investment of such moneys. The Bonds shall be equally secured by a pledge, charge and lien upon the Revenues and such moneys without priority for number, date of the Bonds, date of execution or date of delivery; and the payment of the interest on and principal of the Bonds and any premiums upon the redemption of any portion thereof shall be and are secured by an exclusive pledge, charge and lien upon the Revenues and such moneys. So long as any of the Bonds are Outstanding, the Revenues and such moneys shall not be used for any other purpose; except that out of the Revenues there may be apportioned such sums, for such purposes, as are expressly permitted by Section 4.02.

The Authority hereby transfers in trust and assigns to the Trustee, for the benefit of the Owners from time to time of the Bonds, all of the Revenues and all of the right, title and interest (but none of the obligations) of the Authority in the Lease with respect to the Revenues, including its rights to receive the Base Rental Payments scheduled to be paid by the City under and pursuant to the Lease and any and all of the other rights of the Authority under the Lease as may be necessary to enforce payment of such Base Rental Payments when due or otherwise to protect the interest of the Owners of the Bonds, including its leasehold title to the Leased Property leased to the City pursuant to the Lease with respect to the Base Rental Payments. The Trustee accepts such assignments. The Trustee shall be entitled to and shall receive all of the Revenues, and any Revenues collected or received by the Authority shall be deemed to be held, and to have been collected or received, by the Authority as the agent of the Trustee and shall forthwith be paid by the Authority to the Trustee.

Each of the Authority and the City covenant and agree to take such action as is necessary from time to time to preserve the priority of the pledge set forth in this Section 4.01 under applicable law, and at the expense of the Authority or the City and the Trustee shall cooperate with the Authority and/or the City in taking such action.

SECTION 4.02. Lease Revenue Fund; Receipt, Deposit and Application of Revenues. All Revenues shall be deposited by the Trustee in a special fund designated as the "Lease Revenue Fund," which the Trustee shall establish, maintain and hold in trust hereunder. In the event the City pays more than 100% of the Base Rental Payments coming due 15 Business Days prior to any Interest Payment Date, the Trustee shall deposit into the Lease Revenue Fund only that portion of the Base Rental Payments which the City is required to make under Section 3(a) of the Lease, and shall remit any excess to the City.

On or before each Interest Payment Date, the Trustee shall transfer from the Lease Revenue Fund and deposit into the following respective accounts (each of which the Trustee shall establish and maintain within the Lease Revenue Fund), the following amounts in the following order of priority, the requirements of each such account (including the making up of any deficiencies in any such account resulting from lack of Revenues sufficient to make any earlier required deposit)

at the time of deposit to be satisfied before any transfer is made to any account subsequent in priority:

(a) **2023 Interest Account.** The Trustee shall establish and maintain a separate account to be known as the “2023 Interest Account.” On or before each Interest Payment Date, the Trustee shall deposit in the 2023 Interest Account an amount required to cause the aggregate amount on deposit in the 2023 Interest Account to equal the amount of interest becoming due and payable on such Interest Payment Date on all respective Outstanding Bonds. No deposit shall be made into the 2023 Interest Account if the amount contained therein is at least equal to the interest becoming due and payable upon all respective Outstanding Bonds on each succeeding Interest Payment Date within the then current Bond Year. All moneys in the 2023 Interest Account shall be used and withdrawn by the Trustee solely for the purpose of paying the interest on the Bonds as it shall become due and payable (including accrued interest on any Bonds redeemed prior to maturity).

(b) **2023 Principal Account.** The Trustee shall establish and maintain a separate account to be known as the “2023 Principal Account.” On or before each Interest Payment Date, the Trustee shall deposit in the 2023 Principal Account an amount required to cause the aggregate amount on deposit in the 2023 Principal Account to equal the principal amount of the Bonds maturing on such Interest Payment Date pursuant to Section 2.02 or Section 2.03 or pursuant to a Supplemental Indenture, as the case may be. All moneys in the 2023 Principal Account shall be used and withdrawn by the Trustee solely for the purpose of paying the principal of the Bonds.

(c) **2023 Reserve Fund.** If the amount on deposit in the 2023 Reserve Fund at any time falls below the 2023 Reserve Requirement, the Trustee shall promptly notify the City and the Authority of such fact and the Trustee shall promptly (i) withdraw the amount of such insufficiency from available Revenues on deposit in the 2023 Lease Revenue Fund, and (ii) transfer such amount to the 2023 Reserve Fund.

(d) **Surplus.** On or before April 1 and October 1 of each year the Trustee shall determine the Revenues, if any, remaining in the Lease Revenue Fund after making the deposits required by paragraphs (a) through (c) above, and shall apply such amount as a credit against the next following Base Rental Payment.

SECTION 4.03. Reserved.

SECTION 4.04. Investments. All moneys in any of the funds or accounts established with the Trustee pursuant to this Indenture shall be invested by the Trustee solely in Permitted Investments pursuant to the written direction of the Authority given to the Trustee two Business Days in advance of the making of such investments. In the absence of any such direction from the Authority, the Trustee shall invest any such moneys in money market funds described in subsection (g) of the definition of Permitted Investments; provided, however, that any such investment shall be made by the Trustee only if, prior to the date on which such investment is to be made, the Trustee shall have received a written direction of the Authority specifying a specific money market fund that satisfies the requirements of said subsection in which such investment is to be made and, if no such written direction is so received, the Trustee shall hold such moneys uninvested. Obligations purchased as an investment of moneys in any fund or account shall be deemed to be part of such fund or account.

The Trustee shall transfer all investment earnings on amounts in the 2023 Principal Account and the 2023 Interest Account to the Lease Revenue Fund. All investment earnings on amounts in the 2023 Insurance and Condemnation Fund shall be retained therein. For purposes of acquiring any investments hereunder, the Trustee may commingle funds held by it hereunder. The Trustee, or any of its affiliates, may act as principal or agent in the acquisition of any investment and may impose its customary charges therefor. The Trustee may act as manager, sponsor, advisor or depository with respect to any Permitted Investment. The Trustee shall incur no liability for the selection (other than as provided herein) of investments or losses arising from any investments made pursuant to this Section. The Authority acknowledges that regulations of the Comptroller of the Currency grant the Authority the right to receive brokerage confirmations of security transactions to be effected by the Trustee hereunder as they occur, at no additional cost. The Authority specifically waives the right to receive such confirmation to the extent permitted by applicable law and agrees that it will instead receive periodic cash transaction statements which shall include detail for the investment transactions effected by the Trustee hereunder; provided, however, that the Authority retains its right to receive brokerage confirmation on any investment transaction requested by the Authority.

SECTION 4.05. Valuation and Disposition of Investments. For the purpose of determining the amount in any fund or account, Permitted Investments credited to such fund or account shall be valued at least semiannually on or before each Interest Payment Date at cost (excluding any brokerage commissions and excluding any accrued interest) by the Authority.

ARTICLE V COVENANTS OF THE AUTHORITY

SECTION 5.01. Punctual Payment. The Authority shall punctually pay or cause to be paid the principal, interest and premium (if any) to become due in respect of all the Bonds, in strict conformity with the terms of the Bonds and of this Indenture, according to the true intent and meaning thereof, but only out of applicable Revenues and other assets pledged for such payment as provided in this Indenture.

SECTION 5.02. Extension of Payment of Bonds. The Authority shall not directly or indirectly extend or assent to the extension of the maturity of any of the Bonds or the time of payment of any claims for interest by the purchase of such Bonds or by any other arrangement, and in case the maturity of any of the Bonds or the time of payment of any such claims for interest shall be extended, such Bonds or claims for interest shall not be entitled, in case of any default hereunder, to the benefits of this Indenture, except subject to the prior payment in full of the principal of all of the Bonds then Outstanding and of all claims for interest thereon which shall not have been so extended.

SECTION 5.03. Against Encumbrances. The Authority shall not create, or permit the creation of, any pledge, lien, charge or other encumbrance upon the applicable Revenues and other assets pledged or assigned under this Indenture while any of the Bonds are Outstanding, except the pledge and assignment created by this Indenture and Supplemental Indenture. Subject to this limitation, the Authority expressly reserves the right to enter into one or more other indentures for

any of its corporate purposes, including other programs under the Bond Law, and reserves the right to issue other obligations for such purposes.

SECTION 5.04. Power to Issue Bonds and Make Pledge and Assignment. The Authority is duly authorized pursuant to law to issue the Bonds and to enter into this Indenture and to pledge and assign the Revenues, the Lease and other assets purported to be pledged and assigned, respectively, under this Indenture in the manner and to the extent provided in this Indenture. The Bonds and the provisions of this Indenture are and will be the legal, valid and binding special obligations of the Authority in accordance with their terms, and the Authority and the Trustee (subject to the provisions of Section 6.02 hereof) shall at all times, to the extent permitted by law, defend, preserve and protect said pledge and assignment of Revenues and other assets and all the rights of the Bond Owners under this Indenture against all claims and demands of all persons whomsoever.

SECTION 5.05. Accounting Records and Financial Statements. The Trustee shall at all times keep, or cause to be kept, proper books of record and account, prepared in accordance with corporate trust industry standards, in which complete and accurate entries shall be made of all transactions by the Trustee relating to the proceeds of Bonds, the Revenues, the Lease and all funds and accounts established pursuant to this Indenture. Such books of record and account shall be available for inspection by the Authority and the City during regular business hours with reasonable prior notice.

SECTION 5.06. No Additional Obligations. The Authority covenants that no additional bonds, notes or indebtedness shall be issued or incurred that are payable out of the Revenues in whole or in part.

SECTION 5.07. Lease. The Trustee, as assignee of the Authority's rights under the Lease with respect to the Revenues pursuant to Section 4.01 hereof and the Assignment Agreement(s), shall receive amounts due from the City pursuant to the Lease with respect to the Revenues. The Authority will faithfully comply with, keep, observe and perform all the agreements, conditions, covenants and terms contained in the Lease required to be complied with, kept, observed and performed by it and, together with the Trustee, will enforce the Lease against the City in accordance with its terms. So long as any Bond remain Outstanding, the Authority will not alter, amend or modify the Lease, except pursuant to Section 21 thereof.

SECTION 5.08. Further Assurances. The Authority will adopt, make, execute and deliver any and all such further resolutions, instruments and assurances as may be reasonably necessary or proper to carry out the intention or to facilitate the performance of this Indenture, and for the better assuring and confirming unto the Owners of the Bonds the rights and benefits provided in this Indenture.

ARTICLE VI THE TRUSTEE

SECTION 6.01. Appointment of Trustee. The Bank of New York Mellon Trust Company, N.A., a national banking association duly organized and existing under and by virtue of the laws of the United States of America, is hereby appointed Trustee by the Authority for the

purpose of receiving all moneys required to be deposited with the Trustee hereunder and to allocate, use and apply the same as provided in this Indenture. The Authority agrees that it will maintain a Trustee which has (or which is a wholly-owned subsidiary of a corporation which has) a combined capital and surplus of at least \$75,000,000, and which is subject to supervision or examination by Federal or State authority, so long as any Bonds are Outstanding. If such bank or trust company or such parent corporation publishes a report of condition at least annually pursuant to law or to the requirements of any supervising or examining authority above referred to, then for the purpose of this Section 6.01 the combined capital and surplus of such bank or trust company or such parent corporation shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published.

The Trustee is hereby authorized to pay the principal of and interest and redemption premium (if any) on the Bonds when duly presented for payment at maturity, or on redemption prior to maturity, and to cancel all Bonds upon payment thereof. The Trustee shall keep accurate records of all funds and accounts administered by it and of all Bonds paid and discharged.

SECTION 6.02. Acceptance of Trusts. The Trustee hereby accepts the trusts imposed upon it by this Indenture, and agrees to perform said trusts, but only upon and subject to the following express terms and conditions:

(a) The Trustee shall not be liable for any error of judgment made in good faith by a responsible officer of the Trustee, unless it shall be proved that the Trustee was negligent in ascertaining the pertinent facts.

(b) Whenever in the administration of this Indenture the Trustee shall deem it desirable that a matter be proved or established prior to taking, suffering or omitting any action hereunder, the Trustee (unless other evidence is herein specifically prescribed) may, in the absence of bad faith on its part, rely upon a Certificate of the Authority.

(c) The Trustee shall be under no obligation to exercise any of the rights or powers vested in it by this Indenture at the request or direction of any of the Owners pursuant to this Indenture, unless such Owners shall have offered to the Trustee security or indemnity satisfactory to it against the costs, expenses and liabilities which might be incurred by it in compliance with such request or direction.

(d) The Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond or other paper or document.

(e) The Trustee, prior to the occurrence of an Event of Default and after the curing or waiving of all Events of Default that may have occurred, undertakes to perform such duties and only such duties as are specifically set forth in this Indenture and no covenants of or against the Trustee shall be implied in this Indenture. In case an Event of Default hereunder or under the Lease has occurred (which has not been cured or waived), the Trustee may exercise such of the rights and powers vested in it by this Indenture and by the Lease, and shall use the same degree of care and skill in the exercise of such rights and powers as a prudent person would exercise or use under the circumstances in the conduct of such person's own affairs.

(f) The Trustee may execute any of the trusts or powers hereunder and perform the duties required of it hereunder either directly or by or through attorneys, receivers or agents, shall not be liable for the acts or omissions of such attorneys, receivers or agents appointed with due care, and shall be entitled to advice of counsel concerning all matters of trust and its duties hereunder. The Trustee may conclusively rely on an opinion of counsel as full and complete authorization and protection for any action taken, suffered or omitted by it hereunder.

(g) The Trustee shall not be responsible for any recital herein, in the Lease, or in the Bonds, or for any of the supplements thereto or instruments of further assurance, or for the sufficiency of the security for the Bonds issued hereunder or intended to be secured hereby and makes no representation as to the validity or sufficiency of the Bonds, this Indenture or the Lease. The Trustee shall not be bound to ascertain or inquire as to the observance or performance of any covenants, conditions or agreements on the part of the Authority hereunder or on the part of the Authority or the City under the Lease. The Trustee shall not be responsible for the application of the proceeds of the Bonds paid over by it to the Authority in accordance with Section 12.03 hereof.

(h) The Trustee may become the Owner or pledgee of Bonds secured hereby with the same rights it would have if not the Trustee; may acquire and dispose of other bonds or evidences of indebtedness of the Authority with the same rights it would have if it were not the Trustee; and may act as a depositary for and permit any of its officers or directors to act as a member of, or in any other capacity with respect to, any committee formed to protect the rights of Owners of Bonds, whether or not such committee shall represent the Owners of the majority in aggregate principal amount of the Bonds then Outstanding.

(i) The Trustee may rely and shall be protected in acting or refraining from acting, in good faith and without negligence, upon any notice, resolution, opinion, report, direction, request, requisition, consent, certificate, order, affidavit, letter, telegram or other paper or document believed by it to be genuine and to have been signed or presented by the proper person or persons. Any action taken or omitted to be taken by the Trustee in good faith and without negligence pursuant to this Indenture or the Lease upon the request or authority or consent of any person who at the time of making such request or giving such authority or consent is the Owner of any Bond, shall be conclusive and binding upon all future Owners of the same Bond and upon Bonds issued in exchange therefor or in place thereof. The Trustee shall not be bound to recognize any person as an Owner of any Bond or to take any action at his request unless the ownership of such Bond by such person shall be reflected on the Registration Books.

(j) The permissive right of the Trustee to do things enumerated in this Indenture or in the Lease shall not be construed as a duty and it shall not be answerable for other than its negligence or willful default. The immunities and exceptions from liability of the Trustee shall extend to its officers, directors, employees and agents.

(k) The Trustee shall not be required to take notice or be deemed to have notice of any Event of Default hereunder or under the Lease except failure by the Authority or the City to make any of the payments to the Trustee required to be made by the Authority pursuant hereto or thereto or failure by the Authority or the City to file with the Trustee any document required by this Indenture or the Lease to be so filed subsequent to the issuance of the Bonds by a certain date, unless the Trustee shall be specifically notified in writing of such default by the Authority or by

the Owners of at least 25% in aggregate principal amount of the Bonds then Outstanding and all notices or other instruments required by this Indenture to be delivered to the Trustee must, to be effective, be delivered at the Trust Office of the Trustee, and in the absence of such notice so delivered the Trustee may conclusively assume there is no Event of Default hereunder except as aforesaid.

(l) At any and all reasonable times the Trustee and its duly authorized agents, attorneys, experts, accountants and representatives, shall have the right but shall not be required to inspect all books, papers and records of the Authority pertaining to the Bonds, and to make copies of any of such books, papers and records which are not privileged by statute or by law.

(m) The Trustee shall not be required to give any bond or surety in respect of the execution of the said trusts and powers or otherwise in respect of the premises hereof.

(n) Notwithstanding anything elsewhere in this Indenture with respect to the execution of any Bonds, the withdrawal of any cash, the release of any property, or any action whatsoever within the purview of this Indenture, the Trustee shall have the right, but shall not be required, to demand any showings, certificates, opinions, appraisals or other information, or corporate action or evidence thereof, as may be deemed desirable for the purpose of establishing the right of the Authority to the execution of any Bonds, the withdrawal of any cash or the taking of any other action by the Trustee.

(o) All moneys received by the Trustee shall, until used or applied or invested as herein provided, be held in trust for the purposes for which they were received but need not be segregated from other funds except to the extent required by law.

(p) Whether or not expressly provided therein, every provision of this Indenture, the Site Lease and the Lease relating to the conduct or affecting the liability of the Trustee shall be subject to the provisions of this Section.

(q) The Trustee shall have no responsibility with respect to any information, statement, or recital in any official statement, offering memorandum or any other disclosure material prepared or distributed with respect to the Bonds.

(r) The Trustee is authorized and directed to enter into the Assignment Agreement in its capacity as Trustee.

(s) The Trustee agrees to accept and act upon instructions or directions pursuant to this Indenture sent by unsecured e-mail, facsimile transmission or other similar unsecured electronic methods, provided, however, that, the Trustee shall have received an incumbency certificate listing persons designated to give such instructions or directions and containing specimen signatures of such designated persons, which such incumbency certificate shall be amended and replaced whenever a person is to be added or deleted from the listing. If the Authority or the City elects to give the Trustee e-mail or facsimile instructions (or instructions by a similar electronic method) and the Trustee in its discretion elects to act upon such instructions, the Trustee's understanding of such instructions shall be deemed controlling. The Trustee shall not be liable for any losses, costs or expenses arising directly or indirectly from the Trustee's reliance upon and compliance with such instructions notwithstanding such instructions conflict or are inconsistent with a

subsequent written instruction. The Authority and the City agree: (i) to assume all risks arising out of the use of such electronic methods to submit instructions and directions to the Trustee, including without limitation the risk of the Trustee acting on unauthorized instructions, and the risk of interception and misuse by third parties; other than in the event of the Trustee's own negligence or willful misconduct; (ii) that they are fully informed of the protections and risks associated with the various methods of transmitting instructions to the Trustee and that there may be more secure methods of transmitting instructions than the method(s) selected by the Authority or the City; and (iii) that the security procedures (if any) to be followed in connection with its transmission of instructions provide to them a commercially reasonable degree of protection in light of its particular needs and circumstances.

SECTION 6.03. Fees, Charges and Expenses of Trustee. The Trustee shall be paid and reimbursed by the Authority for reasonable fees for its services rendered hereunder and all advances (with interest on such advances at the maximum rate allowed by law), counsel fees (including expenses) and other expenses reasonably and necessarily made or incurred by the Trustee in connection with such services. Upon the occurrence of an Event of Default hereunder, but only upon an Event of Default, the Trustee shall have a first lien with right of payment prior to payment of any Bond upon the amounts held hereunder for the foregoing fees, charges and expenses incurred by it. When the Trustee incurs expenses or renders services after the occurrence of an Event of Default, such expenses and the compensation for such services are intended to constitute expenses of administration under any federal or state bankruptcy, insolvency, arrangement, moratorium, reorganization or other debtor relief law.

SECTION 6.04. Notice to Bond Owners of Default. If an Event of Default hereunder or under the Lease occurs with respect to any Bonds of which the Trustee has been given or is deemed to have notice, as provided in Section 6.02(k) hereof, then the Trustee shall, within 30 days of the receipt of such notice, give written notice thereof by first class mail to the Owner of each such Bond, unless such Event of Default shall have been cured before the giving of such notice; *provided, however*, that unless such Event of Default consists of the failure by the Authority to make any payment when due, the Trustee may elect not to give such notice if and so long as the Trustee in good faith determines that it is in the best interests of the Bond Owners not to give such notice.

SECTION 6.05. Intervention by Trustee. In any judicial proceeding to which the Authority or the City is a party that, in the opinion of the Trustee and its counsel, has a substantial bearing on the interests of Owners of any of the Bonds, the Trustee may intervene on behalf of such Bond Owners, and subject to Section 6.02(c), shall do so if requested in writing by the Owners of at least 25% in aggregate principal amount of such Bonds then Outstanding.

SECTION 6.06. Removal of Trustee. The Trustee may be removed at any time by an instrument or concurrent instruments in writing, filed with the Trustee and signed by the Owners of a majority in aggregate principal amount of the Outstanding Bonds. The Authority may also remove the Trustee at any time upon 30 days' notice, except during the existence of an Event of Default. The Trustee may be removed at any time for any breach of the Trustee's duties set forth herein.

SECTION 6.07. Resignation by Trustee. The Trustee and any successor Trustee may at any time give written notice of its intention to resign as Trustee hereunder, such notice to be given to the Authority and the City by registered or certified mail. Upon receiving such notice of resignation, the Authority shall promptly appoint a successor Trustee. Any resignation or removal of the Trustee and appointment of a successor Trustee shall become effective upon acceptance of appointment by the successor Trustee. Upon such acceptance, the Authority shall cause notice thereof to be given by first class mail, postage prepaid, to the Bond Owners at their respective addresses set forth on the Registration Books.

SECTION 6.08. Appointment of Successor Trustee. In the event of the removal or resignation of the Trustee pursuant to Sections 6.06 or 6.07, respectively, the Authority shall promptly appoint a successor Trustee. In the event the Authority shall for any reason whatsoever fail to appoint a successor Trustee within 60 days following the delivery to the Trustee of the instrument described in Section 6.06 or within 60 days following the receipt of notice by the Authority pursuant to Section 6.07, the Trustee may, at the expense of the Authority, apply to a court of competent jurisdiction for the appointment of a successor Trustee meeting the requirements of Section 6.01. Any such successor Trustee appointed by such court shall become the successor Trustee hereunder notwithstanding any action by the Authority purporting to appoint a successor Trustee following the expiration of such 60-day period.

SECTION 6.09. Merger or Consolidation. Any company into which the Trustee may be merged or converted or with which it may be consolidated or any company resulting from any merger, conversion or consolidation to which it shall be a party or any company to which the Trustee may sell or transfer all or substantially all of its corporate trust business, provided that such company shall meet the requirements set forth in Section 6.01, shall be the successor to the Trustee and vested with all of the title to the trust estate and all of the trusts, powers, discretions, immunities, privileges and all other matters as was its predecessor, without the execution or filing of any paper or further act, anything herein to the contrary notwithstanding.

SECTION 6.10. Concerning any Successor Trustee. Every successor Trustee appointed hereunder shall execute, acknowledge and deliver to its predecessor and also to the Authority an instrument in writing accepting such appointment hereunder and thereupon such successor, without any further act, deed or conveyance, shall become fully vested with all the estates, properties, rights, powers, trusts, duties and obligations of its predecessors; but such predecessor shall, nevertheless, on the Request of the Authority, or of the Trustee's successor, execute and deliver an instrument transferring to such successor all the estates, properties, rights, powers and trusts of such predecessor hereunder; and every predecessor Trustee shall deliver all securities and moneys held by it as the Trustee hereunder to its successor. Should any instrument in writing from the Authority be required by any successor Trustee for more fully and certainly vesting in such successor the estate, rights, powers and duties hereby vested or intended to be vested in the predecessor Trustee, any and all such instruments in writing shall, on request, be executed, acknowledged and delivered by the Authority.

SECTION 6.11. Appointment of Co-Trustee. It is the purpose of this Indenture that there shall be no violation of any law of any jurisdiction (including particularly the law of the State) denying or restricting the right of banking corporations or associations to transact business as Trustee in such jurisdiction. It is recognized that in the case of litigation under this Indenture,

and in particular in case of the enforcement of the rights of the Trustee on default, or in the case the Trustee deems that by reason of any present or future law of any jurisdiction it may not exercise any of the powers, rights or remedies herein granted to the Trustee or hold title to the properties, in trust, as herein granted, or take any other action that may be desirable or necessary in connection therewith, it may be necessary that the Trustee or the Authority appoint an additional individual or institution as a separate trustee or co-trustee. The following provisions of this Section are adopted to these ends. If the Trustee or the Authority appoints an additional individual or institution as a separate trustee or co-trustee, each and every remedy, power, right, claim, demand, cause of action, immunity, estate, title, interest and lien expressed or intended by this Indenture to be exercised by or vested in or conveyed to the Trustee with respect thereto shall be exercisable by and vest in such separate trustee or co-trustee but only to the extent necessary to enable such separate trustee or co-trustee to exercise such powers, rights and remedies, and every covenant and obligation necessary to the exercise thereof by such separate trustee or co-trustee shall run to and be enforceable by either of them. Should any instrument in writing from the Authority be required by the separate trustee or co-trustee so appointed by the Trustee for more fully and certainly vesting in and confirming to it such properties, rights, powers, trusts, duties and obligations, any and all such instruments in writing shall, on request, be executed, acknowledged and delivered by the Authority. In case any separate trustee or co-trustee, or a successor to either, shall become incapable of acting, shall resign or shall be removed, all the estates, properties, rights, powers, trusts, duties and obligations of such separate trustee or co-trustee, so far as permitted by law, shall vest in and be exercised by the Trustee until the appointment of a new trustee or successor to such separate trustee or co-trustee.

SECTION 6.12. Indemnification; Limited Liability of Trustee. The Authority further covenants and agrees, to the extent permitted by law, to indemnify and save the Trustee and its officers, directors, agents and employees, harmless against any loss, expense, action, suit, claim, judgment and liabilities arising out of or in the exercise and performance of its powers and duties hereunder and under the Site Lease and the Lease, including the costs and expenses of defending against any claim of liability and fees and expenses of its attorneys, but excluding any and all losses, expenses and liabilities that are due to the negligent or willful misconduct of the Trustee, its officers, directors or employees. No provision in this Indenture shall require the Trustee to risk or expend its own funds or otherwise incur any financial liability hereunder. The Trustee shall not be liable for any action taken or omitted to be taken by it in accordance with the direction of the Owners of at least 25% in aggregate principal amount of Bonds Outstanding relating to the time, method and place of conducting any proceeding or remedy available to the Trustee under this Indenture or exercising any power conferred upon the Trustee under this Indenture. The obligations of the Authority under this Section shall survive the termination of this Indenture and the resignation or removal of the Trustee under this Indenture.

ARTICLE VII MODIFICATION AND AMENDMENT OF THE INDENTURE

SECTION 7.01. Amendment. This Indenture and the rights and obligations of the Authority and the Owners may be modified or amended at any time by a Supplemental Indenture,

which shall become binding to the extent permitted by law upon adoption, without consent of any Owner, but only for any one or more of the following purposes:

- (a) to add to the covenants and agreements of the Authority in this Indenture contained, other covenants and agreements thereafter to be observed, or to limit or surrender any rights or powers herein reserved to or conferred upon the Authority so long as such limitation or surrender of such rights or powers shall not materially adversely affect the Owners;
- (b) to make such provisions for the purpose of curing any ambiguity, or of curing, correcting or supplementing any defective provision contained in this Indenture, or in any other respect whatsoever as the Authority may deem necessary or desirable; or
- (c) for any other purpose that does not materially adversely affect the interests of the Owners.

Except as set forth in the preceding paragraph of this Section, this Indenture and the rights and obligations of the Authority and of the Owners may only be modified or amended at any time by a Supplemental Indenture, which shall become binding when the written consent of the Owners of a majority in aggregate principal amount of the affected Bonds then Outstanding are filed with the Trustee. No such modification or amendment shall (a) extend the maturity of or reduce the interest rate on any Bond or otherwise alter or impair the obligation of the Authority to pay the principal, interest or redemption premiums (if any) at the time and place and at the rate and in the currency provided therein of any Bond without the express written consent of the Owner, (b) reduce the percentage of Bonds required for the written consent to any such amendment or modification, or (c) modify any of the rights or obligations of the Trustee without its written consent thereto.

SECTION 7.02. Effect of Supplemental Indenture. From and after the time any Supplemental Indenture becomes effective pursuant to this Article VII, this Indenture shall be deemed to be modified and amended in accordance therewith, the respective rights, duties and obligations of the parties hereto or thereto and all Owners of Outstanding Bonds, as the case may be, shall thereafter be determined, exercised and enforced hereunder subject in all respects to such modification and amendment, and all the terms and conditions of any Supplemental Indenture shall be deemed to be part of the terms and conditions of this Indenture for any and all purposes. Prior to entering into any Supplemental Indenture pursuant to this Section, the Authority shall deliver to the Trustee an opinion of Bond Counsel to the effect that such Supplemental Indenture has been adopted in accordance with the requirements of this Indenture.

SECTION 7.03. Endorsement or Replacement of Bonds After Amendment. After the effective date of any action taken as hereinabove provided, the Authority may determine that the Bonds shall bear a notation, by endorsement in form approved by the Authority, as to such action, and in that case upon demand of the Owner at such effective date and presentation of such Bond for that purpose at the Trust Office of the Trustee, a suitable notation as to such action shall be made on such Bond. If the Authority shall so determine, new Bonds so modified as, in the opinion of the Authority, shall be necessary to conform to such Owners' action shall be prepared and executed, and in that case upon demand of the Owner at such effective date such new Bonds

shall be exchanged at the Trust Office of the Trustee, without cost to each Owner, for Bonds then Outstanding, upon surrender of such Outstanding Bonds.

ARTICLE VIII EVENTS OF DEFAULT AND REMEDIES OF BOND OWNERS

SECTION 8.01. Events of Default. The following events shall be Events of Default hereunder:

(a) Default in the due and punctual payment of the principal of or premium on any Bond when and as the same shall become due and payable, whether at maturity as therein expressed, or by proceedings for redemption.

(b) Default in the due and punctual payment of any installment of interest on any Bond when and as such interest installment shall become due and payable.

(c) Failure by the Authority to observe and perform any of the covenants, agreements or conditions on its part in this Indenture or in the Bonds contained, other than as referred to in the preceding clauses (a) and (b), for a period of thirty (30) days after written notice, specifying such failure and requesting that it be remedied has been given to the Authority by the Trustee, or to the Authority and the Trustee by the Owners of not less than 50% in aggregate principal amount of the Outstanding Bonds; provided, that if such default is such that it cannot be corrected within the applicable period, it shall not constitute an Event of Default if corrective action is instituted by the Authority within the applicable period and diligently pursued until the default is corrected, which period shall not be longer than sixty (60) days from the date of written notice specifying the failure.

(d) The filing by the Authority of a petition or answer seeking reorganization or arrangement under the Federal bankruptcy laws or any other applicable law of the United States of America, or if a court of competent jurisdiction shall approve a petition, filed with or without the consent of the Authority, seeking reorganization under the Federal bankruptcy laws or any other applicable law of the United States of America, or if, under the provisions of any other law for the relief or aid of debtors, any court of competent jurisdiction shall assume custody or control of the Authority or of the whole or any substantial part of its property.

(e) Default under Section 10 of the Lease and such default shall not have been remedied within any applicable grace period thereunder.

SECTION 8.02. Remedies; No Acceleration. Upon the occurrence of an Event of Default the Trustee shall have the right:

(a) by mandamus or other action or proceeding or suit at law or in equity to enforce its rights against the Authority or any member, officer or employee thereof, to compel the Authority or any such member, officer or employee to perform and carry out its or his or her duties under law and the agreements and covenants required to be performed by it or him contained herein or in the Lease;

(b) by suit in equity to enjoin any acts or things which are unlawful or violate the rights of the Trustee; or

(c) by suit in equity upon the happening of an Event of Default to require the Authority and its members, officers and employees to account as the trustee of an express trust.

If an Event of Default shall have occurred and be continuing and if requested so to do by the Owners of a majority in aggregate principal amount of Outstanding Bonds and indemnified as provided in Section 6.02(c), the Trustee shall be obligated to exercise such one or more of the rights and powers conferred by this Article VIII, as the Trustee, being advised by counsel, shall deem most expedient in the interests of the Owners.

No remedy by the terms of this Indenture conferred upon or reserved to the Trustee (or to the Owners) is intended to be exclusive of any other remedy, but each and every such remedy shall be cumulative and shall be in addition to any other remedy given to the Trustee or the Owners hereunder or now or hereafter existing at law or in equity.

No delay or omission to exercise any right or power accruing upon any Event of Default shall impair any such right or power or shall be construed to be a waiver or any such Event of Default or acquiescence therein; such right or power may be exercised from time to time as often as may be deemed expedient.

The Trustee shall have no right to declare the principal of or interest on the Bonds to be due and payable immediately.

Nothing herein shall be deemed to authorize the Trustee to authorize or consent to or accept or adopt on behalf of any Owner any plan of reorganization, arrangement, adjustment, or composition affecting the Bonds or the rights of any Owner thereof, or to authorize the Trustee to vote in respect of the claim of any Owner in any such proceeding without the approval of the Owners so affected.

SECTION 8.03. Application of Revenues and Other Funds After Default. All amounts received by the Trustee pursuant to any right given or action taken by the Trustee under the provisions of this Indenture shall be applied by the Trustee in the following order of priority:

First, to the payment of the fees, costs and expenses of the Trustee, including reasonable compensation to its agents, attorneys and counsel;

Second, to the payment of the whole amount of interest on and principal of the Bonds then due and unpaid, *provided, however*, that if such amounts shall be insufficient to pay in full the full amount of such interest and principal, then such amounts shall be applied to the payment of such principal and interest without preference or priority of principal over interest, or interest over principal, or of any installment of interest over any other installment of interest, ratably to the aggregate of such principal and interest and amounts, if any, due and owing.

SECTION 8.04. Power of Trustee to Control Proceedings. If the Trustee, upon the happening of an Event of Default, shall have taken any action, by judicial proceedings or

otherwise, pursuant to its duties hereunder, whether upon its own discretion or upon the request of the Owners of at least a majority in aggregate principal amount of the Bonds then Outstanding, it shall have full power, in the exercise of its discretion for the best interests of the Owners of the Bonds, with respect to the continuance, discontinuance, withdrawal, compromise, settlement or other disposal of such action; provided, however, that the Trustee shall not, unless there no longer continues an Event of Default, discontinue, withdraw, compromise or settle, or otherwise dispose of any litigation pending at law or in equity, if at the time there has been filed with it a written request signed by the Owners of a majority in aggregate principal amount of the Outstanding Bonds opposing such discontinuance, withdrawal, compromise, settlement or other disposal of such litigation and if the Trustee is indemnified as provided in Section 6.02(c). Any suit, action or proceeding which any Owner shall have the right to bring to enforce any right or remedy hereunder may be brought by the Trustee for the equal benefit and protection of all Owners similarly situated and the Trustee is hereby appointed (and the successive respective Owners issued hereunder by taking and holding the same, shall be conclusively deemed so to have appointed it) the true and lawful attorney-in-fact of the respective Owners for the purpose of bringing any such suit, action or proceeding and to do and perform any and all acts and things for and on behalf of the respective Owners as a class or classes, as may be necessary or advisable in the opinion of the Trustee as such attorney-in-fact.

SECTION 8.05. Appointment of Receivers. Upon the occurrence of an Event of Default hereunder, and upon the filing of a suit or other commencement of judicial proceedings to enforce the rights of the Trustee and of the Owners under this Indenture, the Trustee shall be entitled, as a matter of right, to the appointment of a receiver or receivers of the Revenues and other amounts pledged hereunder, pending such proceedings, with such powers as the court making such appointment shall confer.

SECTION 8.06. Non-Waiver. A waiver of any default or breach of duty or contract by the Trustee or any Owners shall not affect any subsequent default or breach of duty or contract, or impair any rights or remedies on any such subsequent default or breach. No delay or omission of the Trustee or any Owner to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver of any such default or an acquiescence therein; and every power and remedy conferred upon the Trustee or Owners by the Bond Law or by this Article VIII may be enforced and exercised from time to time and as often as shall be deemed expedient by the Trustee or the Owners, as the case may be.

SECTION 8.07. Rights of Owners. No Owner shall have the right to institute any suit, action or proceeding at law or in equity, for any remedy under or upon this Indenture, unless (a) such Owner shall have previously given to the Trustee written notice of the occurrence of an Event of Default; (b) the Owners of a majority in aggregate principal amount of all the Bonds then Outstanding shall have made written request upon the Trustee to exercise the powers hereinbefore granted or to institute such action, suit or proceeding in its own name; (c) said Owners shall have tendered to the Trustee indemnity reasonably acceptable to the Trustee against the costs, expenses and liabilities to be incurred in compliance with such request; and (d) the Trustee shall have refused or omitted to comply with such request for a period of 60 days after such written request shall have been received by, and said tender of indemnity shall have been made to, the Trustee. Such notification, request, tender of indemnity and refusal or omission are hereby declared, in every case, to be conditions precedent to the exercise by any Owner of any remedy hereunder; it being

understood and intended that no one or more Owners shall have any right in any manner whatever by his or their action to enforce any right under this Indenture, except in the manner herein provided, and that all proceedings at law or in equity to enforce any provision of this Indenture shall be instituted, had and maintained in the manner herein provided and for the equal benefit of all Owners.

The right of any Owner to receive payment of the principal of and interest and premium (if any) on such Bond as herein provided or to institute suit for the enforcement of any such payment, shall not be impaired or affected without the written consent of such Owner, notwithstanding the foregoing provisions of this Section or any other provision of this Indenture.

SECTION 8.08. Termination of Proceedings. In case the Trustee shall have proceeded to enforce any right under this Indenture by the appointment of a receiver or otherwise, and such proceedings shall have been discontinued or abandoned for any reason, or shall have been determined adversely, then and in every such case, the Authority, the Trustee and the Owners shall be restored to their former positions and rights hereunder, respectively, with regard to the property subject to this Indenture, and all rights, remedies and powers of the Trustee shall continue as if no such proceedings had been taken.

ARTICLE IX TAX COVENANTS

SECTION 9.01. Tax Covenants. The Authority covenants as follows in this Section. When used in this Section, the following terms have the following meanings:

“Code” means the Internal Revenue Code of 1986.

“Computation Date” has the meaning set forth in section 1.148-1(b) of the Tax Regulations.

“Gross Proceeds” means any proceeds as defined in section 1.148-1(b) of the Tax Regulations (referring to sales, investment and transferred proceeds), and any replacement proceeds as defined in section 1.148-1(c) of the Tax Regulations, of the Bonds.

“Investment” has the meaning set forth in section 1.148-1(b) of the Tax Regulations.

“Nonpurpose Investment” means any investment property, as defined in section 148(b) of the Code, in which Gross Proceeds of the Bonds are invested and that is not acquired to carry out the governmental purposes of the Bonds.

“Rebate Amount,” has the meaning set forth in section 1.148-1(b) of the Tax Regulations.

“Tax Regulations” means the United States Treasury Regulations promulgated pursuant to sections 103 and 141 through 150 of the Code, or section 103 of the 1954 Code, as applicable.

“Yield” of any Investment has the meaning set forth in section 1.148-5 of the Tax Regulations; and of any issue of governmental obligations has the meaning set forth in section 1.148-4 of the Tax Regulations.

(a) Not to Cause Interest to Become Taxable. The Authority covenants that it shall not use, and shall not permit the use of, and shall not omit to use Gross Proceeds or any other amounts (or any property the acquisition, construction or improvement of which is to be financed directly or indirectly with Gross Proceeds) in a manner that if made or omitted, respectively, could cause the interest on any Bond to fail to be excluded pursuant to Section 103(a) of the Code from the gross income of the owner thereof for federal income tax purposes. Without limiting the generality of the foregoing, unless and until the Trustee receives a written opinion of Bond Counsel to the effect that failure to comply with such covenant will not adversely affect such exclusion of the interest on any Bond from the gross income of the owner thereof for federal income tax purposes, the Authority shall comply with each of the specific covenants in this Section.

(b) Private Use and Private Payments. Except as would not cause any Bond to become a “private activity bond” within the meaning of section 141 of the Code and the Tax Regulations, the Authority shall take all actions necessary to assure that the Authority at all times prior to the final cancellation of the last of the Bonds to be retired:

(1) exclusively owns, operates and possesses all property the acquisition, construction or improvement of which is to be financed or refinanced directly or indirectly with Gross Proceeds of the Bonds and not use or permit the use of such Gross Proceeds (including through any contractual arrangement with terms different than those applicable to the general public) or any property acquired, constructed or improved with such Gross Proceeds in any activity carried on by any person or entity (including the United States or any agency, department and instrumentality thereof) other than a state or local government, unless such use is solely as a member of the general public; and

(2) does not directly or indirectly impose or accept any charge or other payment by any person or entity (other than a state or local government) who is treated as using any Gross Proceeds of the Bonds or any property the acquisition, construction or improvement of which is to be financed or refinanced directly or indirectly with such Gross Proceeds.

(c) No Private Loan. Except as would not cause any Bond to become a “private activity bond” within the meaning of section 141 of the Code and the Tax Regulations and rulings thereunder, the Authority shall not use or permit the use of Gross Proceeds of the Bonds to make or finance loans to any person or entity other than a state or local government. For purposes of the foregoing covenant, such Gross Proceeds are considered to be “loaned” to a person or entity if: (i) property acquired, constructed or improved with such Gross Proceeds is sold or leased to such person or entity in a transaction that creates a debt for federal income tax purposes; (ii) capacity in or service from such property is committed to such person or entity under a take-or-pay, output or similar contract or arrangement; or (iii) indirect benefits of such Gross Proceeds, or burdens and benefits of ownership of any property acquired, constructed or improved with such Gross Proceeds, are otherwise transferred in a transaction that is the economic equivalent of a loan.

(d) Not to Invest at Higher Yield. Except as would not cause the Bonds to become “arbitrage bonds” within the meaning of section 148 of the Code and the Tax Regulations and rulings thereunder, the Authority shall not (and shall not permit any person to), at any time prior to the final cancellation of the last Bond to be retired, directly or indirectly invest Gross Proceeds

in any Investment, if as a result of such investment the Yield of any Investment acquired with Gross Proceeds, whether then held or previously disposed of, would materially exceed the Yield of the Bonds within the meaning of said section 148.

(e) Not Federally Guaranteed. Except to the extent permitted by section 149(b) of the Code and the Tax Regulations and rulings thereunder, the Authority shall take or omit to take (and shall not permit any person to take or omit to take) any action that would cause any Bond to be “federally guaranteed” within the meaning of section 149(b) of the Code and the Tax Regulations and rulings thereunder.

(f) Information Report. The Authority shall timely file any information required by section 149(e) of the Code with respect to Bonds with the Secretary of the Treasury on Form 8038-G or such other form and in such place as the Secretary may prescribe.

(g) Rebate of Arbitrage Profits. Except to the extent otherwise provided in section 148(f) of the Code and the Tax Regulations:

(1) The Authority shall account for all Gross Proceeds (including all receipts, expenditures and investments thereof) on its books of account separately and apart from all other funds (and receipts, expenditures and investments thereof) and shall retain all records of accounting for at least six years after the day on which the last Bond is discharged. However, to the extent permitted by law, the Authority may commingle Gross Proceeds of Bonds with its other monies, provided that it separately accounts for each receipt and expenditure of Gross Proceeds and the obligations acquired therewith.

(2) Not less frequently than each Computation Date, the Authority shall calculate, the Rebate Amount in accordance with rules set forth in section 148(f) of the Code and the Tax Regulations and rulings thereunder. The Authority shall maintain a copy of the calculation with its official transcript of proceedings relating to the issuance of the Bonds until six years after the final Computation Date. The Trustee may rely conclusively upon the Authority’s determinations, calculations and certifications. The Trustee shall have no responsibility to independently make any calculation or determination or to review the Authority’s calculations hereunder.

(3) To assure the excludability pursuant to section 103(a) of the Code of the interest on the Bonds from the gross income of the owners thereof for federal income tax purposes, the Authority shall pay to the United States the amount that when added to the future value of previous rebate payments made for the Bonds equals (i) in the case of the Final Computation Date as defined in section 1.148-3(e)(2) of the Tax Regulations, one hundred percent (100%) of the Rebate Amount on such date; and (ii) in the case of any other Computation Date, ninety percent (90%) of the Rebate Amount on such date. In all cases, such rebate payments shall be made by the Authority at the times and in the amounts as are or may be required by section 148(f) of the Code and the Tax Regulations and rulings thereunder, and shall be accompanied by Form 8038-T prepared by the Authority or such other forms and information as is or may be required by section 148(f) of the Code and the Tax Regulations and rulings thereunder for execution and filing by the Authority.

(4) The Authority shall exercise reasonable diligence to assure that no errors are made in the calculations and payments required by paragraphs (2) and (3), and if an error is made, to discover and promptly correct such error within a reasonable amount of time thereafter (and in all events within one hundred eighty (180) days after discovery of the error), including payment to the United States of any additional Rebate Amount owed to it, interest thereon, and any penalty imposed under Section 1.148 3(h) of the Regulations.

(h) Not to Divert Arbitrage Profits. Except to the extent permitted by section 148 of the Code and the Tax Regulations and rulings thereunder, the Authority shall not and shall not permit any person to, at any time prior to the final cancellation of the last of the Bonds to be retired, enter into any transaction that reduces the amount required to be paid to the United States pursuant to paragraph (g) of this Section because such transaction results in a smaller profit or a larger loss than would have resulted if the transaction had been at arm's length and had the Yields on the Bonds not been relevant to either party.

(i) Bonds Not Hedge Bonds.

(1) The Authority represents that none of the Bonds is or will become a "hedge bond" within the meaning of section 149(g) of the Code.

(2) As of the date of issuance of the Bonds the Authority reasonably expects that at least 85% of the spendable proceeds of the Bonds will be expended within the three-year period commencing on such date of issuance, and (B) no more than 50% of the proceeds of the Bonds will be invested in Nonpurpose Investments having a substantially guaranteed yield for a period of four years or more.

(j) Elections. The Authority hereby directs and authorizes any Authority Representative to make elections permitted or required pursuant to the provisions of the Code or the Tax Regulations, as such Representative (after consultation with Bond Counsel) deems necessary or appropriate in connection with the Bonds, in the Tax Certificate or similar or other appropriate certificate, form or document.

(k) Closing Certificate. The Authority agrees to execute and deliver in connection with the issuance of the Bonds a Tax Certificate, or similar document containing additional representations and covenants pertaining to the exclusion of interest on the Bonds from the gross income of the owners thereof for federal income tax purposes, which representations and covenants are incorporated as though expressly set forth herein.

The Authority shall at all times do and perform all acts and things permitted by law and this Indenture which are necessary or desirable in order to assure that interest paid on the Bonds (or any of them) will be excluded from gross income for federal income tax purposes and shall take no action that would result in such interest not being so excluded. Without limiting the generality of the foregoing, the Authority agrees to comply with the provisions of the Tax Certificate. This covenant shall survive payment in full or defeasance of the Bonds.

ARTICLE X MISCELLANEOUS

SECTION 10.01. Limited Liability of Authority. Notwithstanding anything in this Indenture contained, the Authority shall not be required to advance any moneys derived from any source of income other than the Revenues for the payment of the principal of or interest on the Bonds, or any premiums upon the redemption thereof, or for the performance of any covenants herein contained (except to the extent any such covenants are expressly payable hereunder from the Revenues or otherwise from amounts payable under the Lease). The Authority may, however, advance funds for any such purpose, provided that such funds are derived from a source legally available for such purpose and may be used by the Authority for such purpose without incurring indebtedness.

The Bonds shall be revenue bonds, payable exclusively from the Revenues and other funds as in this Indenture provided. The general fund of the Authority is not liable, and the credit of the Authority is not pledged, for the payment of the interest and premiums (if any) on or principal of the Bonds. The Owners shall never have the right to compel the forfeiture of any property of the Authority except the Revenues and other funds pledged to the payment of the Bonds as provided in this Indenture. The principal of and interest on the Bonds, and any premiums upon the redemption of any thereof, shall not be a legal or equitable pledge, charge, lien or encumbrance upon any property of the Authority or upon any of its income, receipts or revenues except the Revenues and other funds pledged to the payment thereof as provided in this Indenture.

SECTION 10.02. Benefits of Indenture Limited to Parties. Nothing in this Indenture, expressed or implied, is intended to give to any person other than the Authority, the Trustee, the City and the Owners, any right, remedy or claim under or by reason of this Indenture. Any covenants, stipulations, promises or agreements in this Indenture contained by and on behalf of the Authority shall be for the sole and exclusive benefit of the Trustee, the City and the Owners.

SECTION 10.03. Defeasance; Discharge of Indenture. If the Authority shall pay and discharge any or all of the Outstanding Bonds in any one or more of the following ways:

(a) by well and truly paying or causing to be paid the principal of and interest and premiums (if any) on such Bonds, as and when the same become due and payable;

(b) by irrevocably depositing with the Trustee, in trust, at or before maturity, money which, together with the available amounts then on deposit in the funds and accounts established with the Trustee pursuant to this Indenture, is fully sufficient to pay such Bonds, including all principal, interest and redemption premiums (if any); or

(c) by irrevocably depositing with the Trustee or an escrow agent, in trust pursuant to an escrow deposit agreement, Defeasance Securities in such amount as an Independent Certified Public Accountant shall determine in a written report acceptable in form and substance to the Authority, and addressed, to the Authority and the Trustee, filed with the Trustee (upon which report the Trustee may conclusively rely) will, together with the interest to accrue thereon and available moneys then on deposit in the funds and accounts established with the Trustee pursuant to this Indenture, be fully sufficient to pay and discharge the indebtedness on such Bonds

(including all principal, interest and redemption premiums) at or before their respective maturity dates; and

(d) delivering an opinion of Bond Counsel acceptable in form and substance to the Authority, and addressed, to the Authority and the Trustee to the effect that the Bonds are no longer Outstanding under the Indenture, and if such Bonds are to be redeemed prior to the maturity thereof notice of such redemption shall have been mailed pursuant to Section 2.03(d) or provision satisfactory to the Trustee shall have been made for the mailing of such notice, then, at the Request of the Authority, and notwithstanding that any of such Bonds shall not have been surrendered for payment, the pledge of the Revenues and other funds provided for in this Indenture with respect to such Bonds, and all other pecuniary obligations of the Authority under this Indenture with respect to all such Bonds, shall cease and terminate, except only the obligation of the Authority to pay or cause to be paid to the Owners not so surrendered and paid all sums due thereon from amounts set aside for such purpose as aforesaid, and all amounts due the Trustee. Any funds held by the Trustee following any payment or discharge of the Outstanding Bonds pursuant to this Section, which are not required for said purposes, shall after payment of amounts due the Trustee hereunder be paid over to the Authority.

SECTION 10.04. Successor is Deemed Included in All References to Predecessor. Whenever in this Indenture or any Supplemental Indenture the Authority is named or referred to, such reference shall be deemed to include the successor to the powers, duties and functions, with respect to the management, administration and control of the affairs of the Authority, that are presently vested in the Authority, and all the covenants, agreements and provisions contained in this Indenture by or on behalf of the Authority shall bind and inure to the benefit of its successors whether so expressed or not.

SECTION 10.05. Content of Certificates and Opinions. Every certificate or opinion with respect to compliance with a condition or covenant provided for in this Indenture except the certificate of destruction pursuant to Section 12.10 shall include (a) a statement that the person or persons making or giving such certificate or opinion have read such covenant or conditions and the definitions herein relating thereto; (b) a brief statement as to the nature and scope of the examination or investigation upon which the statements or opinions contained in such certificate or opinion are based; (c) a statement that, in the opinion of the signers, they have made or caused to be made such examination or investigation as is necessary to enable them to express an informed opinion as to whether or not such covenant or condition has been complied with; and (d) a statement as to whether, in the opinion of the signers, such condition or covenant has been complied with. Any such certificate made or given by an officer of the Authority may be based, insofar as it relates to legal matters, upon a certificate or opinion of or representations by counsel, unless such officer knows that the certificate or opinion or representations with respect to the matters upon which his certificate may be based, as aforesaid, are erroneous, or in the exercise of reasonable care should have known that the same were erroneous. Any such certificate or opinion or representation made or given by counsel may be based, insofar as it relates to factual matters, on information with respect to which is in the possession of the Authority, or upon the certificate or opinion of or representations by an officer or officers of the Authority, unless such counsel knows that the certificate or opinion or representations with respect to the matters upon which his certificate, opinion or representation may be based, as aforesaid, are erroneous, or in the exercise of reasonable care should have known that the same were erroneous.

SECTION 10.06. Execution of Documents by Owners. Any request, consent or other instrument required by this Indenture to be signed and executed by Owners may be in any number of concurrent writings of substantially similar tenor and may be signed or executed by such Owners in person or by their agent or agents duly appointed in writing. Proof of the execution of any such request, consent or other instrument or of a writing appointing any such agent, shall be sufficient for any purpose of this Indenture and shall be conclusive in favor of the Trustee and of the Authority if made in the manner provided in this Section.

The fact and date of the execution by any person of any such request, consent or other instrument or writing may be proved by the affidavit of a witness of such execution or by the certificate of any notary public or other officer of any jurisdiction, authorized by the laws thereof to take acknowledgments of deeds, certifying that the person signing such request, consent or other instrument or writing acknowledged to him the execution thereof.

The ownership of Bonds shall be proved by the Registration Books. Any request, consent or vote of the Owner shall bind every future Owner with respect to the same Bond and the Owner with respect to any Bond issued in exchange therefor or in lieu thereof, in respect of anything done or suffered to be done by the Trustee or the Authority in pursuance of such request, consent or vote. In lieu of obtaining any demand, request, direction, consent or waiver in writing, the Trustee may call and hold a meeting of the Owners upon such notice and in accordance with such rules and obligations as the Trustee considers fair and reasonable for the purpose of obtaining any such action.

SECTION 10.07. Disqualified Bonds. In determining whether the Owners of the requisite aggregate principal amount of Bonds have concurred in any demand, request, direction, consent or waiver under this Indenture, unless all Bonds are then so owned, Bonds that are owned or held by or for the account of the City or the Authority (but excluding Bonds held in any employees' retirement fund) shall be disregarded and deemed not to be Outstanding for the purpose of any such determination, *provided, however*, that for the purpose of determining whether the Trustee shall be protected in relying on any such demand, request, direction, consent or waiver, only Bonds which the Trustee actually knows to be so owned or held shall be disregarded.

SECTION 10.08. Waiver of Personal Liability. No official, officer, agent or employee of the Authority shall be individually or personally liable for the payment of the interest on or principal of the Bonds; but nothing herein contained shall relieve any such official, officer, agent or employee from the performance of any official duty provided by law.

SECTION 10.09. Partial Invalidity. If any one or more of the covenants or agreements, or portions thereof, provided in this Indenture on the part of the Authority (or of the Trustee) to be performed should be contrary to law, then such covenant or covenants, such agreement or agreements, or such portions thereof, shall be null and void and shall be deemed separable from the remaining covenants and agreements or portions thereof and shall in no way affect the validity of this Indenture or of the Bonds; but the Owners shall retain all rights and benefits accorded to them under the Bond Law or any other applicable provisions of law.

SECTION 10.10. Destruction of Canceled Bonds. Whenever in this Indenture provision is made for the surrender of any Bonds which have been paid or canceled pursuant to

the provisions of this Indenture, the Trustee shall cancel and destroy such Bonds and upon Request of the Authority furnish to the Authority a certificate of such destruction.

SECTION 10.11. Funds and Accounts. Any fund or account required by this Indenture to be established and maintained by the Authority or the Trustee may be established and maintained in the accounting records of the Authority or the Trustee, as the case may be, either as a fund or an account, and may, for the purpose of such records, any audits thereof and any reports or statements with respect thereto, be treated either as a fund or as an account. All such records with respect to all such funds and accounts held by the Authority shall at all times be maintained in accordance with generally accepted accounting principles and all such records with respect to all such funds and accounts held by the Trustee shall be at all times maintained in accordance with corporate trust industry practices; in each case with due regard for the protection of the security of the Bonds and the rights of every Owner thereof.

SECTION 10.12. Payment on Business Days. Whenever in this Indenture any amount is required to be paid on a day that is not a Business Day, such payment shall be required to be made, without accruing additional interest thereby, on the Business Day immediately following such day.

SECTION 10.14. Unclaimed Moneys. Anything in this Indenture to the contrary notwithstanding, any moneys held by the Trustee in trust for the payment and discharge of any of the Bonds that remain unclaimed for two years after the date when such Bonds have become due and payable, either at their stated maturity dates or by call for earlier redemption, if such moneys were held by the Trustee at such date, or for two years after the date of deposit of such moneys if deposited with the Trustee after said date when such Bonds become due and payable, shall be repaid by the Trustee to the Authority (without liability for interest), as its absolute property and free from trust, and the Trustee shall thereupon be released and discharged with respect thereto and the Owners shall look only to the Authority for the payment of such Bonds; *provided, however*, that before being required to make any such payment to the Authority, the Trustee shall, at the written request and expense of the Authority, cause to be mailed to the Owners, at their respective addresses appearing on the Registration Books, a notice that said moneys remain unclaimed and that, after a date named in said notice, which date shall not be less than 30 days after the date of mailing of such notice, the balance of such moneys then unclaimed will be returned to the Authority.

PRINCIPAL AMOUNT:

The EL CENTRO FINANCING AUTHORITY, a joint powers authority organized and existing under the laws of the State of California (the "Authority"), for value received, hereby promises to pay (but only out of the Revenues, as defined in the Indenture hereinafter referred to, and certain other moneys) to the Registered Owner identified above or registered assigns (the "Registered Owner"), on the Maturity Date identified above or any earlier redemption date, the Principal Amount identified above in lawful money of the United States of America; and to pay interest thereon at the Rate of Interest identified above in like money from the Interest Payment Date (as hereinafter defined) next preceding the date of authentication of this Bond (unless this Bond is authenticated on or before an Interest Payment Date and after the fifteenth calendar day of the month preceding such Interest Payment Date, in which case it shall bear interest from such Interest Payment Date, or unless this Bond is authenticated on or prior to September 15, 2023, in which event it shall bear interest from the Dated Date identified above; provided, however, that if, at the time of authentication of this Bond, interest is in default on this Bond, this Bond shall bear interest from the Interest Payment Date to which interest hereon has previously been paid or made available for payment), payable semiannually on April 1 and October 1 in each year, commencing October 1, 2023 (the "Interest Payment Dates") until payment of such Principal Amount in full.

The Principal Amount hereof is payable by check or wire upon presentation hereof upon maturity or earlier redemption at the designated corporate trust office (the “Trust Office”) of The Bank of New York Mellon Trust Company, N.A., as trustee (the “Trustee”). Interest hereon is payable by check of the Trustee mailed by first class mail on each Interest Payment Date to the Registered Owner hereof at the address of the Registered Owner as it appears on the registration books of the Trustee as of the fifteenth calendar day of the month preceding such Interest Payment Date (except that in the case of a Registered Owner of at least \$1,000,000 in aggregate principal amount of Outstanding Bonds, such payment may, at such Registered Owner’s option, be made by wire transfer of immediately available funds in accordance with written instructions provided by such Registered Owner prior to the fifteenth calendar day of the month preceding such Interest Payment Date).

This Bond is one of a duly authorized issue of bonds of the Authority designated the “El Centro Financing Authority Lease Revenue Bonds, 2023 Series A (Police Station Project)” (the “Bonds”), in an aggregate principal amount of \$[Par Amount] issued under an Indenture, dated as of February 1, 2023 (the “Indenture”), by and between the Authority and the Trustee. Reference is hereby made to the Indenture and all indentures supplemental thereto for a description of the rights thereunder of the owners of the Bonds, of the nature and extent of the Revenues (as that term is defined in the Indenture), of the rights, duties and immunities of the Trustee and of the rights and obligations of the Authority thereunder; and all of the terms of the Indenture are hereby incorporated herein and constitute a contract between the Authority and the Registered Owner hereof, and to all of the provisions of which Indenture the Registered Owner hereof, by acceptance hereof, assents and agrees.

The Bonds are authorized to be issued pursuant to the provisions of the Marks-Roos Local Bond Pooling Act of 1985, constituting Article 4, Chapter 5, Division 7, Title 1 of the Government Code of the State of California (the “Act”). The Bonds are special obligations of the Authority and, as and to the extent set forth in the Indenture, are payable solely from and secured by a first lien on and pledge of the Revenues as provided in the Indenture. All of the Bonds are equally secured by a pledge of, and charge and lien upon, all of the Revenues, and the Revenues constitute a trust fund for the security and payment of the principal of and interest on the Bonds. The full faith and credit of the Authority are not pledged for the payment of the principal of or interest or premium (if any) on the Bonds. The Bonds are not secured by a legal or equitable pledge of, or charge, lien or encumbrance upon, any of the property of the Authority or any of its income or receipts, except the Revenues and such other moneys and securities as provided in the Indenture.

The Bonds have been issued for the purpose of financing certain capital facilities for the City. The Authority and the City have entered into a Lease Agreement, dated as of February 1, 2023 (the “Lease”), under which the City is obligated to pay amounts which are anticipated to be sufficient to enable the Authority to pay the principal of and interest on the Bonds.

The Bonds are subject to redemption prior to their maturity as provided in the Indenture.

The Bonds are subject to redemption prior to their respective maturity dates, upon notice as provided in the Indenture, as a whole or in part on any date, from prepayments of Base Rental Payments made by the City pursuant to the Lease from funds received by the City due to a taking of the Leased Property or any portion thereof under the power of eminent domain or from insurance

proceeds received by the City due to damage to or destruction of the Leased Property or any portion thereof, under the circumstances and upon the conditions and terms prescribed in the Indenture and in the Lease. Redemption of Bonds pursuant to this paragraph shall be made at a redemption price equal to the sum of the principal of the Bonds to be redeemed plus accrued interest thereon to the date fixed for redemption, without premium.

The Bonds may be issued in denominations of \$5,000 or any integral multiple thereof. Subject to the limitations and upon payment of the charges, if any, provided in the Indenture, this Bond may be exchanged at the Trust Office of the Trustee for a like aggregate principal amount, interest rate and maturity of fully registered Bonds of other authorized denominations.

This Bond is transferable by the Registered Owner hereof, in person or by his attorney duly authorized in writing, at the Trust Office of the Trustee, but only in the manner, subject to the limitations and upon payment of the charges provided in the Indenture, and upon surrender and cancellation of this Bond. Upon such transfer a new fully registered Bond or Bonds, of Authorized Denomination or Denominations, for the same aggregate principal amount and of the same maturity will be issued to the transferee in exchange herefor. The Authority and the Trustee may treat the Registered Owner hereof as the absolute owner hereof for all purposes, and the Authority and the Trustee shall not be affected by any notice to the contrary. The Trustee shall not be required to register the transfer or exchange of any Bond during the period in which the Trustee is selecting Bonds for redemption or any Bond selected for redemption.

The Indenture and the rights and obligations of the Authority and of the owners of the Bonds and of the Trustee may be modified or amended from time to time and at any time in the manner, to the extent, and upon the terms provided in the Indenture; provided that no such modification or amendment shall (a) extend the maturity of or reduce the interest rate on any Bond or otherwise alter or impair the obligation of the Authority to pay the principal, interest or premiums at the time and place and at the rate and in the currency provided therein of any Bond without the express written consent of the owner of such Bond, (b) reduce the percentage of Bonds required for the written consent to any such amendment or modification, or (c) without its written consent thereto, modify any of the rights or obligations of the Trustee, all as more fully set forth in the Indenture.

It is hereby certified that all things, conditions and acts required to exist, to have happened and to have been performed precedent to and in the issuance of this Bond do exist, have happened and have been performed in due time, form and manner as required by the Constitution and statutes of the State of California and by the Act (as such term is defined on the reverse side hereof) and the amount of this Bond, together with all other indebtedness of the Authority, does not exceed any limit prescribed by the Constitution or statutes of the State of California or by the Act.

This Bond shall not be entitled to any benefit under the Indenture (as such term is defined on the reverse side hereof), or become valid or obligatory for any purpose, until the certificate of authentication hereon shall have been manually signed by the Trustee.

IN WITNESS WHEREOF, the Authority has caused this Bond to be executed in its name and on its behalf by the manual or facsimile signatures of its Chairperson and Secretary as of the Dated Date identified above.

The 2023A Bonds are being issued as fully registered bonds and, when executed and delivered, will be registered in the name of Cede & Co., as nominee of The Depository Trust Company, New York, New York (“DTC”). The 2023A Bonds, if issued, will be issued in denominations of \$5,000 or any integral multiple thereof. DTC will act as securities depository of the 2023A Bonds. Individual purchases of 2023A Bonds will be made in book-entry form only. Payments of principal of and interest on the 2023A Bonds are to be made to purchasers by DTC through DTC Participants. Purchasers will not receive physical delivery of the 2023A Bonds purchased by them. See APPENDIX F – “BOOK-ENTRY SYSTEM.”

The 2023A Bonds are subject to extraordinary, mandatory and optional redemption prior to their stated maturities, as described herein. See “DESCRIPTION OF THE 2023A BONDS – Redemption” herein.

The 2023A Bonds are special limited obligations of the Authority secured by and payable from Revenues pledged to the 2023A Bonds under the Indenture, as hereinafter described. Such Revenues primarily consist of Base Rental Payments to be made by the City to the Authority under the Lease, as hereinafter described. Pursuant to the Lease, the City will lease certain property described herein (the “Leased Property”) from the Authority. The City is required under the Lease to make Base Rental Payments each year in consideration for the use of the Leased Property, as described herein, from any source of legally available funds, in an amount sufficient to pay the annual principal of and interest on the 2023A Bonds. The City’s obligation to make Base Rental Payments is subject to abatement in the event of substantial interference with the use and possession of all or a part of the Leased Property supporting the 2023A Bonds, as described herein. See “RISK FACTORS – Abatement” herein. The City has covenanted in the Lease to take such action as may be necessary to include and maintain all Base Rental Payments in its budget and to make the necessary appropriations therefor, subject to such abatement.

The full faith and credit of the Authority is not pledged for the payment of the principal of or interest or premium (if any) on the 2023A Bonds. The obligation of the City to make Base Rental Payments or Additional Rental Payments does not constitute an obligation of the City for which the City is obligated to levy or pledge any form of taxation or for which the City has levied or pledged any form of taxation. Neither the 2023A Bonds nor the obligation of the City to make Base Rental Payments or Additional Rental Payments constitutes an indebtedness of the City, the State of California or any of its political subdivisions (other than the Authority) within the meaning of any constitutional or statutory debt limitation or restriction.

OFFICIAL STATEMENT

\$(PAR AMOUNT)* EL CENTRO FINANCING AUTHORITY LEASE REVENUE BONDS, 2023 SERIES A (POLICE STATION PROJECT)

INTRODUCTION

This Official Statement, which includes the cover page, the inside cover page and attached appendices, provides certain information in connection with the sale and delivery of the \$(Par Amount) El Centro Financing Authority Lease Revenue Bonds, 2023 Series A (Police Station Project) (the “2023A Bonds”). Capitalized terms used and not otherwise defined herein shall have the meanings given in the Indenture or the Lease (each as hereinafter defined) or in APPENDIX C – “SUMMARY OF CERTAIN PROVISIONS OF THE PRINCIPAL LEGAL DOCUMENTS.”*

Purpose of the 2023A Bonds

The 2023A Bonds are being issued under the provisions of the Marks-Roos Local Bond Pooling Act of 1985, constituting Article 4 of Chapter 5 of Division 7 of Title 1 (commencing with Section 6584) of the California Government Code (the “Bond Law”). The 2023A Bonds are being issued pursuant to an Indenture, dated as of February 1, 2023 (the “Indenture”), by and between the El Centro Financing Authority (the “Authority”) and The Bank of New York Mellon Trust Company, N.A., as trustee (the “Trustee”).

The Authority is issuing the 2023A Bonds, to provide funds to: (i) finance the acquisition, construction and improvement of a new police station (the “Police Station Project”) in the City of El Centro (the “City”), as described herein, (ii) fund a debt service reserve for the 2023A Bonds, (iii) [fund a portion of interest for the 2023A Bonds,] and (iv) pay the related costs of issuing the 2023A Bonds. See “PLAN OF FINANCE” and “ESTIMATED SOURCES AND USES OF FUNDS.”

Security for the 2023A Bonds

The 2023A Bonds shall be secured by a first lien on and pledge (which shall be effected in the manner and to the extent provided in the Indenture) of all of the Revenues, including all of the moneys in the 2023 Interest Account, the 2023 Principal Account and the 2023 Reserve Fund, including all amounts derived from the investment of such moneys. “Revenues” means (i) all Base Rental Payments payable by the City of El Centro, California (the “City”) pursuant to the Lease (defined below) (including prepayments), (ii) any proceeds of Bonds deposited with the Trustee and all moneys on deposit in the funds and accounts established under the Indenture, except the Rebate Fund, (iii) investment income with respect to such moneys held by the Trustee, and (iv) any insurance proceeds or condemnation awards received by or payable to the Trustee relating to the Base Rental Payments. See “SECURITY AND SOURCES OF PAYMENT FOR THE 2023A BONDS.”

Pursuant to a Site and Facility Lease, dated as of February 1, 2023 (the “Site Lease”), by and between the City and the Authority, the Authority will lease from the City certain real property and improvements, constituting the Aquatic Center and the real property for the Police Station Project (collectively, the “Leased Property”). Pursuant to the Lease Agreement, dated as of February 1, 2023 (the

* Preliminary, subject to change.
134264133.3

“Lease”), by and between the Authority and the City, the Authority will sublease the Leased Property to the City. See “LEASED PROPERTY.”

Pursuant to the Lease, the City will pay to the Trustee, as the assignee of the Authority, base rental payments (collectively, the “Base Rental Payments”) in amounts equal to scheduled debt service on the 2023A Bonds, as set forth in the base rental payment schedule for the 2023A Bonds.

The obligation of the City to make Base Rental Payments or Additional Rental Payments does not constitute an obligation of the City for which the City is obligated to levy or pledge any form of taxation or for which the City has levied or pledged any form of taxation. Neither the 2023A Bonds nor the obligation of the City to make Base Rental Payments or Additional Rental Payments constitutes an indebtedness of the City, the State or any of its political subdivisions within the meaning of any constitutional or statutory debt limitation or restriction. Pursuant to the Lease, the City has covenanted to take such action as may be necessary to include all Base Rental Payments and Additional Rental Payments due under the Lease in its annual budget and to make the necessary annual appropriations for all such Base Rental Payments and Additional Rental Payments required to be made under the Lease, subject only to abatement as provided therein. See “RISK FACTORS – Base Rental Payments Are Not Debt; 2023A Bonds are Limited Obligations” and “– Abatement.” See “SECURITY AND SOURCES OF PAYMENT FOR THE 2023A BONDS.”

2023A Reserve Fund

Pursuant to the Indenture, a 2023 Reserve Fund will be established for the 2023A Bonds and funded at the 2023A Reserve Requirement. “2023A Reserve Requirement” means, as of each calculation date, an amount equal to the least of (i) Maximum Annual Debt Service on all Outstanding 2023A Bonds, (ii) 10% of the initial principal amount of the 2023A Bonds (or, if the 2023A Bonds are sold with more than 2% net original issue discount or more than 2% net original issue premium, 10% of the issue price of the 2023A Bonds), or (iii) 125% of the average Annual Debt Service as of the date of issuance of the 2023A Bonds. See “SECURITY AND SOURCES OF PAYMENT FOR THE 2023A BONDS – 2023A Reserve Fund.”

The City

The City is the regional center for government, healthcare, retail activity and jobs in the County. The City is located approximately 120 miles east of the City of San Diego and approximately 60 miles west of Yuma, Arizona. The City lies 13 miles north of the City of Mexicali with a population of approximately 1 million, the capital of the State of Baja California, Mexico, and its strategic border location makes it a prime link between the interior of Mexico and the major markets along the West Coast of the United States. The City encompasses approximately 11 square miles and straddles the busy Interstate 8, the major interstate highway linking southern California to its eastern neighbors. As of January 1, 2022, the City had a population of 44,508. For additional information regarding the City and surrounding area, see APPENDIX A – “SUPPLEMENTAL INFORMATION – THE CITY OF EL CENTRO AND IMPERIAL COUNTY.”

The outbreak of COVID-19, a respiratory disease caused by new strains of coronavirus, has been characterized as a pandemic (the “Pandemic”) by the World Health Organization and significantly affected many parts of the world, including the United States, California, the County of Imperial (the “County”) and the City. The Pandemic negatively affected travel and commerce. No assurance can be provided that future strains of COVID-19 or other health emergencies will not adversely impact operations and finances of the City. See “RISK FACTORS – COVID-19 Pandemic.”

The Police Station Project

A portion of the proceeds of the 2023A Bonds will be applied to construction two buildings, that together will form the new police station in the City. For details regarding the Police Station Project, see “PLAN OF FINANCE – The Police Station Project.”

Continuing Disclosure

The Authority has determined that no financial or operating data concerning the Authority is material to any decision to purchase, hold or sell the 2023A Bonds and as such, the Authority will not provide any such information.

The City has agreed to provide, with respect to the 2023A Bonds, or cause to be provided, to the Municipal Securities Rulemaking Board’s Electronic Municipal Market Access system (the “EMMA System”), certain annual financial information and operating data relating to the City and, in a timely manner, notice of certain enumerated events. These covenants have been made in order to assist the Underwriter in complying with Rule 15c2-12, as amended (the “Rule 15c2-12”) adopted by the U.S. Securities and Exchange Commission (the “SEC”) under the Securities Exchange Act of 1934, as amended. See “CONTINUING DISCLOSURE” and APPENDIX D – “FORM OF CONTINUING DISCLOSURE AGREEMENT” for a description of the annual reports and notices of enumerated events to be provided by the City.

DESCRIPTION OF THE 2023A BONDS

The 2023A Bonds will be dated their date of delivery and issued in the aggregate principal amount and bear interest at the rates and mature on the dates set forth on the inside cover page of this Official Statement. Interest on the 2023A Bonds will be payable semiannually on April 1 and October 1 of each year, commencing October 1, 2023 (each an “Interest Payment Date”). Each 2023A Bond will bear interest from the Interest Payment Date next preceding the date of authentication thereof unless (i) it is executed after the fifteenth calendar day of the month immediately preceding an Interest Payment Date, in which case interest will bear from such Interest Payment Date, or (ii) it is authenticated on or before September 15, 2023, in which event interest will accrue from the date of initial delivery of the 2023A Bonds. If, at the date of authentication of any 2023A Bond, interest thereon is in default, such 2023A Bond will bear interest from the Interest Payment Date to which interest has previously been paid or made available for payment on such outstanding 2023A Bond, or if no interest has been paid, from the date of initial delivery of the 2023A Bonds. Interest on the 2023A Bonds will be computed on the basis of a 360-day year of twelve 30-day months.

Optional Redemption of Bonds. The 2023A Bonds maturing on or after October 1, 20__ shall be subject to redemption prior to their respective maturity dates as a whole or in part on any date on or after October 1, 20__, in any order deemed reasonable by the Authority, and by lot within a maturity, from prepayments of Base Rental Payments made at the option of the City pursuant to the Lease, at a redemption price equal to the principal amount of the 2023A Bonds to be redeemed, plus accrued but unpaid interest to the date fixed for redemption, without premium.

* Maturity.

If some but not all of a 2023A Term Bond has been redeemed pursuant to extraordinary or optional redemptions, the total amount of sinking account payments to be made subsequent to such redemption shall be reduced in an amount equal to the principal amount of such 2023A Term Bond so redeemed by reducing each such future sinking account payment on a pro rata basis (as nearly as practicable) in integral multiples of \$5,000, as shall be designated pursuant to written notice filed by the Authority with the Trustee. In the event of any reductions in the amount of sinking account payments due as a result of some but not all of the 2023A Bonds being redeemed pursuant to extraordinary or optional redemptions, the Authority shall provide the Trustee with a revised schedule reflecting such reductions.

Extraordinary Redemption. The 2023A Bonds are subject to redemption prior to their respective maturity dates, upon notice as provided in the Indenture, as a whole or in part on any date, from prepayments of Base Rental Payments made by the City pursuant to the Lease from funds received by the City due to a taking of the Leased Property or any portion thereof under the power of eminent domain or from insurance proceeds received by the City due to damage to or destruction of the Leased Property or any portion thereof, under the circumstances and upon the conditions and terms prescribed herein and in the Lease. Redemption of 2023A Bonds shall be made at a redemption price equal to the sum of the principal of the 2023A Bonds to be redeemed plus accrued interest thereon to the date fixed for redemption, without premium.

Selection of Bonds for Redemption

Whenever provision is made in the Indenture for the redemption of less than all of the 2023A Bonds, the Trustee shall select the 2023A Bonds to be redeemed from all 2023A Bonds not previously called for redemption, in such maturities as the Authority shall designate (and by lot within any maturity). For purposes of such selection, all Bonds shall be deemed to be comprised of separate \$5,000 portions and such portions shall be treated as separate 2023A Bonds, which may be separately redeemed.

Notice of Redemption

The Trustee on behalf and at the expense of the Authority shall send (by first class mail or other means acceptable to the recipient thereof) notice of any redemption to the respective Owners of any Bonds designated for redemption at their respective addresses appearing on the Registration Books, to the

134264133.3

Securities Depositories and to one or more Information Services, at least twenty (20) but not more than sixty (60) days prior to the date fixed for redemption; provided, however, that neither failure to receive any such notice so mailed nor any defect therein shall affect the validity of the proceedings for the redemption of such Bonds or the cessation of the accrual of interest thereon. Such notice shall state the date of the notice, the redemption date, the redemption place and the redemption price and shall designate the CUSIP numbers, the 2023A Bond numbers and the maturity or maturities (except in the event of redemption of all of the 2023A Bonds) of the 2023A Bonds to be redeemed, and shall require that such Bonds be then surrendered at the Trust Office of the Trustee for redemption at the redemption price, giving notice also that further interest on such Bonds will not accrue from and after the redemption date. Neither the Authority nor the Trustee shall have any responsibility for any defect in the CUSIP number that appears on any Bond or in any redemption notice with respect thereto, and any such redemption notice may contain a statement to the effect that CUSIP numbers have been assigned by an independent service for convenience of reference and that neither the Authority nor the Trustee shall be liable for any inaccuracy in such numbers.

Any notice given pursuant to the Indenture may be conditional and/or rescinded by written notice given to the Trustee by the Authority and the Trustee shall provide notice of such rescission as soon thereafter as practicable in the same manner, and to the same recipients, as notice of such redemption was given pursuant to the Indenture.

Partial Redemption of Bonds

If only a portion of any Bond is called for redemption, then upon surrender of such Bond the Authority shall execute and the Trustee shall authenticate and deliver to the Owner thereof, at the expense of the Authority, a new 2023A Bond or Bonds, interest rate and maturity date, in aggregate principal amount equal to the unredeemed portion of the 2023A Bond being redeemed.

Effect of Redemption

From and after the date fixed for redemption, if funds available for the payment of the principal of, premium, if any, and interest on the 2023A Bonds so called for redemption shall have been duly provided, such Bonds so called shall cease to be entitled to any benefit under the Indenture other than the right to receive payment of the redemption price, and no interest shall accrue thereon from and after the redemption date. All 2023A Bonds redeemed pursuant to the Indenture shall be canceled by the Trustee. All moneys held by or on behalf of the Trustee for the payment of principal of or interest or premium on Bonds, whether at redemption or maturity, shall be held in trust for the account of the Owners thereof and the Trustee shall not be required to pay Owners any interest on, or be liable to Owners for any interest earned on, moneys so held.

Book-Entry System

The 2023A Bonds are being issued as fully registered bonds and, when executed and delivered, will be registered in the name of Cede & Co., as nominee of The Depository Trust Company, New York, New York (“DTC”). The 2023A Bonds will be issued in denominations of \$5,000 or any integral multiple thereof. Individual purchases of 2023A Bonds will be made in book-entry form only. Payments of principal of and interest on the 2023A Bonds are to be made to purchasers by DTC through DTC Participants. Purchasers will not receive physical delivery of the 2023A Bonds purchased by them. See APPENDIX F – “BOOK –ENTRY SYSTEM.”

SECURITY AND SOURCES OF PAYMENT FOR THE 2023A BONDS

2023A Bonds

General. The 2023A Bonds will be secured by a first lien on and pledge of the Revenues, which consist substantially of the Base Rental Payments payable by the City pursuant to the Lease. The Base Rental Payments will be paid by the City in an amount sufficient to pay the principal of and interest on the 2023A Bonds on each Interest Payment Date. On or before the fifteenth (15) Business Day preceding each Interest Payment Date, the City is required to pay to the Trustee the Base Rental Payments coming due on the next succeeding Interest Payment Date, respectively, from any legally available sources.

Pursuant to an Assignment Agreement, dated as of February 1, 2023 (the “Assignment Agreement”), by and between the Authority and the Trustee, relating to the 2023A Bonds, the Authority has and will assign, as further security for its obligations to make timely payment of principal of and interest on the 2023A Bonds to the Trustee for the benefit of the Owners certain of the Authority’s rights under the Lease and Site Lease, including the right to receive all Base Rental Payments.

Additional Rental Payments

Under the Lease, in addition to Base Rental Payments, the City has agreed to pay Additional Rental Payments in such amounts in each year as shall be required for the payment of all costs and expenses (not otherwise paid for or provided for out of the proceeds of sale of the 2023A Bonds) incurred by the Authority or the Trustee in connection with the execution, performance or enforcement of the Lease or the assignment thereof, the Indenture, or the Authority’s or the Trustee’s interest in the Leased Property, including, but not limited to, all fees, costs and expenses, all administrative costs of the Authority relating to the Leased Property (including, without limiting the generality of the foregoing, salaries and wages of employees, overhead, insurance premiums, taxes and assessments (if any), expenses, compensation and indemnification of the Trustee payable by the Authority under the Indenture), fees of auditors, accountants, attorneys or engineers, and all other reasonable and necessary administrative costs of the Authority or charges required to be paid by it to comply with the terms of the 2023A Bonds or of the Indenture. Such Additional Rental Payments shall be billed to the City by the Authority or the Trustee from time to time. Amounts so billed shall be paid by the City within sixty (60) days after receipt of the bill by the City.

Covenant to Budget and Appropriate

The City has covenanted in the Lease to take such action as may be necessary to include all Base Rental Payments and Additional Rental Payments due under the Lease in its budget and to make the necessary annual appropriations for all such Base Rental Payments and Additional Rental Payments, subject only to abatement as provided in the Lease.

The City will furnish to the Authority and the Trustee annually a certificate stating that it has complied with this covenant, as set forth in the Lease. The covenants on the part of the City contained in the Lease shall be deemed to be and shall be construed to be duties imposed by law and it shall be the duty of each and every public official of the City to take such action and do such things as are required by law in the performance of the official duty of such officials to enable the City to carry out and perform the covenants and agreements in the Lease agreed to be carried out and performed by the City.

Limited Obligations

The full faith and credit of the Authority is not pledged for the payment of the principal of or interest or premium (if any) on the 2023A Bonds. The 2023A Bonds are not secured by a legal or equitable pledge of, or charge, lien or encumbrance upon, any of the property of the Authority or any of its income or receipts, except the Revenues and such other moneys and securities as provided in the Indenture. The obligation of

the City to make Base Rental Payments or Additional Rental Payments does not constitute an obligation of the City for which the City is obligated to levy or pledge any form of taxation or for which the City has levied or pledged any form of taxation. Neither the 2023A Bonds nor the obligation of the City to make Base Rental Payments or Additional Rental Payments constitutes an indebtedness of the City, the State of California or any of its political subdivisions (other than the Authority) within the meaning of any constitutional or statutory debt limitation or restriction.

2023A Reserve Fund

Under the Indenture, a 2023A Reserve Fund is established for the 2023A Bonds that will be funded at the 2023A Reserve Requirement. See APPENDIX C – “SUMMARY OF CERTAIN PROVISIONS OF THE PRINCIPAL LEGAL DOCUMENTS – THE INDENTURE.”

Abatement of Base Rental Payments

General. The obligation of the City to pay Base Rental Payments and Additional Rental Payments is subject to abatement during any period in which by reason of any damage, destruction, condemnation or title defect there is substantial interference with the use by the City of the Leased Property or any portion thereof. See “RISK FACTORS – Abatement.” Such abatement shall be in an amount such that the resulting Base Rental Payments in any year during which such interference continues does not exceed the fair rental value of the portions of the Leased Property as to which such damage, destruction, taking or title defect does not substantially interfere with the City’s use and right of possession, as evidenced by a Certificate of the City. Such abatement shall continue for the period commencing with the date of interference resulting from such damage, destruction, condemnation, taking or title defect and, with respect to damage to or destruction of the Leased Property, ending with the substantial completion of the work of repair or replacement of the Leased Property, or the portion thereof so damaged or destroyed.

An abatement will continue for the period commencing with the date on which the Leased Property is not available for use and occupancy and ending with the date on which the Leased Property is available for use and occupancy by the City. The term of the Lease will be extended by the period during which Base Rental Payments or Additional Rental Payments is abated, except that the term may in no event be extended beyond ten years following the stated term thereof.

COVID-19 Pandemic. The spread of COVID-19 resulted in the imposition of restrictions on gatherings, widespread temporary closings of businesses and schools (including within the City) and implementation from time to time of safer-at-home orders for citizens to remain at home, except for certain essential purposes. These restrictions limited public access to certain City-owned facilities from time to time that include the Leased Property. Any similar restrictions in the future are not expected to cause Base Rental Payments or Additional Rental Payments to be abated under the Lease.

Maintenance, Utilities, Taxes and Assessments

During such time as the City or any assignee or sublessee thereof is in possession of the Leased Property, all maintenance and repair, ordinary or extraordinary, of the Leased Property shall be the responsibility of the City, and the City shall pay for or otherwise arrange for the payment of (a) all utility services supplied to the Leased Property, (b) the cost of operation of the Leased Property, and (c) the costs of maintenance of and repair to the Leased Property resulting from ordinary wear and tear or want of care on the part of the City. The City shall at the City’s sole cost and expense keep and maintain the Leased Property clean and in a safe and good condition and repair. The Authority shall have no obligation to alter, remodel, improve, repair, decorate, or paint the Leased Property or any part thereof, and the parties hereto affirm that the Authority has made no representations or warranties to the City respecting the condition of the Leased Property. The City shall comply with all statutes, ordinances, regulations, and other requirements of all governmental entities that pertain to the occupancy or use of the Leased Property. The

Authority has no responsibility or obligation whatsoever to construct any improvements, modifications or alterations to the Leased Property. The City waives the right to make repairs at the Authority's expense under Subsection 1 of Section 1932 and Section 1942 of the California Civil Code, or any other such law, statute, or ordinance now or hereafter in effect.

The Leased Property will be used for public purposes by the City and, therefore, the Leased Property will be exempt from all taxes presently assessed and levied with respect to real and personal property, respectively. If the use, possession or acquisition by the Authority or the City of the Leased Property is found to be subject to taxation in any form, the City will pay during the term hereof, as the same respectively become due, all taxes and governmental charges of any kind whatsoever that may at any time be lawfully assessed or levied against or with respect to the Leased Property and any other property acquired by the City in substitution for, as a renewal or replacement of, or a modification, improvement or addition to the Leased Property; provided, that with respect to any governmental charges or taxes that may lawfully be paid in installments over a period of years, the City shall be obligated to pay only such installments as are accrued during such time as the Lease is in effect.

Insurance Coverages

Pursuant to the Lease, the City shall secure and maintain or cause to be secured and maintained at all times with insurers of recognized responsibility, or through a program of self-insurance to the extent specifically permitted in the Lease, all coverage on the Leased Property on which improvements are constructed required by the Lease. Such insurance shall consist of (i) comprehensive general liability coverage against claims for damages including death, personal injury, bodily injury or property damage arising from operations involving the Leased Property. Such insurance shall afford protection with a combined single limit of not less than \$1,000,000 per occurrence with respect to bodily injury, death or property damage liability, or such greater amount as may from time to time be recommended by the City's risk management officer or an independent insurance consultant retained by the City for that purpose, subject to a deductible clause of not to exceed \$500,000. The City's obligations under this clause (i) may be satisfied by self-insurance; (ii) casualty insurance, throughout the term of the Lease, against loss or damage to any or all of the Leased Property by fire and lightning, with extended coverage and vandalism and malicious mischief insurance, and against loss of Leased Property by theft. Such extended coverage insurance shall, as nearly as practicable, cover loss or damage by explosion, windstorm, riot, aircraft, vehicle damage, smoke and such other hazards as are normally covered by such insurance. The insurance required by this paragraph shall be in an amount not less than the principal amount of the Outstanding Bonds. The City's obligations under this clause (ii) may be satisfied by self-insurance; (iii) workers' compensation insurance issued by a responsible carrier authorized under the laws of the State to insure employers against liability for compensation under the Labor Code of the State, or any act enacted as an amendment or supplement thereto or in lieu thereof, such workers' compensation insurance to cover all persons employed by the City in connection with the Leased Property and to cover full liability for compensation under any such act; provided, however, that the City's obligations under this clause (iii) may be satisfied by self-insurance.

Rental interruption insurance will also be maintained in an amount not less than the maximum remaining scheduled Base Rental Payments in any twenty-four (24) month period, by an insurance provider rated at least "A" by A.M. Best & Company, to insure against loss of use of the Leased Property caused by perils covered by the comprehensive general liability coverage insurance). Such insurance may be maintained as part of or in conjunction with any other rental interruption insurance carried by the City and must list the Authority and the Trustee as additional insured parties. The net proceeds of such insurance shall be paid to the Trustee and credited toward the payment of the Base Rental Payments in the order in which such Base Rental Payments come due and payable.

All policies or certificates issued by the respective insurers for insurance, with the exception of workers' compensation insurance, shall provide that such policies or certificates shall not be canceled or materially changed without at least 30 days' prior written notice to the Authority and the Trustee. Certificates of comprehensive general liability and workers' compensation insurance shall be furnished by applicable insurers to the City, and, at least ten days prior to the expiration dates of such policies, if any, evidence of renewals shall be deposited with the Trustee. If the City elects to provide self-insurance pursuant to clauses (i), (ii) and/or (iii) above, the City shall annually cause to be delivered to the Trustee, upon request, a certificate of an Insurance Consultant certifying to the adequacy of the City's reserves for such insurance. All policies or certificates of insurance provided for in the Lease shall name the City as a named insured and the Trustee as an additional insured. All proceeds of insurance maintained under clauses (i) and (ii) shall be deposited with the City and under clause (2) shall be deposited with the Trustee. Notwithstanding the generality of the foregoing, the City shall not be required to maintain or cause to be maintained more insurance than is specifically referred to above or any policies of insurance other than standard policies of insurance with standard deductibles offered by reputable insurers at a reasonable cost on the open market.

Substitution and Release of Property

Pursuant to the Lease, the City and the Authority specifically acknowledge that the annual fair rental value of the Leased Property is in excess of the maximum annual Base Rental Payments. The City shall have, so long as the Lease is in effect, and is granted under the Lease, the option at any time and from time to time, to substitute other real property (the "Substitute Property") for any portion of the Leased Property (the "Former Property") or release any identifiable real property and/or improvements currently constituting the Leased Property (in such case, Substitute Property shall mean the Former Property less any portion released pursuant to the Lease); provided, that the City must satisfy all of the following requirements, which are conditions precedent to such substitution:

- (a) No default under the Lease or Event of Default shall have occurred and be continuing;
- (b) The City shall file with the Authority and the Trustee, and cause to be recorded in the office of the County Recorder, sufficient memorialization of amendments to the Lease and the Site Lease which replaces Exhibit A to the Lease and Exhibit A to the Site Lease with a description of such Substitute Property which deletes therefrom the description of the Former Property;
- (c) The City shall obtain an extended California Land Title Association ("CLTA") policy of title insurance insuring the City's fee or leasehold estate in such Substitute Property, the City's leasehold estate under the Lease, and the Authority's leasehold estate under the Site Lease in such Substitute Property, subject only to Permitted Encumbrances, in an amount not less than the aggregate principal amount of the Outstanding Bonds; provided, however, that this requirement shall not apply to Substitute Property that consists only of Former Property less any released portion;
- (d) The City shall provide a Certificate of the City to the Authority and to the Trustee that such Substitute Property constitutes property which the City is permitted to lease under the laws of the State of California;
- (e) The substitution of the Substitute Property shall not cause the City to violate any of its covenants, representations and warranties made herein;
- (f) The City shall file with the Authority and the Trustee a Certificate of the City or other evidence which establishes that the annual fair rental value of the Substitute Property after substitution or release will be at least equal to 100% of the maximum amount of the Base Rental Payments becoming

due in the then current fiscal year or in any subsequent fiscal year and the useful economic life of the Substitute Property shall be at least equal to the maximum remaining term of the Lease; and

(g) The City shall furnish to the Trustee an opinion of Bond Counsel addressed to the Trustee, the City and the Authority to the effect that the substitution or release is permitted under the Lease.

Upon the satisfaction of all such conditions precedent, and upon the City delivering to the Authority and the Trustee a Certificate of the City certifying that the conditions set forth in subsections (a), (c) and (e) outlined above have been satisfied, the Term of the Lease shall thereupon end as to the Leased Property and shall thereupon commence as to the Substitute Property, and all references to the Leased Property shall apply with full force and effect to the Substitute Property. The City shall not be entitled to any reduction, diminution, extension or other modification of the Base Rental Payments whatsoever as a result of any substitution or removal under the Lease.

PLAN OF FINANCE

General

The Authority is issuing the 2023A Bonds, to provide funds to: (i) finance the acquisition, construction and improvement of the Police Station Project, (ii) fund a debt service reserve for the 2023A Bonds, (iii) [fund a portion of interest for the 2023A Bonds,] and (iv) pay the related costs of issuing the 2023A Bonds. See “ESTIMATED SOURCES AND USES OF FUNDS.”

The Police Station Project

The Police Station Project consists of two buildings of Type II-B, slab on grade construction with masonry walls and concrete over metal deck on the second floors and roofs. The interior systems are made of structural steel. Type II-B construction is the most common type of non-combustible construction used in commercial buildings. Buildings constructed of non-combustible materials, however, have no fire resistance. Both buildings will contain sprinkler systems.

The main building is 32,671 square feet and will include a public lobby, a community meeting/multipurpose space, offices for administration, investigators and records and patrol related functions including: lockers, fitness, report writing areas, etc. The second support building is 11,806 square feet and will house property and evidence, k-9, the fingerprint laboratory and various police support and storage functions on its ground floor. The upper floor may house an indoor police firearms range, depending on the overall cost of the project. The development will also contain approximately 128 parking spaces on grade. The City has 100% of the design drawings completed for the Police Station Project, the site is fully entitled and has satisfied all environmental requirements.

A portion of the proceeds of the 2023A Bonds will fund interest on a portion of the 2023A Bonds through _____, 20__.

LEASED PROPERTY

General. The Leased Property consists of the site for the Police Station Project and the City’s Aquatic Center, located at 540 Park Avenue, El Centro CA. The Aquatic Center, which opened in 2019, contains an instructional/warm-up pool, an 8 lane competition pool with scoreboard and touch pads, recreational pool, and a lazy river on an approximately 3.5 acre site. In addition, the Aquatic Center contains staff offices, locker rooms, restrooms, concession stand and an event area.

Once the Police Station Project is completed and the City has beneficial use and occupancy of the site and building, it is expected that the Aquatic Center will be released from the lien under the Lease and no longer serve as a component of the Leased Property. At the time of the release of the Aquatic Center,

134264133.3

the City will certify to the Trustee that sufficient value remains in the Leased Property to support the then outstanding principal amount of the 2023A Bonds.

Substitution and Release of Property. The City may substitute other real property for any portion of the Leased Property described above, or release any identifiable real property and/or improvements currently constituting the Leased Property, provided the City satisfies the provisions of the Lease. See “SECURITY AND SOURCES OF PAYMENT OF THE 2023A BONDS – Substitution and Release of Property.”

No Remedy of Foreclosure. The City has not granted any security interest in the Leased Property for the benefit of the owners of the 2023A Bonds, and there is no deed of trust or mortgage or remedy of foreclosure on the Leased Property upon the occurrence of an Event of Default under the Indenture or the Lease.

THE AUTHORITY

The Authority is a joint powers authority, organized under a Joint Exercise of Powers Agreement, dated July 1, 1996 (the “Joint Powers Agreement”), by and between the Redevelopment Agency of the City of El Centro and the City. The Joint Powers Agreement was entered into pursuant to the provisions of the Act. The Authority is governed by a five-member Board of Directors that comprises the members of the City Council. The Authority has no separate staff, but operates using City staff members.

THE CITY

General

The City was incorporated under the Laws of the State of California in 1908. On November 3, 2009 voters approved Measure G adopting a City Charter. Under the provisions of the City Charter, the City has authority over its own municipal affairs including, but not limited to, certain bidding and contracting procedures, regulation of parks, libraries and other facilities, certain fees; municipal zoning, and municipal utilities.

The City operates under a Council-Manager form of Government. The City Council consists of five members elected at large by the residents of the City. Council terms are four years, elected in November of even-numbered years. Each December, the City Council selects the Mayor from among its members for a one-year term.

The Council is responsible, among other things, for passing ordinances, adopting the budget, appointing committees, and hiring the City Manager, City Attorney, and the City Clerk. The City Manager or Interim City Manager is responsible for carrying out the policies and ordinances of the governing council, for overseeing the day-to-day operations of the government, and for appointing the heads of the various departments. The City provides a full range of services, including police and fire protection; the construction and maintenance of streets and other infrastructure; recreational activities; and water and sewer services. Solid Waste collection and disposal is contracted out by the City.

The El Centro Regional Medical Center (the “Medical Center”) provides medical services within the City. The Medical Center is a municipal hospital, separate agency and enterprise operation of the City. The Medical Center’s finances are reported within the Proprietary Funds of the City’s financial statements. Currently the Authority has Hospital Revenue Refunding Bonds (El Centro Regional Medical Center Project) Series 2018 (the “Medical Center Bonds”) outstanding for the Medical Center in the aggregate principal amount of \$123,825,000. The Medical Center is currently experiencing financial and operational difficulties. See “EL CENTRO REGIONAL MEDICAL CENTER.”

The Medical Center Bonds are supported by installment purchase payments that constitute special limited obligations of the City, secured solely by all revenues, income, receipts and money received in any period by the Medical Center (other than donor-restricted gifts, grants, bequests, donations, contributions, and tax revenues). Neither the faith and credit nor the taxing power of the City is pledged to the repayment of the Medical Center Bonds. The Medical Center Bonds do not constitute a debt of the City, the Authority or of the State of California or of any political subdivision thereof.

General Fund Revenue Sources

The table below provides the amount of General Fund revenues that each source represents for the fiscal years shown. The City cannot predict the ultimate impacts on such revenues going forward as a result of the COVID-19 pandemic and potential related economic consequences; however, such impacts may be material and adverse. See “RISK FACTORS – COVID-19 Pandemic.”

Sales Taxes. A sales tax is imposed on the privilege of consuming personal property in California. California does not tax services. The tax rate is established by the State Legislature, and is presently 7.25%, statewide (of which 1% is paid to the City). The State’s actual administrative costs with respect to the portion of sales taxes allocable to the City are deducted before distribution. In addition, many of California’s cities, counties, and communities have special taxing jurisdiction to impose a transaction (sales) or use tax. These so-called district taxes increase the tax rate in a particular area by adding the local option tax to the statewide tax. These district taxes can vary up to 1%, and more than one district tax may be in effect for a particular location. Sales taxes represent the largest revenue source for the City’s General Fund.

E-commerce. During the past ten years, E-commerce retail sales have increased rapidly. In June 2018, the United States Supreme Court published its landmark decision in *South Dakota v. Wayfair* (the “Wayfair Decision”), holding that sales to a customer in a particular state alone are sufficient to create a nexus for purposes of determining whether a seller is required to collect sales taxes of the applicable state. Prior to the Wayfair Decision, courts had interpreted the dormant Commerce Clause of the United States Constitution to require that a company have a physical nexus in a state for the seller to be liable for the collection of that state’s sales tax. Physical nexus is defined as having either property or payroll in the state, including a resident employee working from home or inventory stored in that state. Thus, prior to the Wayfair Decision, states had much more limited means to collect sales tax revenue from E-commerce.

Following the Wayfair Decision, the State of California enacted Assembly Bill No. 147 on April 25, 2019, pursuant to which CDTFA has developed policies and procedures to govern the administration, collection and allocation of sales and use taxes for E-commerce retail sales. Among the factors that determine the allocation of sales and use tax revenue from E-commerce retail sales among California local jurisdictions such as the City, are the location from which the E-commerce order was placed, the location of the goods at the time of sale, the location of the fulfillment center.

Property Taxes. Taxes are levied by the County for each Fiscal Year on taxable real and personal property which is situated in the City as of the preceding January 1. Effective July 1, 1983, real property which changes ownership or is newly constructed is reassessed at the time the change in ownership occurs or the new construction is completed. The current year property tax rate will be applied to the reassessment, and the taxes will then be adjusted by a proration factor to reflect the portion of the remaining tax year for which taxes are due.

For assessment and collection purposes, property is classified either as “secured” or “unsecured” and is listed accordingly on separate parts of the assessment roll. The “secured roll” is that part of the assessment roll containing State assessed public utilities property and real property having a tax lien which is sufficient, in the opinion of the County Assessor, to secure payment of the taxes. Other property is assessed on the “unsecured roll.” Unsecured property comprises all property not attached to land, such as personal property or business property. Boats and airplanes are examples of unsecured property.

Property taxes on the secured roll are due in two installments, on November 1 and February 1 of each Fiscal Year, and if unpaid become delinquent on December 10 and April 10, respectively, subject to a penalty of ten percent. Property on the secured roll with respect to which taxes are delinquent becomes tax defaulted on or about June 30 of the Fiscal Year. Such property may thereafter be redeemed by payment of a penalty of 1.5 percent per month to the time of redemption, plus costs and a redemption fee. If taxes are unpaid for a period of five years or more, the property is deeded to the State and then is subject to sale by the County Tax Collector.

Property taxes on the unsecured roll are due as of the January 1 lien date and, in general, become delinquent on August 31, subject to a ten percent penalty. If unsecured taxes are unpaid on October 31, an additional penalty of 1.5 percent attaches to them on the first day of each month until paid. The City has four ways of collecting delinquent unsecured personal property taxes: (1) bringing a civil action against the taxpayer; (2) filing a certificate in the office of the County Clerk specifying certain facts in order to obtain a lien on certain property of the taxpayer; (3) filing a certificate of delinquency for record in the County Clerk and Recorder’s office in order to obtain a lien on certain property of the taxpayer, and (4) seizing and selling personal property, improvements or possessory interests belonging or assessed to the entity assessed.

Economic and other factors beyond the City’s control, such as economic recession, deflation of land values, or the complete or partial destruction of taxable property caused by, among other things, earthquake, flood or other natural disaster could cause a reduction in the assessed value of taxable property in the City. See also “LIMITATIONS ON REVENUES AND APPROPRIATIONS – Property Tax Limitations – Article XIII A, XIII B, XIII C (Proposition 218)” and “– Article XIII A Implementing Legislation.”

Teeter Plan. The Board of Supervisors of the County adopted the “Alternative Method of Distribution of Tax Levies and Collections and of Tax Sale Proceeds” (the “Teeter Plan”) on October 12, 1993, as provided for in Section 4701 *et seq.* of the Revenue and Taxation Code of the State of California. Under the Teeter Plan, each entity levying property taxes in the County may draw on the amount of uncollected secured taxes credited to its fund, in the same manner as if the amount credited had been collected. The Board of Supervisors of the County, however, may discontinue this administrative practice at any time and there is no assurance that the County will continue to maintain this practice.

Measure P Sales Tax

The City anticipates using a portion of the Measure P sales tax revenues to make the Base Rental Payments that will be used by the Authority to pay the principal of and interest on the 2023A Bonds. **Measure P sales tax revenues; however, are general sale tax revenues deposited into the City’s**

General Fund and are not pledged as security for the payment of the principal of and interest on the 2023A Bonds. See “SECURITY AND SOURCES OF PAYMENT FOR THE 2023A BONDS.”

In November of 2016, El Centro residents approved Measure P, which increased the sales tax rate by ½ of 1% effective April 1, 2017. The purpose of the Measure P sales tax is to address major capital needs within the City, including the Police Station Project. The Measure P sales tax is a transaction and use tax paid in addition to, and as a percentage of the price of, tangible personal property. It is paid on retail transactions within the City in addition to and in the same manner as State sales tax and is imposed on retailers for the privilege of selling tangible personal property. The transactions and use tax does not apply to a transaction when the State sales tax does not apply. The Measure P sales tax will terminate without further action of the voters on June 30, 2047. Notwithstanding the termination of Measure P before the final maturity of the 2023A Bonds, the City expects to have sufficient General Fund revenues available to make all Base Rental Payments supporting the payment of the principal of and interest on the 2023A Bonds.

As of January 1, 2023, the Measure P fund balance was approximately \$18.1 million. For the Fiscal Year ending June 30, 2023, Measure P sale tax revenues are projected to be approximately \$7,457,000.

Management Discussion

The City plans to position its finances in a manner that will allow it to meet the City’s strategic goals and objectives of the City and to accomplish this within the parameters allowed by the economy. The City plans to continue to fund reserves and enforce revenue enhancement and cost containment measures. Of course, the City cannot predict the ultimate impacts on General Fund revenues as a result of the Pandemic. See “RISK FACTORS – COVID 19 Pandemic.”

[discussion to come]

Future Financings. The City is currently liable and may become liable on other obligations payable from general revenues, some of which may have a priority over the Base Rental Payments, or which the City, in its discretion, may determine to pay prior to the Base Rental Payments. The City expects to issue approximately \$__ million of lease revenue bonds in 2022 payable from the General Fund to finance a new fire station facility in the City. See “RISK FACTORS – Additional General Fund Obligations.”

Certain City Policies and Practices

Financial Policies. The City adopted Financial Policies on October 7, 1998, and revised in 2014 and 2018 (the “Financial Policies”) to ensure that the City’s finances are managed in a manner which will, (i) continue to provide for the delivery of quality services, (ii) maintain and enhance service delivery as the community grows in accordance with the general plan, (iii) guarantee an annual balanced budget assuring that the City is always living within its means, and (iv) establish reserves necessary to meet known and unknown future obligations. To achieve these goals the Financial Policies include general policies, revenue policies, cost of growth policies, reserve policies, expenditure and budgeting policies, debt policies, and capital improvement policies. In particular, the Financial Policies call for the City to establish and maintain a General Fund reserve for economic uncertainties of not less than 10% of expenditures.

Debt Management Policy. The City adopted a Debt Management Policy on April 3, 2018 (the “Debt Policy”) to establish guidelines and parameters for the effective governance, management and administration of debt and other financing obligations issued by the City, the Authority and its other related entities. According to the Debt Policy, the City recognizes that debt levels and their related annual costs are important long-term obligations that must be managed within available resources. The objective of the Debt Policy is to provide written guidelines and restrictions concerning the amount and type of debt and other

financing obligations issued by the City and its related entities and the ongoing management of the debt portfolio. The Debt Policy is intended to improve the quality of decisions, assist with the determination of the structure of debt issuance, identify policy goals, and demonstrate a commitment to long-term financial planning, including a multi-year capital plan.

Investment Policy. In accordance with California Government Code, Sections 53600 et seq., the City maintains an Investment Policy, which was adopted January 2001 (the “Investment Policy”). The Investment Policy’s primary objectives are to ensure the safety of principal, maintain a sufficiently liquid investment portfolio to ensure that the City has adequate cash to meet reasonably anticipated operating requirements and earn a reasonable yield consistent with the objectives of safety and liquidity. These objectives reflect the City’s investment philosophy, as expressed in the Investment Policy, to invest conservatively in order to minimize risk. The fundamental principles of the investment philosophy are: diversification of the portfolio by investment type, quality standards for securities issuers, limits on the maximum maturity of investments, passive investment strategy of purchasing investments with the intent to hold them until maturity.

Pension Funding Policy. Like most municipalities, the City is facing rising pension costs and growing unfunded pension liabilities. On April 6, 2021, the City adopted a pension policy. The pension policy establishes a funding priority to pay off unfunded CalPERS liability. The City previously established a trust under Section 115 of the Internal Revenue Code for the purpose of funding City obligations to CalPERS. See “– Pension Plans – Public Agency Retirement Services Retirement Enhancement Plan below.”

Cybersecurity. The City provides training to its staff on phishing and safe browsing and how to avoid potential cyber threats. However, no assurances can be given that the security and operational control measures of the City will be successful in guarding against any and each cyber threat or breach. See “RISK FACTORS – Cybersecurity.” Staff is currently developing a standard operating procedure that will include cybersecurity related matters specifically.

City Budget

Budget Process. In accordance with the Financial Policies, the City’s goals when developing an annual budget are:

1. Follow the City's Strategic Plan which identifies community needs for essential services, activities and programs.
2. Identify and appropriate the resources required to perform program activities and accomplish program objectives.
3. Deliver services in the most cost effective manner, including utilizing the services of volunteers in areas where it is economically viable.
4. State the objectives of operating programs and identify the services and resources being provided to accomplish the specified objectives.
5. Periodically update replacement and maintenance financing plans and incorporate them into the budget.

The City uses the following procedures when establishing the budgetary data reflected in its financial statements. The fiscal year of the City begins on the first day of July of each year and ends on the thirtieth day of June the following year. In June, the City Manager submits to the City Council the proposed budget during a public hearing. At the conclusion of the public hearing, the City Council reviews and considers the proposed budget and makes any revisions thereof that it deems advisable and on or before June 30 it adopts the budget with revisions, if any, by the affirmative vote of at least a majority of the total members of the City Council during a public meeting. At any public meeting after the adoption of the budget, the City Council may amend or supplement the budget by motion adopted by the affirmative vote of at least a majority of the total members of the City Council. The City Council must approve any amendments or supplements to the budget in excess of \$50,000.

The City Council employs, at the beginning of each fiscal year, an independent certified public accounting firm which, at such time or times as specified by the City Council, at least annually, at such other times as such firm shall determine, examines the books, records, inventories and reports of all officers and employees who receive, control, handle or disburse public funds and of all such other officers, employees or departments as the City Council may direct. As soon as practicable after the end of the fiscal year, a report is submitted by such firm to the City Council and a copy of the financial statements as of the close of the fiscal year is published.

Adopted Budgets. The following table sets forth the City's adopted budget and actual General Fund revenues, expenditures and changes in fund balance for the Fiscal Year shown. The adopted budget is the original budget at the start of the new Fiscal Year. Throughout the year, budget changes may be authorized by City Council which increase or decrease the City's spending authority. Therefore, variances between the adopted budget and actual expenditures are common.

Appropriations Limit

Section 7910 of the Government Code of the State requires the City to adopt a formal appropriations limit for each fiscal year. The City's appropriations limit for Fiscal Year 2022-23 is \$46,163,972. The appropriations limit is not expected to have any impact on the ability of the City to budget and appropriate the Base Rental Payments and Additional Rental Payments as required by the Lease.

Assessed Valuation

The City's second largest revenue source, property tax, is imposed on real property (land and permanently attached improvements, such as buildings) and tangible personal property (moveable property) located within the City. The assessed valuation of property in the City is established by the County Assessor, except for public utility property which is assessed by the California Department of Tax and Fee Administration (the "CDTFA"). Assessed valuations are reported at 100% of the full cash value of the property, as defined in Article XIII A of the California Constitution. See " – Limitations on Taxes and Appropriations" below. Certain classes of property such as churches, colleges, not-for-profit hospitals and charitable institutions are exempt from property taxation and do not appear on the tax rolls.

Property tax revenue is recognized in the fiscal year for which the taxes have been levied providing they become available. Available means then due or past due and receivable within the current period and collected within the current period or expected to be collected soon enough thereafter (not to exceed 60 days) to be used to pay liabilities of the current period. The County collects property taxes for the City. Tax liens attach annually as of 12:01 A.M. on the first day in January proceeding the fiscal year for which the taxes are levied. Taxes are levied on both real and personal property as it exists on that date. The tax levy covers the fiscal period July 1 to June 30. All secured personal property taxes and one-half of the taxes on real property are due November 1; the second installment is due February 1. All taxes are delinquent, if unpaid, on December 10 and April 10, respectively. Unsecured personal property taxes become due on the first of March each year and are delinquent, if unpaid, on August 31. Economic and other factors beyond the City's control, such as economic recession, deflation of land values, or the complete or partial destruction of taxable property caused by, among other things, earthquake, flood or other natural disaster could cause a reduction in the assessed value of taxable property in the City. See "RISK FACTORS."

⁽¹⁾ Estimated Actual Value of Taxable Property is not available since passage of Proposition 13 in 1978. Property assessed values may rise only to a maximum of 2% per year unless there is new construction or when the property is sold. Consequently, estimated values are not available.

⁽²⁾ "Assessed Value" means 100% of full taxable value.

Direct and Overlapping Debt

Set forth on the following table is a direct and overlapping debt report (the "Debt Report") for the City prepared by California Municipal Statistics, Inc., dated as of January 1, 2023. The Debt Report is included for general information purposes only.

The Debt Report generally includes long term obligations sold in the public credit markets by public agencies whose boundaries overlap the boundaries of the City in whole or in part. Such long-term obligations generally are not payable from revenues of the City (except as indicated) nor are they necessarily obligations secured by land within the City. In many cases long-term obligations issued by a public agency are payable from the general fund or other revenues of such public agency. The City has not reviewed the Debt Report for completeness or accuracy and makes no representations in connection therewith.

Pension Plans

California Public Employees' Retirement System. All qualified employees are eligible to participate in the City's separate Miscellaneous (all other) and Safety (police and fire) plans (together, the "Plans"), cost-sharing and agent multiple-employer defined benefit pension plans, respectively, administered by the California Public Employees' Retirement System ("CalPERS"), which acts as a common investment and administrative agent for its participating member employers. Benefit provisions under the Plans are established by State statute and Local Government resolution. CalPERS issues publicly available reports that include a full description of the pension plans regarding benefit provisions, assumptions and membership information that can be found on the CalPERS website.

At June 30, 2021, the following employees were covered by the benefit terms for each Plan:

	<u>Miscellaneous</u>	<u>Safety</u>
Inactive employees or beneficiaries currently receiving benefits	155	137
Inactive employees entitled to but not yet receiving benefits	186	82
Active employees	<u>117</u>	<u>123</u>
Total	458	342

Benefits Provided. CalPERS provides service retirement and disability benefits, annual cost of living adjustments and death benefits to plan members, who must be public employees and beneficiaries. Benefits are based on years of credited service, equal to one year of full time employment. Members with five years of total service are eligible to retire at age 50 with statutorily reduced benefits. All members are eligible for non-duty disability benefits after 10 years of service. The death benefit is one of the following: the Basic Death Benefit, the 1957 Survivor Benefit, or the Optional Settlement 2W Death Benefit. The cost of living adjustments for each plan are applied as specified by the California Public Employees' Retirement Law (the "Retirement Law").

The Plans' provisions and benefits in effect at June 30, 2021, are summarized as follows:

Net Pension Liability. The City's net pension liability for each Plan is measured as the total pension liability, less the Plan's fiduciary net position. The net pension liability of each of the Plans are measured as of June 30, 2020, using an annual actuarial valuation as of June 30, 2019 rolled forward to June 30, 2020 using standard update procedures. The total pension liabilities in the June 30, 2019 actuarial valuations were determined using the following actuarial assumptions:

	<u>Miscellaneous</u>	<u>Safety (Classic)</u>

Contributions. Section 20814(c) of the Retirement Law requires that the employer contribution rates for all public employers be determined on an annual basis by the actuary and shall be effective on the July 1 following notice of a change in the rate. Funding contributions for both Plans are determined annually on an actuarial basis as of June 30 by CalPERS. The actuarially determined rate is the estimated amount necessary to finance the costs of benefits earned by employees during the fiscal year, with an additional amount to finance any unfunded accrued liability. The City is required to contribute the difference between the actuarially determined rate and the contribution rate of employees.

Discount Rate. The discount rate used to measure the total pension liability in the Fiscal Year ended on June 30, 2021 was 7.15% for each Plan. To determine whether the municipal bond rate should be used in the calculation of a discount rate for each plan, CalPERS stress tested plans that would most likely result in a discount rate that would be different from the actuarially assumed discount rate. Based on the testing, none of the tested plans run out of assets. The stress test results are presented in a detailed report that can be obtained from the CalPERS website. See APPENDIX B – “AUDITED FINANCIAL STATEMENTS OF THE CITY OF EL CENTRO FOR FISCAL YEAR ENDED JUNE 30, 2021” at Note 15 for asset allocation and return information.

On July 12, 2021, CalPERS reported a preliminary 21.3% net return on investments for FY 2020-21. Since the return exceeded the 7.00% discount rate sufficiently, the CalPERS Funding Risk Mitigation policy allows CalPERS to use a portion of the investment gain to offset the cost of reducing the expected volatility of future investment returns. Based on the thresholds specified in the policy, the excess return of 14.3% prescribes a reduction in investment volatility that corresponds to a reduction in the discount rate of 0.20%, from 7.00% to 6.80%. However, CalPERS net return on investments for the 12-month period ending on June 30, 2022 was -7.5%. This is CalPERS' first loss since the global financial crisis of 2009. Employer contributions generally increase as funded status declines.

Funding Status. The Unfunded Accrued Liability (“UAL”) is the present value of future employer contributions for service that has already been earned and is in addition to future normal cost contributions for active members. The City's required UAL payment contributions for 2023-24 for its Miscellaneous Plan is \$ \$2,343,973 and \$4,163,010 for its Safety Plan.

The funded status is an assessment of the need for future employer contributions based on the actuarial cost method used to fund the Plans. The following tables set forth the valuation results as of June 30, 2021. The valuation results are based on an investment return assumption of 6.8%. Other assumptions used in valuation reports are those recommended from in the CalPERS Experience Study and Review of Actuarial Assumptions November 2021 report available on the CalPERS website.

Public Employees' Pension Reform Act ("PEPRA"). On September 12, 2012, Governor Brown signed Assembly Bill 340, creating PEPRA. Among other things, PEPRA creates a new benefit tier for new employees/members entering public agency employment and public retirement system membership for the first time on or after January 1, 2013. The new tier has a single general member benefit formula and three safety member benefit formulas that must be implemented by all public agency employers unless the formula in existence on December 31, 2012 has both a lower normal cost and a lower benefit factor at normal retirement age. PEPRA requires that all new employees/members, hired on or after January 1, 2013, pay at least 50% of the normal cost contribution. The normal cost contribution is the contribution set by the

retirement system's actuary to cover the cost of a current year of service. The small PEPRA plans for fire and safety are discussed in the Audited Financial Statements of the City of El Centro for Fiscal Year Ended June 30, 2021 at Note 15. The City believes that the provisions of PEPRA will help to control its pension benefit liabilities in the future.

Public Agency Retirement Services Retirement Enhancement Plan. The City has established the Public Agency Retirement System ("PARS") Post-Employment Benefits Trust (the "Trust") as a tax-exempt trust within the meaning of Section 115 of the Internal Revenue Code to accumulate resources to "stabilize" the amount of its General fund resources that it will need to meet future contribution requirements to CalPERS. The balances and activities of the Trust are irrevocably dedicated to funding future obligations to CalPERS. The assets will benefit the City through reduced future cash flow demands on the City's General Fund resources and continue to be assets of the City. These amounts are reflected as restricted cash and investments in the General Fund and are irrevocably dedicated to funding future obligations to CalPERS. As of November 30, 2022, the balance in the Trust was \$4,006,010.78.

Other Post-Employment Benefits

The City provides other postemployment benefits ("OPEB") for health and dental care benefits, as required by the various collective bargaining agreements for retirees that meet certain criteria. The OPEB plan is a single-employer defined healthcare plan administered by the City. The City provides postretirement health, dental, vision, and life insurance benefits, as provided for in various collective bargaining agreements for retirees that meet certain criteria. The City pays 100 percent of the employee's premium for benefit coverage for qualifying management employees and elected & contract employees until age 65 and a portion of the employee's premium for qualifying non-management employees.

At June 30, 2021, 288 employees were covered by the OPEB plan. For the Fiscal Year ended June 30, 2021, the total contribution made was \$282,984. Fifty-two retired employees received OPEB benefits during such fiscal year. For additional information regarding the OPEB plan and its funding status, see APPENDIX B – "AUDITED FINANCIAL STATEMENTS OF THE CITY OF EL CENTRO FOR FISCAL YEAR ENDED JUNE 30, 2021" at Note 14.

STATE OF CALIFORNIA BUDGET INFORMATION

State Budget

General. Information about the State budget is regularly available at various State-maintained websites. Text of proposed and adopted budgets may be found at the website of the Department of Finance, www.dof.ca.gov, under the heading "California Budget." An impartial analysis of the budget is posted by the Office of the Legislative Analyst at www.lao.ca.gov. A summary of the May Revision to the State budget described below is located at www.ebudget.ca.gov/FullBudgetSummary.pdf. In addition, various State official statements, many of which contain a summary of the current and past State budgets and the impact of those budgets on cities in the State, may be found at the website of the State Treasurer, www.treasurer.ca.gov. The information referred to is prepared by the respective State agency maintaining each website and not by the City or the Authority, and the City and the Authority can take no responsibility for the continued accuracy of these internet addresses or for the accuracy, completeness or timeliness of information posted there, and such information is not incorporated herein by these references. Actions by the State, including through its budget process may have material impacts on the City's operations and finances.

2022-23 State Budget. On June 30, 2022, Governor Newsom signed into law the fiscal year 2022-23 State Budget (the “2022-23 Budget”). The 2022-23 Budget totals about \$308 billion and includes \$37.2 billion in budgetary reserves, which are comprised of: \$23.3 billion in the Budget Stabilization Account (the “Rainy Day Fund”) for fiscal emergencies; \$9.5 billion in the Public School System Stabilization Account, the “rainy-day” fund used to lessen the impact of State revenue volatility on K-12 schools and community colleges; \$900 million in the Safety Net Reserve (used to maintain benefits and services for CalWORKs and Medi-Cal participants during economic downturns); and \$3.5 billion in the State’s operating reserve. The Rainy Day Fund is now at its constitutional maximum (10 percent of General Fund revenues) requiring \$465 million to be dedicated for infrastructure investments in fiscal year 2022-23. Over the multi-year forecast period, the 2022-23 Budget reflects \$8 billion in supplemental deposits split evenly between the Rainy Day Fund and the Safety Net Reserve. These deposits are above what is constitutionally required. The 2022-23 Budget allocates 93 percent of the discretionary surplus for one-time purposes and is projected to be structurally balanced in fiscal year 2025-26, the last year in the multi-year forecast.

Governor’s Proposed 2023-24 State Budget. Governor Newsom released the Proposed State 2023-24 Budget (the “Proposed 2023-24 Budget”) on January 10, 2023. The Proposed 2023-24 Budget totals about \$223 billion, with General Fund revenues projected to be \$29.5 billion lower than the 2022 Budget Act and an estimated budget gap of \$22.5 billion in Fiscal Year 2023-24. The Proposed 2023-24 Budget reflects lower projections based on personal income tax forecast, which were substantially revised down due to a less than positive economic outlook and ongoing weakness in personal income cash receipts. The Proposed 2023-24 Budget does not propose to draw from the State’s reserve accounts to close the budget gap, but rather includes building up the reserve account by \$35.6 billion. The State is projected to end the Fiscal Year 2023-24 with available General Fund reserves that include: \$22.4 billion in the Budget Stabilization Account (the General Fund’s “rainy-day” fund) for fiscal emergencies; \$900 million in the Safety Net Reserve (used to maintain benefits and services for CalWORKs and Medi-Cal participants during economic downturns); \$8.5 billion in the Public School System Stabilization Account (the Proposition 98 “rainy-day” fund used to lessen the impact of state revenue volatility on K-14 schools); and \$3.8 billion in the Special Fund for Economic Uncertainties, the State’s operating reserve. In light of the decisions to address the budget problems, the Proposed 2023-24 Budget includes continued investments areas such as education, infrastructure, housing and homelessness.

Significant features of the Proposed 2023-24 Budget impacting cities and other local agencies in California include the following:

[to come]

Future State Budgets

No prediction can be made by the City as to whether the State will encounter budgetary problems in future fiscal years, and if it were to do so, it is not clear what measures would be taken by the State to balance its budget, as required by law. In addition, the City cannot predict the final outcome of future State budget negotiations, the impact that such budgets will have on City finances and operations or what actions will be taken in the future by the State Legislature and the Governor to deal with changing State revenues and expenditures. There can be no assurance that actions taken by the State to address its financial condition will not materially adversely affect the financial condition of the City. Current and future State budgets will be affected by national and State economic conditions and other factors, including the current economic downturn, over which the City has no control.

RISK FACTORS

Purchase of the 2023A Bonds will constitute an investment subject to certain risks, including the risk of nonpayment of principal and interest. Before purchasing any of the 2023A Bonds, prospective investors should carefully consider, among other things, the risk factors described below and otherwise referenced herein. However, the following is not meant to be an exhaustive listing of all the risks associated with the purchase of the 2023A Bonds. Moreover, the order of presentation of the risk factors does not necessarily reflect the order of their importance.

Base Rental Payments Are Not Debt; 2023A Bonds are Limited Obligations

The obligation of the City to make the Base Rental Payments under the Lease does not constitute an obligation of the City for which the City is obligated to levy or pledge any form of taxation or for which the City has levied or pledged any form of taxation. Neither the 2023A Bonds nor the obligation of the City to make Base Rental Payments constitutes a debt of the City, the State or any political subdivision thereof (other than the Authority) within the meaning of any constitutional or statutory debt limitation or restriction.

The 2023A Bonds are not general obligations of the Authority, but are limited obligations payable solely from and secured by a pledge of Revenues and amounts held in the funds and accounts created under the Indenture, consisting primarily of applicable Base Rental Payments. The Authority has no taxing power.

The 2023A Bonds are being issued by the Authority pursuant to the Act. The Supreme Court of the State in its 1998 decision of *Rider v. City of San Diego*, 18 Cal. 4th 1035, upheld the validity of a joint powers agency financing and found that bonds issued pursuant to the Act and payable from lease payments made pursuant to a lease with the City of San Diego were not subject to the State constitutional provisions that require two-thirds voter approval of indebtedness incurred by a city, county or school district. No voter approval of the 2023A Bonds or the Lease has been sought.

Although the Lease does not create a pledge, lien or encumbrance upon the funds of the City, the City is obligated under the Lease to pay the Base Rental Payments from any source of legally available funds and the City has covenanted in the Lease that, for so long as the Leased Property is available for its use, it will make the necessary annual appropriations within its budget for the Base Rental Payments. The City is currently liable and may become liable on other obligations payable from general revenues, some of which may have a priority over the Base Rental Payments, or which the City, in its discretion, may determine to pay prior to the Base Rental Payments.

Additional General Fund Obligations

The City has the capacity to enter into other obligations payable from the City's General Fund, without the consent of or prior notice to the Owners of the 2023A Bonds. To the extent that additional obligations are incurred by the City, the funds available to make Base Rental Payments may be decreased. If the City's revenue sources are less than its total obligations, the City could choose to fund other activities before making Base Rental Payments and other payments due under the Lease. The same result could occur if state constitutional expenditure limitations were to prohibit the City from appropriating and spending all of its otherwise available revenues.

Abatement

The obligation of the City to pay Base Rental Payments and Additional Rental Payments shall be abated during any period in which by reason of any damage, destruction, condemnation or title defect there is substantial interference with the use by the City of the Leased Property or any portion thereof. Such

abatement shall be in an amount such that the resulting Base Rental Payments in any year during which such interference continues does not exceed the fair rental value of the portions of the Leased Property as to which such damage, destruction, taking or title defect does not substantially interfere with the City's use and right of possession, as evidenced by a Certificate of the City. Such abatement shall continue for the period commencing with the date of interference resulting from such damage, destruction, condemnation, taking or title defect and, with respect to damage to or destruction of the Leased Property, ending with the substantial completion of the work of repair or replacement of the Leased Property, or the portion thereof so damaged or destroyed, and the term of the Lease shall be extended as provided in the Lease. Notwithstanding the foregoing, to the extent that moneys are available for the payment of base rental payments in any of the funds and accounts established under the Indenture, such base rental payments shall not be abated but shall be payable by the City as a special obligation payable solely from such funds and accounts. See APPENDIX C – "SUMMARY OF CERTAIN PROVISIONS OF THE PRINCIPAL LEGAL DOCUMENTS – The Lease – Abatement of Rental."

Police Station Project Completion

There can be no assurance that the Police Station Project will be completed for the costs and within the time described in this Official Statement. A delay in the completion or damage to the Police Station Project during construction could have an adverse effect on the costs of the Police Station Project. Contractor and subcontractor performance and integrity, availability and cost of labor, equipment and materials, and weather conditions, among other unexpected factors, could cause such a failure of timely on-budget construction.

If the Police Station Project is not delivered and installed by _____, 20__, and if there are no amounts on deposit in the Lease Revenue Fund and the 2023 Reserve Fund, and the City determines that the fair rental value of the site for the Police Station Project and the Aquatic Center and any completed improvements on the Police Station Project site is less than the Base Rental Payment then due, the Lease remains in effect, but the Base Rental Payments are abated in proportion to the undelivered portion of the Police Station Project, until the Police Station Project or portion thereof is completed and the combination of the unabated Base Rental Payments plus the 2023 Reserve Fund and other funds held by the Trustee may not be sufficient to pay the full amount of principal and interest due with respect to the 2023A Bonds.

Risk of Uninsured Loss

The City covenants under the Lease to maintain certain insurance policies on the Leased Property. These insurance policies do not cover all types of risk. The Leased Property could be damaged or destroyed due to earthquake or other casualty for which the Leased Property is uninsured. The Lease does not require earthquake insurance. Additionally, the Leased Property could be the subject of an eminent domain proceeding. Under these circumstances an abatement of Base Rental Payments could occur and could continue indefinitely. There can be no assurance that the providers of the City's liability will in all events be able or willing to make payments under the respective policies for such loss should a claim be made under such policies. Further, there can be no assurances that amounts received as proceeds from insurance or from condemnation of the Leased Property will be sufficient to repair the Leased Property or to redeem the 2023A Bonds secured by Base Rental Payments.

City General Fund

In General. The Base Rental Payments and other payments due under the Lease are payable from funds lawfully available to the City. If the amounts which the City is obligated to pay in a fiscal year exceed the revenues for such year, the City may choose to make some payments rather than making other payments, including Base Rental Payments, based on the perceived needs of the City. The same result could occur if,

because of California Constitutional limits on expenditures, the City is not permitted to appropriate and spend all of its available revenues or is required to expend available revenues to preserve the public health, safety and welfare. For more information regarding California Constitutional limits on expenditures see “LIMITATIONS ON REVENUES AND APPROPRIATIONS – Property Tax Limitations – Article XIII A, XIII B, XIII C (Proposition 218).”

Risk of Increased Expenditures. Under the Lease, provided the City is not currently in default thereunder, the City is permitted to expend for any municipal purpose or otherwise incur other evidences of indebtedness or other obligations payable from the City’s General Fund without the consent of Owners of the 2023A Bonds. To the extent that additional obligations are incurred by the City, the funds available to pay Base Rental Payments could decrease.

Risk of Decreased Revenues. A variety of national, state or regional factors, which are beyond the control of the City’s fiscal policies, as well as the City’s fiscal policies could reduce the amount of the City’s General Fund revenues. To the extent that City revenues decrease, the funds available to pay Base Rental Payments could decrease.

Public Health Emergencies

In recent years, public health authorities have warned of threats posed by outbreaks of disease and other public health threats. The spread of COVID-19 had adverse health and financial impacts throughout the City. From time to time since the onset of the COVID-19 pandemic, in California counties implemented and revised restrictions on mass gatherings and widespread closings or other limitations of the operations of government, commercial, educational, and other institutions. While significant portions of the population of the State of California have been vaccinated, COVID-19 variants have resulted, and may continue to result, in increased infection rates and the imposition of certain restrictions on commercial and other activities in the future. The City cannot predict what impact future public health emergencies will have on the City’s operations and finances or the regional economy.

Bankruptcy

General. A bankruptcy petition may be filed by the City. In particular, the City may file a petition under Chapter 9 (“Chapter 9”) of Title 11 of the United States Code (the “Bankruptcy Code”), provided that it complies with requirements of Section 53760 *et seq.* of the Government Code of the State. Under the Government Code, a local public entity, including the City, is prohibited from filing under the Bankruptcy Code unless it has participated in a specified neutral evaluation process with interested parties, as defined, or it has declared a fiscal emergency and has adopted a resolution by a majority vote of the governing board at a noticed public hearing that includes findings that the financial state of the local public entity jeopardizes the health, safety, or well-being of the residents of the local public entity’s jurisdiction or service area absent bankruptcy protections.

The adjustment plans approved by the Bankruptcy Courts in connection with the bankruptcies of the cities of Vallejo, San Bernardino and Stockton resulted in significant reductions in the amounts payable by the cities under lease revenue obligations substantially identical or similar to the 2023A Bonds. The City can provide no assurances about the outcome of the bankruptcy cases of other California municipalities or the nature of any adjustment plan if it were to file for bankruptcy.

City Bankruptcy. If the City were to become a debtor under the Bankruptcy Code, the City would be entitled to all of the protective provisions of the Bankruptcy Code as applicable in a Chapter 9 proceeding. Among the adverse effects of such a bankruptcy might be: (i) the application of the automatic stay provisions of the Bankruptcy Code, which, until relief is granted, would prevent collection of payments

from the City or the commencement of any judicial or other action for the purpose of recovering or collecting a claim against the City; (ii) the avoidance of preferential transfers occurring during the relevant period prior to the filing of a bankruptcy petition; (iii) the existence of unsecured or court-approved secured debt which may have a priority of payment superior to that of the Base Rental Payments under the Lease as they relate to Revenues due to Owners of 2023A Bonds; and (iv) the possibility of the adoption of a plan for the adjustment of the City's debt (a "Plan") without the consent of the Trustee or all of the Owners of 2023A Bonds, which Plan may restructure, delay, compromise or reduce the amount of any claim of the Owners if the Bankruptcy Court finds that the Plan is fair and equitable.

In addition, the City could either reject the Lease or assume the Lease despite any provision of the Lease which makes the bankruptcy or insolvency of the City an event of default thereunder. If the City rejects the Lease, the Trustee, on behalf of the Owners of the 2023A Bonds, would have a pre-petition claim that may be limited under the Bankruptcy Code and treated in a manner under a Plan over the objections of the Trustee or Owners of the 2023A Bonds. Moreover, such rejection would terminate the Lease and the City's obligations to make payments thereunder.

Authority Bankruptcy. Further, the Authority is a public agency and, like the City, is not subject to the involuntary procedures of the Bankruptcy Code. The Authority may also seek voluntary protection under Chapter 9 of the Bankruptcy Code. In the event the Authority were to become a debtor under the Bankruptcy Code, the Authority would be entitled to all of the protective provisions of the Bankruptcy Code as applicable in a Chapter 9 proceeding. Such a bankruptcy could adversely affect the payments under the Indenture. Among the adverse effects might be: (i) the application of the automatic stay provisions of the Bankruptcy Code, which, until relief is granted, would prevent collection of payments from the Authority or the commencement of any judicial or other action for the purpose of recovering or collecting a claim against the Authority; (ii) the avoidance of preferential transfers occurring during the relevant period prior to the filing of a bankruptcy petition; (iii) the existence of unsecured or court-approved secured debt which may have priority of payment superior to that of the Owners of the 2023A Bonds; and (iv) the possibility of the adoption of a plan for the adjustment of the Authority's debt without the consent of the Trustee or all of the Owners of the 2023A Bonds, which plan may restructure, delay, compromise or reduce the amount of any claim of the Owners if the Bankruptcy Court finds that the Plan is fair and equitable. However, the bankruptcy of the Authority, and not the City, should not affect the Trustee's rights under the Lease. The Authority could still challenge the assignment, and the Trustee and/or the Owners of the 2023A Bonds could be required to litigate these issues in order to protect their interests.

Medical Center Bankruptcy. The Medical Center is currently experiencing financial and operational difficulties. See "EL CENTRO REGIONAL MEDICAL CENTER." The City Attorney has advised the City Council and the Medical Center Board of Trustees there is uncertainty under applicable law regarding whether the Medical Center may file a petition under Chapter 9 of the Bankruptcy Code independently from the City. The outstanding Medical Center Bonds are supported by installment purchase payments that constitute special limited obligations of the City, secured solely by all revenues, income, receipts and money received in any period by the Medical Center (other than donor-restricted gifts, grants, bequests, donations, contributions, and tax revenues). Neither the faith and credit nor the taxing power of the City is pledged to the repayment of the Medical Center Bonds. The Medical Center Bonds do not constitute a debt of the City, the Authority (other than as provided in the financing documents for such bonds) or of the State of California.

Opinion Qualifications. The various legal opinions to be delivered concurrently with the 2023A Bonds (including Bond Counsel's approving opinion) will be qualified as to the enforceability of the various agreements relating to the 2023A Bonds by limitations imposed by bankruptcy, reorganization, insolvency or other similar laws affecting the rights of creditors generally and by general principles of equity applied in the exercise of judicial discretion. Further, Bond Counsel provides no opinion regarding whether the

Medical Center can petition for Chapter 9 protection apart from the City filing for such protection. The City is currently not in financial distress.

State Finances

According to the State Constitution, the Governor is required to propose a budget to the State Legislature by no later than January 10 of each year, and a final budget must be adopted by the vote of each house of the Legislature no later than June 15, although this deadline has been breached in the past. In November 2010, the voters of the State passed Proposition 25, which reduced the vote required to adopt a budget to a majority vote of each house and which provided that there would be no appropriation from the current budget or future budget to pay any salary or reimbursement for travel or living expenses for members of the Legislature for the period during which the budget was presented late to the Governor. The State budget becomes law upon the signature of the Governor, who may veto specific items of expenditure.

The State's financial condition and budget policies affect communities and local public agencies throughout California. State budgets are affected by regional, national or even international economic conditions and a multitude of other factors over which the City has no control. The City cannot give any assurances regarding the financial conditions of the State during any period of time. The City also cannot predict what measures the State will adopt to respond to any future financial difficulties. The City can provide no guarantees regarding the outcome of future State budget negotiations, the actions that will be taken in the future by the State Legislature and Governor to deal with changing State revenues and expenditures, or the impact that such budgets or actions will have on the City's finances and operations. Some of the State's budget solutions have caused in the past, and may cause in the future, increased financial stress to cities, counties and other local governments by: (i) decreasing local revenues (for example, the property tax, road improvement funding, public safety or other categorical funded initiatives), or (ii) increasing directly or indirectly demand for local programs (such as public safety or indigent health programs).

Information about the State budget and State spending is available at various State-maintained websites. Text of proposed and adopted budgets may be found at the website of the State Department of Finance, www.dof.ca.gov. An analysis of the budget is posted by the Office of the Legislative Analyst at www.lao.ca.gov. In addition, various official statements for State-issued bonds, many of which contain a summary of the current and past State budgets may be found at the website of the State Treasurer, www.treasurer.ca.gov. None of the websites referenced above is in any way incorporated into this Official Statement. They are cited for informational purposes only. The City makes no representation concerning, and does not take any responsibility for, the accuracy or timeliness of information posted on such websites or the continued maintenance of such websites by the respective entities.

No Liability of Authority to the Owners

Except as expressly provided in the Indenture, the Authority will not have any obligation or liability to the Owners of the 2023A Bonds with respect to the payment when due of the Base Rental Payments by the City, or with respect to the performance by the City of other agreements and covenants required to be performed by it contained in the Lease or the Indenture, or with respect to the performance by the Trustee of any right or obligation required to be performed by it contained in the Indenture.

No Limitation on Incurring Additional Obligations

Neither the Lease nor the Indenture contains any limitations on the ability of the City to enter into other obligations that may constitute additional claims against its General Fund revenues. To the extent that the City incurs additional obligations, the funds available to make Base Rental Payments may be

decreased. The City is currently liable on other obligations payable from General Fund revenues and expects to enter into other such obligations in the future. Such obligations may impose significant additional burdens on the City's General Fund.

Natural Disasters

General. From time to time, the City is subject to natural calamities which could result in the substantial interference with the use and occupancy of the Leased Property, which could result in Base Rental Payments being subject to abatement or an adverse impact on the City's General Fund. Under such circumstances, no assurance can be given that the City would have insurance or other resources available to make repairs to the Leased Property or to make Base Rental Payments under the Lease.

Geological and Seismic. The Leased Property is located within the Imperial Valley portion of the Salton Trough, the dominant landform within the County. The Salton Trough encompasses the Coachella, Imperial and Mexicali valleys and extends north from the Gulf of California. The geologic structure of the trough is a result of an evolving "rift" in the earth's crustal plates. Non-marine and alluvium sediments cover large portions of the area. The Imperial Valley is drained by an 8,360 square mile watershed, which eventually empties into the Salton Sea.

The State of California, including the Imperial Valley and the City, are located in seismically active regions and subject to seismic events with related concerns of ground shaking, liquefaction and landslides. Subsidence, a phenomenon associated with groundwater withdrawal, can occur in the Imperial Valley as a result of geothermal operations; however, the potential is considered low to moderate on the Imperial Valley floor under current hydrological conditions. The most noteworthy of the numerous active faults traversing the Salton Trough is the San Andreas Fault. The other two major northwest-trending fault zones bounding the Trough are the San Jacinto Fault on the northwest and the Elsinore Fault on the southwest.

The City is particularly susceptible to strong ground shaking and significant earthquake damage from liquefaction, land subsidence and ground lurching. Historically, the Imperial Valley is a seismically active area associated with numerous earthquakes registering from point 4.3 and 6.6 on the Richter scale. There are no assurances, however, that a future earthquake will be limited to this range in the Richter scale. The Leased Property could also be subjected to moderate to severe ground shaking in the event of an earthquake on any of the faults in the southern California and northern Baja California area.

Should an earthquake occur that results in substantial interference with the use of the Leased Property, under the abatement provisions of the Lease, the City would not be obligated to make the Base Rental Payments. See "RISK FACTORS – Abatement" above.

Wildfires. In recent years, portions of California have experienced wildfires that have burned thousands of acres and destroyed thousands of homes and structures, even in areas not previously thought to be prone to wildfires. Such areas affected by wildfires are more prone to flooding and mudslides that can further lead to the destruction of homes. Fires may cause damage to the Leased Property, which could result in Base Rental Payments being subject to abatement or an adverse impact on the City's General Fund.

Hazardous Substances

The public works activities of the City may, from time to time, result in the use of hazardous substances on the facilities owned and operated by the City, including, but not limited, to the Leased Property. Accordingly, it is possible that spills, discharges or other adverse environmental consequences of such use in the future could cause an adverse effect on the fair rental value of the Leased Property and

lead, in an extreme case, to abatement, in whole or in part, of all or a portion of the Base Rental Payments. See “RISK FACTORS – Abatement” above.

Cybersecurity

The City, like many other public and private entities, relies on computer and other digital networks and systems to conduct its operations and finances. As a recipient and provider of personal, private or other electronic sensitive information, the City is potentially subject to multiple cyber threats including, but not limited to, hacking, viruses, malware, ransomware and other attacks on computer and other sensitive digital networks and systems. Entities or individuals may attempt to gain unauthorized access to the City’s systems for the purposes of misappropriating assets or information or causing operational disruption or damage. The City provides training to its staff on phishing and safe browsing and how to avoid potential cyber threats. However, no assurances can be given that the security and operational control measures of the City will be successful in guarding against any and each cyber threat or breach. A ransomware or other cyber-attack could result in the disruption of City operations and a material financial liability.

Climate Change

Numerous scientific studies on global climate change show that, among other effects on the global ecosystem, sea levels will rise, extreme temperatures will become more common, wildfires will become more common and intense, and extreme weather events will become more frequent as a result of increasing global temperatures attributable to atmospheric pollution. For example, the Fourth National Climate Assessment, published by the U.S. Global Change Research Program, in November 2018 (NCA4) finds that more frequent and intense extreme weather and climate-related events, as well as changes in average climate conditions, are expected to continue to damage infrastructure, ecosystems and social systems over the next 25 to 100 years. The City cannot predict what impacts climate change will ultimately have on its finances and operations in the future. Such impacts could be material and adverse.

Future Initiatives

From time to time, other initiative measures may be adopted, which may affect the City’s revenues and its ability to expend said revenues. The above-mentioned measures and any future measures could restrict the City’s ability to raise additional funds for its General Fund.

Limitations on Remedies

The enforceability of the rights and remedies of the owners of the 2023A Bonds and the Trustee, and the obligations incurred by the Authority and the City, respectively, may be subject to the following, among others: the limitations on legal remedies against joint powers authorities and cities in California; the federal bankruptcy code and applicable bankruptcy, insolvency, reorganization, moratorium or similar laws relating to or affecting the enforcement of creditors’ rights generally, now or hereafter in effect; principles of equity that may limit the specific enforcement under State law of certain remedies; the exercise by the United States of America of the powers delegated to it by the U.S. Constitution; and the reasonable and necessary exercise, in certain exceptional situations, of the police power inherent in the sovereignty of the State and its governmental bodies in the interest of serving a significant and legitimate public purpose. Bankruptcy proceedings, or the exercise of powers by the federal or State government, if initiated, could subject the owners of the 2023A Bonds to judicial discretion and interpretation of their rights in bankruptcy or otherwise, and consequently may entail risks of delay, limitations or modification of their rights. See also, “– Bankruptcy” above.

Remedies on Default

If an Event of Default occurs and is continuing under the Lease, the Authority at its option may terminate the Lease and re-lease all or any portion of the Leased Property. The City irrevocably appoints the Authority under the Lease as the agent and attorney-in-fact of the City and the City will allow the Trustee to enter upon and re-lease the Leased Property upon the occurrence and continuation of an Event of Default, other than as described in the preceding paragraph. The Authority may take whatever action at law or in equity may appear necessary or desirable, to collect each Base Rental Payment as it becomes due under the Lease, if the Lease is not terminated in accordance with its terms. See APPENDIX C – “SUMMARY OF CERTAIN PROVISIONS OF THE PRINCIPAL LEGAL DOCUMENTS.”

Substitution of Property

Pursuant to the Lease, the City will have, so long as the Lease is in effect, the option at any time and from time to time, to substitute other real property for any portion of the Leased Property or release any identifiable real property and/or improvements constituting the Leased Property, provided that the City shall satisfy all of the requirements set forth in the Lease. See APPENDIX C – “SUMMARY OF CERTAIN PROVISIONS OF THE PRINCIPAL LEGAL DOCUMENTS – The Lease – Substitution and Release of Property.”

Secondary Market Risk

There can be no assurance that there will be a secondary market for purchase or sale of the 2023A Bonds, and from time to time there may be no market for them, depending upon prevailing market conditions, the financial condition or market position of firms who may make the secondary market and the financial condition of the City.

LIMITATIONS ON REVENUES AND APPROPRIATIONS

There are a number of provisions in the State of California Constitution that limit the ability of the City to raise and expend revenues. Contained below is a description of some of these limitations. In addition to the ones discussed in this section below, other initiative measures could be adopted from time to time further affecting the City's revenues and finances.

Property Tax Limitations – Article XIII A, XIII B, XIII C (Proposition 218)

Article XIII A of the California Constitution limits the amounts of *ad valorem* tax on real property to 1% of “full cash value” as determined by the county assessor. Article XIII A defines “full cash value” to mean “the City Assessor’s valuation of real property as shown on the 1975-76 tax bill under ‘full cash value’, or thereafter the appraised value of real property when purchased, newly constructed, or a change in ownership has occurred after the 1975 assessment period.” Furthermore, all real property valuation may be increased to reflect the inflation rate, as shown by the consumer price index, not to exceed 2% per year, or may be reduced in the event of declining property values caused by damage, destruction or other factors.

Article XIII A exempts from the 1% tax limitation any taxes to repay indebtedness approved by the voters prior to July 1, 1978, and any bonded indebtedness for the acquisition or improvement of real property approved on or after July 1, 1978 by two-thirds of the voters voting on the proposition approving such bonds, and requires a vote of two-thirds of the qualified electorate to impose special taxes, while totally precluding the imposition of any additional *ad valorem*, sales or transaction tax on real property. In addition, Article XIII A requires the approval of two-thirds of all members of the State legislature to change any State tax law resulting in increased tax revenues.

Article XIII B of the California Constitution limits the annual appropriations from the proceeds of taxes of the State and any city, county, school district, authority or other political subdivision of the State to the level of appropriations for the prior fiscal year, as adjusted for changes in the cost of living, population and services rendered by the governmental entity. Article XIII B includes a requirement that if an entity's revenues in any year exceed the amount permitted to be spent, the excess would have to be returned by revising tax or fee schedules over the subsequent two years.

On November 5, 1996, California voters approved an initiative to amend the California Constitution known as the Right to Vote on Taxes Act ("Proposition 218"), which added Article XIII C and XIII D to the California Constitution. Among other provisions, Proposition 218 requires majority voter approval for the imposition, extension or increase of general taxes and two-thirds voter approval for the imposition, extension or increase of special taxes by a local government, which is defined in Proposition 218 to include cities. Proposition 218 also provides that any general tax imposed, extended or increased without voter approval by any local government on or after January 1, 1995 and prior to November 6, 1996 will continue to be imposed only if approved by a majority vote in an election held within two years of November 6, 1996. Proposition 218 also provides that the initiative power shall not be prohibited or otherwise limited in matters of reducing or repealing any local tax, assessment, fee or charge. This extension of the initiative power is not limited by the terms of Proposition 218 to impositions after November 6, 1996 and absent other legal authority, could result in retroactive reduction in any existing taxes, assessments, fees and charges. In addition, Proposition 218 limits the application of assessments, fees and charges and requires certain existing, new and increased assessments, fees and charges to be submitted to property owners for approval or rejection, after notice and public hearing. Neither the City nor the Authority expects the provisions of Proposition 218 to have any immediate material effect on the revenues from which Base Rental Payments are expected to be appropriated.

Article XIII A Implementing Legislation

Legislation enacted by the California Legislature to implement Article XIII A (Statutes of 1978, Chapter 292, as amended) provides that, notwithstanding any other law, local agencies may not levy any property tax, except to pay debt service on indebtedness approved by the voters prior to July 1, 1978, and that each county will levy the maximum tax permitted by Article XIII A of \$4.00 per \$100 assessed valuation (based on the traditional practice of using 25% of full cash value as the assessed value for tax purposes). The legislation further provided that, for Fiscal Year 1978-79 only, the tax levied by each county was to be appropriated among all taxing agencies within the county in proportion to their average share of taxes levied in certain previous years.

Future assessed valuation growth allowed under Article XIII A (i.e., new construction, change of ownership, and 2% annual value growth) will be allocated on the basis of "situs" among the jurisdictions that serve the tax rate area within which the growth occurs. Local agencies and schools will share the growth of "base" revenue from the tax rate area. Each year's growth allocation becomes part of each agency's allocation in the following year. The Authority is unable to predict the nature or magnitude of future revenue sources that may be provided by the State to replace lost property tax revenues. Article XIII A effectively prohibits the levying of any other *ad valorem* property tax above those described above, even with the approval of the affected voters.

Challenges to Article XIII A

There have been many challenges to Article XIII A of the California Constitution. The United States Supreme Court heard the appeal in *Nordlinger v. Hahn*, a challenge relating to residential property. Based upon the facts presented in *Nordlinger*, the United States Supreme Court held that the method of property tax assessment under Article XIII A did not violate the federal Constitution. Neither the Authority

nor the City can predict whether there will be any future challenges to California's present system of property tax assessment.

Statutory Revenue Limitations – Proposition 62

Proposition 62 is a statewide statutory initiative adopted by the voters at the November 4, 1986 general election. It added Sections 53720 to 53730 to the Government Code to require that all new local taxes be approved by the voters. The statute provides that all local taxes are either general taxes or special taxes. General taxes are imposed for general governmental purposes. Special taxes are imposed for specific purposes only. General taxes may not be imposed by local government unless approved by a two-thirds vote of the entire legislative body and a majority of the voters voting on the proposed general tax. Special taxes may not be imposed by local government unless approved by a majority of the entire legislative body and by two-thirds of the voters voting on the special tax. Soon after Proposition 62 was adopted by the voters, legal challenges to taxes adopted contrary to its provisions were filed. In 1991, in the most significant case, *City of Woodlake v. Logan*, the California Court of Appeal held that the statutory voter approval requirement for general taxes was unconstitutional. The California Supreme Court refused to review *Woodlake*.

On September 28, 1995, the California Supreme Court, on a 5-2 vote, in a decision entitled *Santa Clara County Local Transportation Authority v. Guardino* (Case No. S036269), “disapproved” *Woodlake* and held that the voter approval requirements of Proposition 62 are valid. On December 14, 1995, the Supreme Court made minor nonsubstantive changes to its written opinion and denied the petition for rehearing. The decision provides that the voter approval requirements of Proposition 62 for both general and special taxes are valid. The *Guardino* case fails to say (1) whether the decision is retroactively applicable to general taxes adopted prior to the decision; (2) whether taxpayers have any remedies for refund of taxes paid under a tax ordinance that was not voter approved; (3) what statute of limitations applies to taxes adopted without voter approval prior to *Guardino*; (4) whether Proposition 62 applies only to new taxes or to tax increases as well.

The Court of Appeals in a December 15, 1997 decision entitled *McBearty v. City of Brawley* (Case No. D027877) addressed some of these issues. In *Brawley*, a taxpayer challenged the city's utility tax that was passed by the city council in 1991 without a vote of the electorate. The Court of Appeals held that (i) a three year statute of limitations applies to challenges to a tax ordinance subject to Proposition 62; and (ii) the statute of limitations did not begin to run until September 1995 when the *Guardino* case determined that Proposition 62 was constitutional. The effect of the holding in *Brawley* is that any tax ordinances passed between November 1986 and December 1995 that were not approved by the electorate would be subject to a challenge until December 1998. The court ordered the city to either cease collecting the tax or seek voter approval to continue levying the tax. However, in *Howard Jarvis Taxpayers Association v. City of La Habra*, decided on June 4, 2001, the California Supreme Court overruled part of *McBearty*, finding that the three year statute of limitations applicable to such taxes does not run from the date of the *Guardino* decision, but rather the continued imposition and collection of such tax is an ongoing violation, upon which the limitations period begins with each new collection.

Several questions raised by the *Guardino* decision remain unresolved. Proposition 62 provides that if a jurisdiction imposes a tax in violation of Proposition 62, the portion of the one percent general *ad valorem* tax levy allocated to that jurisdiction is reduced by \$1 for every \$1 in revenue attributable to the improperly imposed tax for each year that such tax is collected. The practical applicability of this provision has not been fully determined. Potential future litigation and legislation may resolve some or all of the issues raised by the *Guardino* decision.

Neither the Authority nor the City can predict the outcome of any pending or future litigation concerning the validity of Proposition 62, nor can either predict the scope of the *Guardino* or *McBearty* decisions discussed above. Proposition 62 could affect the ability of the City to continue the imposition of, or to retain, certain taxes, and restrict the City's ability to raise revenue.

Proposition 1A

Proposition 1A ("Proposition 1A"), proposed by the Legislature in connection with the 2004-05 Budget Act and approved by the voters in November 2004, restricts State authority to reduce major local tax revenues such as the tax shifts permitted to take place in Fiscal Years 2004/05 and 2005-06. Proposition 1A provides that the State may not reduce any local sales tax rate, limit existing local government authority to levy a sales tax rate or change the allocation of local sales tax revenues, subject to certain exceptions. Proposition 1A generally prohibits the State from shifting to schools or community colleges any share of property tax revenues allocated to local governments for any fiscal year, as set forth under the laws in effect as of November 3, 2004. Any change in the allocation of property tax revenues among local governments within a county must be approved by two-thirds of both houses of the Legislature. Proposition 1A provides, however, that beginning in Fiscal Year 2008-09, the State may shift to schools and community colleges up to 8% of local government property tax revenues, which amount must be repaid, with interest, within three years, if the Governor proclaims that the shift is needed due to a severe state financial hardship, the shift is approved by two-thirds of both houses and certain other conditions are met. Such a shift may not occur more than twice in any ten-year period. The State may also approve voluntary exchanges of local sales tax and property tax revenues among local governments within a county.

Proposition 1A provides that if the State reduces the vehicle license fee ("VLF") rate below 0.65% of vehicle value, the State must provide local governments with equal replacement revenues. Further, Proposition 1A requires the State to suspend State mandates affecting cities, counties and special districts, excepting mandates relating to employee rights, schools or community colleges, in any year that the State does not fully reimburse local governments for their costs to comply with such mandates.

Proposition 22

On November 2, 2010, voters in the State approved Proposition 22. Proposition 22, known as the "Local Taxpayer, Public Safety, and Transportation Protection Act of 2010," eliminates or reduces the State's authority to (i) temporarily shift property taxes from cities, counties and special districts to schools, (ii) use vehicle license fee revenues to reimburse local governments for state-mandated costs (the State will have to use other revenues to reimburse local governments), (iii) redirect property tax increment from redevelopment agencies to any other local government, (iv) use State fuel tax revenues to pay debt service on State transportation bonds, or (v) borrow or change the distribution of State fuel tax revenues.

Proposition 26

On November 2, 2010, voters in the State also approved Proposition 26. Proposition 26 amends Article XIII C of the State Constitution to expand the definition of "tax" to include "any levy, charge, or exaction of any kind imposed by a local government" except the following: (1) a charge imposed for a specific benefit conferred or privilege granted directly to the payor that is not provided to those not charged, and which does not exceed the reasonable costs to the local government of conferring the benefit or granting the privilege; (2) a charge imposed for a specific government service or product provided directly to the payor that is not provided to those not charged, and which does not exceed the reasonable costs to the local government of providing the service or product; (3) a charge imposed for the reasonable regulatory costs to a local government for issuing licenses and permits, performing investigations, inspections, and audits, enforcing agricultural marketing orders, and the administrative enforcement and adjudication thereof; (4) a

charge imposed for entrance to or use of local government property, or the purchase, rental, or lease of local government property; (5) a fine, penalty, or other monetary charge imposed by the judicial branch of government or a local government, as a result of a violation of law; (6) a charge imposed as a condition of property development; and (7) assessments and property-related fees imposed in accordance with the provisions of Article XIID. Proposition 26 provides that the local government bears the burden of proving by a preponderance of the evidence that a levy, charge, or other exaction is not a tax, that the amount is no more than necessary to cover the reasonable costs of the governmental activity, and that the manner in which those costs are allocated to a payor bear a fair or reasonable relationship to the payor's burdens on, or benefits received from, the governmental activity. Neither the City nor the Authority expects provisions of Proposition 26 to materially impede the City's ability to pay Base Rental Payments when due.

Unitary Property

AB 454 (Chapter 921, Statutes of 1986) provides that revenues derived from most utility property assessed by the CDTFA ("Unitary Property"), commencing with the 1988-89 fiscal year, will be allocated as follows: (i) each jurisdiction will receive up to 102% of its prior year State-assessed revenue; and (ii) if county-wide revenues generated from Unitary Property are less than the previous year's revenues or greater than 102% of the previous year's revenues, each jurisdiction will share the burden of the shortfall or benefit of the excess revenues by a specified formula. This provision applies to all Unitary Property except railroads, whose valuation will continue to be allocated to individual tax rate areas.

The provisions of AB 454 do not constitute an elimination of the assessment of any State-assessed properties nor a revision of the methods of assessing utilities by the CDTFA. Generally, AB 454 allows valuation growth or decline of Unitary Property to be shared by all jurisdictions in a county.

EL CENTRO REGIONAL MEDICAL CENTER

The El Centro Regional Medical Center provides medical services within the City of El Centro. The Medical Center is organized and existing under and by virtue of the laws of the State of California, including Article 7 (commencing with Section 37600) of Chapter 5 of Part 2 of Division 3 of Title 4 of the Government Code of the State of California. Currently, for purposes of state audit requirements, the Medical Center's finances are reported within the Proprietary Funds of the City's Annual Comprehensive Financial Report. However, the Medical Center operation is separate and apart from the City. The Medical Center has a separate governing board, EIN, employees, location and management structure.

On April 19, 2018, the Authority issued the Medical Center Bonds to refund \$50,000,000 of outstanding bonds previously issued for the benefit of the Medical Center and to finance structural modifications to existing buildings to meet future required seismic performance requirements, construct a new Ancillary Services Building, expand the Emergency Department, and upgrade and consolidate heating, ventilation, and air conditioning functions, among other projects. The Medical Center Bonds are outstanding in the aggregate principal amount of \$123,825,000 and are non-recourse to the City's General Fund. *The Medical Center Bonds are supported by installment purchase payments that constitute special limited obligations of the City, secured solely by all revenues, income, receipts and money received in any period by the Medical Center (other than donor-restricted gifts, grants, bequests, donations, contributions, and tax revenues). Neither the faith and credit nor the taxing power of the City is pledged to the repayment of the Medical Center Bonds. The Medical Center Bonds do not constitute a debt of the City.*

The Medical Center is now experiencing significant financial and operational difficulties. On November 15, 2022, the City Council re-assumed governance of the Medical Center's Board of Trustees by urgency Ordinance No. 22-08 to help stabilize the Medical Center. The City Council has taken similar

action in the past to assume board-level control when necessary. At the request of the majority bondholder, the Board of Trustees replaced the management of the Medical Center, as described below.

The Medical Center has failed to observe certain covenants with respect to the Medical Center Bonds and has received forbearance/waivers from the majority bondholder. No payment defaults, however, have occurred to date on the Medical Center Bonds. The successor trustee for the Medical Center Bonds, U.S. Bank Trust Company, National Association, is holding \$8,094,300 (representing the Medical Center Bonds reserve requirement) in the Series 2018 Bond Reserve Account.

As a result of the financial and operational difficulties at the Medical Center, the majority bondholder of the Medical Center Bonds suggested that Healthcare Management Partners (“HMP”) be retained by the Medical Center. HMP serves in interim and crisis management roles to help guide healthcare providers through periods of crisis or change. HMP has been retained to provide executive guidance to the Medical Center.

[HMP has represented to the Medical Center Board of Trustees that the Medical Center is losing approximately \$1-2 million per month and may run out of cash in the first or second quarter of 2023 without outside solutions. Further, HMP estimates that \$20-30 million of cash is needed to complete needed capital projects and attract and retain the medical and nursing staffs necessary to maintain existing services or recapture rapidly growing outmigration of services (and declining patient volumes) to San Diego and other markets. HMP is actively working with the City Council/Medical Center Board of Trustees to achieve restructuring solutions.]

[HMP advised the Medical Center Board of Trustees that the Medical Center should file for protection from its creditors, among other actions, to stabilize the financial situation at the Medical Center. The Medical Center Board of Trustees has not yet made any determination with regard to filing for Chapter 9 protection for the Medical Center under the Bankruptcy Code or any other restructuring solution. Further, the City Attorney has advised the City Council and the Medical Center Board of Trustees there is uncertainty under applicable law regarding whether the Medical Center may even file a petition under Chapter 9 of the Bankruptcy Code independently from the City. The City is not experiencing financial difficulties.]

TAX MATTERS

General

The delivery of the 2023A Bonds is subject to delivery of the opinion of Bond Counsel, to the effect that interest on the 2023A Bonds for federal income tax purposes under existing statutes, regulations, published rulings, and court decisions (1) will be excludable from the gross income, as defined in section 61 of the Internal Revenue Code of 1986, as amended to the date of initial delivery of the 2023A Bonds (the “Code”), of the owners thereof pursuant to section 103 of the Code, and (2) will not be included in computing the alternative minimum taxable income of the owners thereof. The delivery of the 2023A Bonds is also subject to the delivery of the opinion of Bond Counsel, based upon existing provisions of the laws of the State, that interest on the 2023A Bonds is exempt from personal income taxes of the State. A form of Bond Counsel’s anticipated opinion is included as APPENDIX E – FORM OF OPINION OF BOND COUNSEL. The statutes, regulations, rulings, and court decisions on which such opinion will be based are subject to change.

In rendering the foregoing opinions, Bond Counsel will rely upon the representations and certifications of the Authority and the City made in a certificate of even date with the initial delivery of the 2023A Bonds (the “Tax Certificate”) pertaining to the use, expenditure and investment of the proceeds of

the 2023A Bonds and will assume continuing compliance with the provisions of the Indenture and the Lease by the Authority and the City subsequent to the issuance of the 2023A Bonds. The Indenture, the Lease and the Tax Certificate contain covenants by the Authority and the City with respect to, among other matters, the use of the proceeds of the 2023A Bonds and the facilities and equipment financed or refinanced therewith by persons other than state or local governmental units, the manner in which the proceeds of the 2023A Bonds are to be invested, if required, the calculation and payment to the United States Treasury of any “arbitrage profits” and the reporting of certain information to the United States Treasury. Failure to comply with any of these covenants may cause interest on the 2023A Bonds to be includable in the gross income of the owners thereof from the date of the issuance of the 2023A Bonds.

Except as described above, Bond Counsel will express no other opinion with respect to any other federal, State or local tax consequences under present law, or proposed legislation, resulting from the receipt or accrual of interest on, or the acquisition or disposition of, the 2023A Bonds. Prospective purchasers of the 2023A Bonds should be aware that the ownership of tax-exempt obligations such as the 2023A Bonds may result in collateral federal tax consequences to, among others, financial institutions, life insurance companies, property and casualty insurance companies, S corporations with subchapter C earnings and profits, certain foreign corporations doing business in the United States, corporations subject to the alternative minimum tax on adjusted financial statement income, individual recipients of Social Security or Railroad Retirement benefits, individuals otherwise qualifying for the earned income tax credit, owners of an interest in a financial asset securitization investment trust (“FASIT”), and taxpayers who may be deemed to have incurred or continued indebtedness to purchase or carry, or who have paid or incurred certain expenses allocable to, tax-exempt obligations. Prospective purchasers should consult their own tax advisors as to the applicability of these consequences to their particular circumstances.

Bond Counsel’s opinions are not a guarantee of a result, but represent its legal judgment based upon its review of existing statutes, regulations, published rulings and court decisions and the representations and covenants of the Authority and the City described above. No ruling has been sought from the Internal Revenue Service (the “Service”) or the State with respect to the matters addressed in the opinions of Bond Counsel, and Bond Counsel’s opinions are not binding on the Service or the State. The Service has an ongoing program of auditing the tax-exempt status of the interest on municipal obligations. If an audit of the 2023A Bonds is commenced, under current procedures, the Service is likely to treat the Authority as the “taxpayer,” and the owners of the 2023A Bonds would have no right to participate in the audit process. In responding to or defending an audit of the tax-exempt status of the interest on the 2023A Bonds, the Authority may have different or conflicting interests from the owners of the 2023A Bonds. Public awareness of any future audit of the 2023A Bonds could adversely affect the value and liquidity of the 2023A Bonds during the pendency of the audit, regardless of its ultimate outcome.

For taxable years beginning after 2022, the Code imposes a minimum tax of 15 percent of the adjusted financial statement income of certain large corporations, generally consisting of corporations (other than S corporations, regulated investment companies and real estate investment trusts) with more than \$1 billion in average annual adjusted financial statement income, determined over a three-year period. For this purpose, adjusted financial statement income generally consists of the net income or loss of the taxpayer set forth on the taxpayer’s applicable financial statement for the taxable year, subject to various adjustments, but is not reduced for interest earned on tax-exempt obligations, such as the 2023A Bonds. Prospective purchasers that could be subject to this minimum tax should consult with their own tax advisors regarding the potential impact of owning the 2023A Bonds.

Existing law may change to reduce or eliminate the benefit to owners of the 2023A Bonds of the exclusion of interest on the 2023A Bonds from gross income for federal income tax purposes. Any proposed legislation or administrative action, whether or not taken, could also affect the value and marketability of

the 2023A Bonds. Prospective purchasers of the 2023A Bonds should consult with their own tax advisors with respect to any proposed or future changes in tax law.

Tax Accounting Treatment of Discount and Premium on Certain 2023A Bonds

The initial public offering of certain of the 2023A Bonds (the “Discount Bonds”) may be less than the amount payable on such 2023A Bonds at maturity. An amount equal to the difference between the initial public offering price of a Discount Bond (assuming that a substantial amount of the 2023A Bonds of that maturity are sold to the public at such price) and the amount payable at maturity constitutes original issue discount to the initial purchaser of such Discount Bond. A portion of such original issue discount, allocable to the holding period of such Discount Bond by the initial purchaser, will, upon the disposition of such Discount Bond (including by reason of its payment at maturity), be treated as interest excludable from gross income, rather than as taxable gain, for federal income tax purposes, on the same terms and conditions as those for other interest on the 2023A Bonds described above. Such interest is considered to be accrued actuarially in accordance with the constant interest method over the life of a Discount Bond taking into account the semiannual compounding of accrued interest at the yield to maturity on such Discount Bond, and generally will be allocated to an initial purchaser in a different amount from the amount of the payment denominated as interest actually received by the initial purchaser during the tax year.

However, such interest may be required to be taken into account in determining the amount of the branch profits tax applicable to certain foreign corporations doing business in the United States, even though there will not be a corresponding cash payment. In addition, the accrual of such interest may result in certain other collateral federal income tax consequences to, among others, financial institutions, life insurance companies, property and casualty insurance companies, “S” corporations with “subchapter C” earnings and profits, corporations subject to the alternative minimum tax on adjusted financial statement income, individual recipients of Social Security or Railroad Retirement benefits, individuals otherwise qualifying for the earned income tax credit owners of an interest in a FASIT, and taxpayers who may be deemed to have incurred or continued indebtedness to purchase or carry, or who have paid or incurred certain expenses allocable to, tax-exempt obligations. Moreover, in the event of the redemption, sale or other taxable disposition of a Discount Bond by the initial owner prior to maturity, the amount realized by such owner in excess of the basis of such Discount Bond in the hands of such owner (adjusted upward by the portion of the original issue discount allocable to the period for which such Discount Bond was held) is includable in gross income.

Owners of Discount Bonds should consult with their own tax advisors with respect to the determination for federal income tax purposes of accrued original issue discount on Discount Bonds and with respect to the state and local tax consequences of owning and disposing of Discount Bonds. It is possible that, under applicable provisions governing determination of state and local income taxes, accrued interest on Discount Bonds may be deemed to be received in the year of accrual even though there will not be a corresponding cash payment.

The purchase price of certain 2023A Bonds (the “Premium Bonds”) paid by an owner may be greater than the amount payable on such 2023A Bonds at maturity. An amount equal to the excess of a purchaser’s tax basis in a Premium Bond over the amount payable at maturity constitutes premium to such purchaser. The basis for federal income tax purposes of a Premium Bond in the hands of such purchaser must be reduced each year by the amortizable bond premium, although no federal income tax deduction is allowed as a result of such reduction in basis for amortizable bond premium. Such reduction in basis will increase the amount of any gain (or decrease the amount of any loss) to be recognized for federal income tax purposes upon a sale or other taxable disposition of a Premium Bond. The amount of premium that is amortizable each year by a purchaser is determined by using such purchaser’s yield to maturity (or, in some cases with respect to a callable 2023A Bond, the yield based on a call date that results in the lowest yield

on the 2023A Bond). Purchasers of the Premium Bonds should consult with their own tax advisors with respect to the determination of amortizable bond premium with respect to the Premium Bonds for federal income purposes and with respect to the state and local tax consequences of owning and disposing of Premium Bonds.

LITIGATION

There is no controversy of any nature now pending against the City or the Authority or, to the knowledge of their respective officers threatened, seeking to restrain or enjoin the sale, execution, issuance or delivery of the 2023A Bonds or in any way contesting or affecting the validity of the 2023A Bonds or any proceedings of the City or the Authority taken with respect to the sale, execution, issuance or delivery thereof or the pledge or application of any moneys or security provided for the payment of the 2023A Bonds or the use of the 2023A Bond proceeds or contesting the corporate existence of the City or the Authority, or the title of the officers thereof to their respective offices.

There are currently some lawsuits and claims pending against the City for which the City is either self-insured or insured in varying degrees by commercial insurance, or which in the aggregate, if determined adversely to the City, could have a material adverse impact on the City's finances in the future. However, the City does not expect any such suits or claims to have a material adverse effect on the City's ability to make Base Rental Payments under the Lease.

El Centro Financing Authority
Lease Revenue Bonds, 2023 Series A
(Police Station Project)

Ladies and Gentlemen:

We have acted as Bond Counsel to the El Centro Financing Authority (the “Authority”) in connection with the issuance by the Authority of its \$[Par Amount] Lease Revenue Bonds, 2023 Series A (Police Station Project) (the “2023A Bonds”). The 2023A Bonds are being issued under the provisions of the Marks-Roos Local Bond Pooling Act of 1985, constituting Article 4 of Chapter 5 of Division 7 of Title 1 (commencing with Section 6584) of the California Government Code (the “Bond Law”), and pursuant to an Indenture, dated as of February 1, 2023 (the “Indenture”), by and between the Authority and The Bank of New York Mellon Trust Company, N.A., as trustee (the “Trustee”).

The 2023A Bonds are limited obligations of the Authority secured under the Indenture by a pledge of Revenues and certain other moneys held under the Indenture. The Revenues consist of (i) all Base Rental Payments payable by the City pursuant to the Lease Agreement, dated as of February 1, 2023 (the “Lease”), by and between the Authority, as lessor, and the City, as lessee (including prepayments), (ii) any proceeds of 2023A Bonds deposited with the Trustee and all moneys on deposit in the funds and accounts established under the Indenture, (iii) investment income with respect to such moneys held by the Trustee and (iv) any insurance proceeds or condemnation awards received by or payable to the Trustee relating to the Base Rental Payments.

The City has leased certain real property and improvements (the “Leased Property”) to the Authority pursuant to the Site and Facility Lease, dated as of February 1, 2023 (the “Site Lease”), by and between the City and the Authority. Pursuant to the Assignment Agreement, dated as of February 1, 2023 (the “Assignment Agreement”), by and between the Authority and the Trustee, the Authority has assigned to the Trustee, for the benefit of the Owners, certain of the Authority’s rights under the Site Lease and the Lease, including the right to receive Base Rental Payments under the Lease.

As Bond Counsel, we have reviewed relevant portions of the Bond Law, the Indenture, the Site Lease, the Lease, the Assignment Agreement and certifications of the Authority, the City, the Trustee and others, opinions of counsel to the Authority, the City and the Trustee, and such other documents, opinions and instruments as we deemed necessary to render the opinions set forth herein. Capitalized terms used and not otherwise defined herein shall have the meanings ascribed thereto in the Indenture.

Based upon the foregoing, we are of the opinion that:

1. The 2023A Bonds constitute valid and binding limited obligations of the Authority as provided in the Indenture, and are entitled to the benefits of the Indenture.
2. The Indenture has been duly and validly authorized, executed and delivered by the Authority and, assuming the enforceability thereof against the Trustee, constitutes the legally valid and binding obligation of the Authority, enforceable against the Authority in accordance with its terms. The Indenture creates a valid pledge, to secure the payment of principal of and interest on the 2023A Bonds, of the Revenues and certain other amounts held by the Trustee in certain funds and accounts established pursuant to the Indenture, subject to the provisions of the Indenture permitting the application thereof for other purposes and on the terms and conditions set forth therein.
3. The Lease and Site Lease have been duly and validly authorized, executed and delivered by the Authority and the City and constitute the legally valid and binding obligations of the Authority and the City, enforceable against the Authority and the City in accordance with their terms.
4. The Assignment Agreement has been duly and validly authorized, executed and delivered by the Authority and, assuming the enforceability thereof against the Trustee, constitutes the legally valid and binding obligation of the Authority, enforceable against the Authority in accordance with its terms.
5. Under existing law, and assuming compliance with the covenants mentioned below after the date hereof, interest on the 2023A Bonds is excluded pursuant to section 103(a) of the Internal Revenue Code of 1986 as amended to the date hereof (the "Code") from the gross income of the owners thereof for federal income tax purposes and will not be included in computing the alternative minimum taxable income of the owners thereof who are individuals. We are further of the opinion that interest on the 2023A Bonds is exempt from personal income taxes of the State of California under present state law.

The Code imposes certain requirements that must be met subsequent to the issuance and delivery of the 2023A Bonds for interest thereon to be and remain excluded pursuant to section 103(a) of the Code from the gross income of the owners thereof for federal income tax purposes. Non-compliance with such requirements could cause the interest on the 2023A Bonds to fail to be excluded from the gross income of the owners thereof retroactive to the date of issuance of the 2023A Bonds. Pursuant to the Indenture, the Lease and the Tax Certificate being delivered by the Authority and the City in connection with the issuance of the 2023A Bonds, the Authority and the City are making representations relevant to the determination of, and are undertaking certain covenants regarding or affecting, the exclusion of interest on the 2023A Bonds from the gross income of the owners thereof for federal income tax purposes. In reaching our opinions described in the immediately preceding paragraph, we have assumed the accuracy of and have relied upon such representations and the present and future compliance by the Authority and the City with such covenants. Further, except as stated in the preceding paragraph, we express no opinion as to any federal, state or local tax consequences of the receipt of interest with respect to, or the ownership or disposition of, the 2023A Bonds. Furthermore, we express no opinion as to any federal, state or local tax law consequences with respect to the 2023A Bonds, or the interest thereon, if any action is taken with respect to the 2023A Bonds or the proceeds thereof predicated or permitted upon the advice or approval of other counsel. Ownership of tax-exempt obligations such as the 2023A Bonds may result in collateral federal tax consequences to, among others, financial institutions, life insurance companies, property and casualty insurance companies, certain foreign corporations doing business in the United States, S corporations with subchapter C earnings and profits,

corporations subject to the alternative minimum tax on adjusted financial statement income, owners of an interest in a financial asset securitization investment trust, individual recipients of Social Security or Railroad Retirement benefits, individuals otherwise qualifying for the earned income tax credit, and taxpayers who may be deemed to have incurred or continued indebtedness to purchase or carry, or who have paid or incurred certain expenses allocable to, tax-exempt obligations.

The opinions expressed in paragraphs 1, 2, 3 and 4 above are qualified to the extent the enforceability of the 2023A Bonds, the Indenture, the Lease, the Site Lease and the Assignment Agreement may be limited by applicable bankruptcy, insolvency, debt adjustment, reorganization, moratorium or similar laws or equitable principles relating to or limiting creditors' rights generally or as to the availability of any particular remedy. The enforceability of the 2023A Bonds, the Indenture, the Lease, the Site Lease and the Assignment Agreement is subject to the effect of general principles of equity, including, without limitation, concepts of materiality, reasonableness, good faith and fair dealing, to the possible unavailability of specific performance or injunctive relief, regardless of whether considered in a proceeding in equity or at law, and to the limitations on legal remedies against governmental entities in the State of California.

No opinion is expressed herein on the accuracy, completeness or fairness of the Official Statement or other offering material relating to the 2023A Bonds.

Our opinions are based on existing law, which is subject to change. Such opinions are further based on our knowledge of facts as of the date hereof. We assume no duty to update or supplement our opinions to reflect any facts or circumstances that may thereafter come to our attention or to reflect any changes in any law that may thereafter occur or become effective. Moreover, our opinions are not a guarantee of result and are not binding on the Internal Revenue Service or the State of California; rather, such opinions represent our legal judgment based upon our review of existing law that we deem relevant to such opinions and in reliance upon the representations and covenants referenced above.

Respectfully submitted,

APPENDIX F

BOOK-ENTRY SYSTEM

The information in this section concerning DTC and DTC's book-entry only system has been obtained from sources that each of the Authority and the City believes to be reliable, but the Authority and the City take no responsibility for the completeness or accuracy thereof. The following description of the procedures and record keeping with respect to beneficial ownership interests in the 2023A Bonds, payment of principal, premium, if any, and interest on the 2023A Bonds to DTC Participants or Beneficial Owners, confirmation and transfers of beneficial ownership interests in the 2023A Bonds and other related transactions by and between DTC, the DTC Participants and the Beneficial Owners is based solely on information provided by DTC.

The Depository Trust Company ("DTC"), New York, New York, will act as securities depository for the 2023A Bonds. The 2023A Bonds will be issued as fully-registered securities registered in the name of Cede & Co. (DTC's partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully-registered 2023A Bond will be issued for each annual maturity of the 2023A Bonds, each in the aggregate principal amount of such maturity, and will be deposited through the facilities of DTC.

DTC, the world's largest securities depository, is a limited-purpose trust company organized under the New York Banking Law, a "banking organization" within the meaning of the New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code, and a "clearing agency" registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 3.6 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments (from over 100 countries) that DTC's participants ("Direct Participants") deposit with DTC. DTC also facilitates the post trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants' accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation ("DTCC"). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly ("Indirect Participants"). DTC has an S&P Global Ratings rating of "AA+." The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at www.dtcc.com. The information set forth on such website is not incorporated herein by reference.

Purchases of 2023A Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for the 2023A Bonds on DTC's records. The ownership interest of each actual purchaser of each 2023A Bond ("Beneficial Owner") is in turn to be recorded on the Direct and Indirect Participants' records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the 2023A Bonds are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive 2023A Bonds representing their ownership

interests in 2023A Bonds, except in the event that use of the book-entry system for the 2023A Bonds is discontinued.

To facilitate subsequent transfers, all 2023A Bonds deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of 2023A Bonds with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not affect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the 2023A Bonds; DTC's records reflect only the identity of the Direct Participants to whose accounts such 2023A Bonds are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time. Beneficial Owners of 2023A Bonds may wish to take certain steps to augment the transmission to them of notices of significant events with respect to the 2023A Bonds, such as prepayments, tenders, defaults, and proposed amendments to the 2023A Bond documents. For example, Beneficial Owners of 2023A Bonds may wish to ascertain that the nominee holding the 2023A Bonds for their benefit has agreed to obtain and transmit notices to Beneficial Owners. In the alternative, Beneficial Owners may wish to provide their names and addresses to the registrar and request that copies of notices be provided directly to them.

Redemption notices shall be sent to DTC. If less than all of the 2023A Bonds within a maturity are being prepaid, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such maturity to be redeemed.

Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to 2023A Bonds unless authorized by a Direct Participant in accordance with DTC's MMI Procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the Authority as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts 2023A Bonds are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Redemption proceeds, distributions, and dividend payments on the 2023A Bonds will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts upon DTC's receipt of funds and corresponding detail information from the Authority, the City or the Trustee, on payable date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC, the Trustee, the Authority or the City, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of redemption proceeds, distributions, and dividend payments to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the Authority or the Trustee, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of Direct and Indirect Participants.

A 2023A Bond Owner shall give notice to elect to have its 2023A Bonds purchased or tendered, through its Participant, to the Trustee, and shall effect delivery of such 2023A Bonds by causing the Direct Participant to transfer the Participant's interest in the 2023A Bonds, on DTC's records, to the Trustee. The requirement for physical delivery of 2023A Bonds in connection with an optional tender or a mandatory purchase will be deemed satisfied when the ownership rights in the 2023A Bonds are transferred by Direct Participants on DTC's records and followed by a book-entry credit of tendered 2023A Bonds to the Trustee's DTC account.

DTC may discontinue providing its services as depository with respect to the 2023A Bonds at any time by giving reasonable notice to the Authority or the Trustee. Under such circumstances, in the event that a successor depository is not obtained, physical certificates are required to be printed and delivered.

The Authority may decide to discontinue use of the system of book-entry only transfers through DTC (or a successor securities depository). In that event, 2023A Bonds will be printed and delivered to DTC.

THE TRUSTEE, AS LONG AS A BOOK-ENTRY ONLY SYSTEM IS USED FOR THE 2023A BONDS, WILL SEND ANY NOTICE OF REDEMPTION OR OTHER NOTICES TO OWNERS ONLY TO DTC. ANY FAILURE OF DTC TO ADVISE ANY DTC PARTICIPANT, OR OF ANY DTC PARTICIPANT TO NOTIFY ANY BENEFICIAL OWNER, OF ANY NOTICE AND ITS CONTENT OR EFFECT WILL NOT AFFECT THE VALIDITY OF SUFFICIENCY OF THE PROCEEDINGS RELATING TO THE REDEMPTION OF THE 2023A BONDS CALLED FOR REDEMPTION OR OF ANY OTHER ACTION PREMISED ON SUCH NOTICE.
